Ms. Ingraham,

Thank you for the opportunity to bid with the Department of Natural Resources. Hopefully you'll find our materials not only in depth, completely conformed to the bid specifications, and absolutely competitive with other bidders.

We look forward to working with you on this, and other business in the future. Ramey Ford Princeton has been in business for the past 5 years, but before that spent over 25 years as Andy Clark Ford, and the majority of our staff and management have remained through the transition. The years of experience serving you are second to none.

In this bid package, you'll find not only specifications for the trucks being provided by Ford, but also for the upfits you've requested, which if your business is awarded to us, will benefit another local WV business, Baker Truck Equipment in Hurricane, WV. They have provided extremely details specifications for the upfits, and those are attached for your review so you can know with confidence that our bid meets all specs. Please note that while the Ford Truck builds do reflect an MSRP, that does not represent your purchase price. The overall bid is supplied on the included bid pricing sheet.

Regarding timeframes, we feel the need to specify a few key points. First, We do expect to meet your order deadline of 90 days from original purchase order, but we prefer to guarantee a delivery within 120 days. 90 is much more likely, but we always prefer to account for unexpected delays, as we are at the mercy of production schedules from Ford and parts availability from Baker.

We believe that our proposals will include any and all equipment that you have requested to be installed. Our relationships with our truck body up fitters is strong and expedient. Our relationship with Ford Motor Company is outstanding and our fleet orders arrive quickly and accurately.

If at any time reviewing this proposal, if you've found that you have questions, or I didn't make something quite as clear as it needed to be, please feel free to reach out to me. And if I'm missing any documents or attachments that you will require that doesn't affect the outcome of the bid, please feel free to let me know and I'll get those to you expeditiously.

Thank you again for your bid, and thank you for allowing us to participate in your bidding process.

Sincerely,

LT Schoonover

**PURCHASING AFFIDAVIT**

**MANDATE:** Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

**EXCEPTION:** The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

**DEFINITIONS:**

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

**AFFIRMATION:** By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
