The administrative staff of RN Expertise has 16 years experience with the company. They are well educated on guidelines. They provide data entry, statistical reporting, billing, MRO assistance, customer service, random generation, and communicate with Ms. Steele on any customer service issues. RN Expertise, Inc. provides all services required by Federal, State, and non-regulated drug testing programs. We are very experienced in originating new programs and with arranging any form of drug testing

services. We have national access to collection sites and have a 24 year relationship history with all of the major drug testing laboratories.

As mentioned, we provide services for many different varieties of drug free workplaces. Some of our clients are: The Wackenhut Corporation, North Carolina Department of Corrections, Seminole County, The Greater Orlando Aviation Authority, The State of Louisiana, State of Louisiana DCF, Discount Tire Co., America's Tire, Louisiana State University Health Systems/Hospitals, and numerous Automotive Management Companies, etc. We provide services for Department of Transportation workplaces, State of Florida Drug Free workplaces and numerous non-regulated workplaces throughout the nation.

David Parsons, MD has worked with RN Expertise, Inc. as our MRO since 1998. He has over 21 years experience as a Medical Review Officer. Our goal is to operate in the most efficient manner possible while providing the best customer service possible. We follow all guidelines and assure that our clients maintain compliance with all Federal guidelines.

RN Expertise Inc. has over 24 years experience administering programs similar to the scope of work required by the State of West Virginia. RN Expertise currently provides drug and alcohol testing services Statewide for the State of Louisiana. This includes all of the Department of Children and Families Statewide. Alere currently provides the services for the Supreme Court for the State of West Virginia. We arrange all laboratory and collection sites for our clients and arrange facilities to ensure convenience for the applicants and/or employees. We utilize a network of over 8,000 collections sites throughout the United States. Many of our clients have multiple locations statewide or nationwide. On original set up, we arrange services to ensure reporting of results and paperwork are assigned to appropriate designated employee representatives. We provide a variety of options for result reporting, including facsimile, voice, hard copy, and on-line reporting.

RN Expertise staff manages all aspects of the drug testing program. We review our client's policies and make suggested changes if necessary. We arrange DHHS/SAMHSA certified laboratories for testing and set up all testing panels requested by our customers. All chain of custody forms are printed to identify each separate client and location so the drug test results may be easily traced and reported accordingly. All client data and summary reports are stored in our system and can be readily obtained. We provide a variety of statistical reports to our customers. RN Expertise maintains all employee random consortium pools and updates the random pools prior to random selection on a monthly basis for all of our clients that participate in random testing.

We arrange all collection sites for testing for all of our customers. Courier services are also arranged for specimen pick up. RN Expertise also provides additional collection sites when requested. All of the collection sites have certified collectors and those with breath alcohol machines have certified breath alcohol technicians. RN Expertise maintains communication with these sites to ensure proper procedures are being followed and can

trace any possible delays in the collection process such as requests for affidavits by the collectors.

RN Expertise also provides MRO services in house for all of our clients. All aspects of the drug testing and alcohol testing stages can be traced from collection through the reporting process. All records are maintained and procedures are all in compliance with State and US DOT drug testing guidelines. The collectors, MRO, and laboratory personnel are also available to testify in the integrity of the collection and testing process.

Our staff is updated on any changes in drug testing guidelines and procedures are updated accordingly. Procedures for all of our customers are in accordance with state and federal guidelines. RN Expertise provides all aspects of DOT and non DOT drug testing program requirements for all of our customers.

RN Expertise, Inc. provides all services required by US DOT regulations. We arrange pre-employment, post accident, random, reasonable suspicion, return to duty and follow up testing as required by the US Department of Transportation 49 CFR part 40. We also provide breath alcohol testing as required using Certified Breath Alcohol Technicians and breath alcohol equipment listed on the conforming products list as stated in 49 CFR part 40. We generate random selection a minimum of every quarter after receiving an updated list of current employees. The random selection process meets 49 CFR part 40 guidelines. The list is sent via confidential method to the designated employee representatives. All results are sent to our Medical Review Officer and MRO assistants. We also provide on-site random DOT drug and alcohol testing for our clients that require on-site services. RN Expertise provides all services required by US DOT guidelines for hundreds of customers.

SCOPE OF SERVICES

ADDENDUM #1 TO RESPOND TO VENDOR QUESTIONS

Vendor Question #1

We have one quick question we hope you will grant us an answer to as soon as possible, to allow us to properly configure our response to your RFP. We noticed that your RFP requires SAMHSA licensing for responding laboratories and wish to inquire whether you will consider CLIA as an equal, acceptable license.

The biggest difference between the licensures is that SAMHSA licensure is specifically meant to regulate workplace drug testing for only 5 drugs—Amphetamines/Methamphetamines, Cocaine, Opiates, PCP, and Marijuana (THC)—and now Ecstasy (MDMA) (a sub-group under amphetamines) and Heroin (6-MAM) (under the opiates class). As your agency focuses on the family sector as opposed to workplace or employment testing, SAMHSA licensure and practices may not be quite as appropriate or necessary. Moreover, it appears that your agency is interested in testing for additional non-SAMHSA regulated drugs (such as Barbiturates, Benzodiazepines, Methadone, Propoxyphene) which are not regulated under SAMHSA.

As such, we would like your agency to consider laboratories with CLIA licensure to be on equal—or better—footing with SAMHSA laboratories.

Agency Response to Vendor Question #1

Yes, we will accept Clinical Laboratory Improvement Amendments (CLIA) certification as a substitute for Substance Abuse and Mental Health Services Administration (SAMHSA) licensing.

Vendor Question #2

Is this the first time for this bid.

Agency Response to Vendor Question #2

Yes.

Vendor Question #3

Will this be an instant test, if positive ship to lab for confirmation?

Agency Response to Vendor Question #3

All tests will require lab to confirm.

Vendor Question #4

Is the testing done by appointment?

Agency Response to Vendor Question #4

Testing can be by appointment or walk-in.

Vendor Question #5

Can we use the urgent care facilities for the 10 locations throughout the state?

Agency Response to Vendor Question #5

Yes, the successful vendor can use any location.

Vendor Question #6

Regarding Collectors: Is the vendor required to employ train, and pay collectors at each center? Does the collector need to be on site every day or is there a schedule of certain days per week?

Agency Response to Vendor Question #6

Yes, vendors will employ, train, and pay collectors at each center. The site should be open at least Monday thru Friday 7:00am to 5:00pm EST.

Vendor Question #7

How will the reports be delivered? Will you require an electronic report or a hard copy report?

Agency Response to Vendor Question #7

A hard copy of the report is required. Please see section 4.1.17 of the specifications for more details.

Vendor Question #8

Is the standard test requirements for screen and confirmation of both negative and positive test results?

Agency Response to Vendor Question #8

Both negative and positive test results are required. Please see section 4.1.14 for more details.

Vendor Question #9

Will alcohol be standard with each test? Is separate pricing for the alcohol test required?

Agency Response to Vendor Question #9

Alcohol and Drug testing will be two separate tests with separate pricing. A revised Exhibit A – Pricing Page will be included to allow for separate pricing.

Vendor Question #10

What was the pricing on all items from the previous contract?

Agency Response to Vendor Question #10

There is no current or previous contract. This is the first solicitation for these services.

Vendor Question #11

Please provide the current contract and all attachments, modifications, and addendums attached thereto.

Agency Response to Vendor Question #11

There is no current contract. This is the first solicitation for these services.

Vendor Question #12

Vendor Question #16

What are those locations and where are those collections sites?

Agency Response to Vendor Question #16

There is no current or previous contract. This is the first solicitation for these services.

Vendor Question #17

How will the vendor receive knowledge of a client's referral for drug testing and what tests are ordered?

Agency Response to Vendor Question #17

The client's referral will be called into the vendor to process the request.

Vendor Question #18

What documentation of the referral does the vendor need to have to submit for payment for testing upon successful completion of testing and reporting?

Agency Response to Vendor Question #18

Invoice must be submitted monthly and include on a separate page(s) detail referrals by DHHR location.

Vendor Question #19

To whom does the vendor submit request for payment?

Agency Response to Vendor Question #19

Vendor can submit monthly invoices, in arrears, to Bureau for Children and Families, 350 Capitol Street, Room 730, Charleston, WV 25301. Please see section 7. PAYMENT of the specifications.

Vendor Question #20

What is the turnaround time for payment once invoiced?

Agency Response to Vendor Question #20

Average turnaround time is about thirty (30) days.

Vendor Question #21

In reference to section 1 of Specifications, to establish an open-end contract for drug and alcohol testing services for selected Temporary Assistance for Needy Families (TANF) and other clients/applicants as needed and requested, what differentiates these 2 tests? What is the difference between the 40,000 tests and the 6,000 tests?

Agency Response to Vendor Question #21

The tests themselves are the same. The differences is the programs the client applicants fall under.

Vendor Question #22

What is meant by Reasonable Suspicion or other reason for test?

Agency Response to Vendor Question #22

DHHR will make the determination when a test is required.

Vendor Question #23

In reference to 4.1.4, under what circumstances do you see a mobile collection being performed? Also, what is the estimated amount of mobile collections to be performed?

Agency Response to Vendor Question #23

This is at the vendor's discretion as long as they can serve the entire state of West Virginia. The estimated amount of mobile collections is 10%.

Vendor Question #24

In reference to 4.1.4, is DHHR intention to do most of these tests in clinics/Dr. Offices?

Agency Response to Vendor Question #24

This is at the vendor's discretion as long as they can serve the entire state of West Virginia.

Vendor Question #25

In reference to 4.1.5, are you aware that the majority of clinics and doctor's offices that do collections are not open until 8:00 am? Is it possible for the hours of operation to be changed from 7:00 am-5:00 pm to 8:00 am-5:00 pm?

Agency Response to Vendor Question #25

No, the hours must be from 7:00am to 5:00pm EST as listed in section 4.1.5 of the specifications.

Vendor Question #26

In reference to 4.1.11, DOT is changing their requirements at the end of the year regarding Blind Specimens as a mandatory requirement. Will this solicitation follow suit with DOT or still require blind specimens to be submitted?

Agency Response to Vendor Question #26

This solicitation will follow suit with DOT.

Vendor Question #27

In reference to 4.1.12, when is a breath alcohol test required?

Agency Response to Vendor Question #27

DHHR will determine when the breath alcohol test is required.

Vendor Question #28

In reference to 4.1.13, does the MRO need to be a WV domiciled? Does the MRO need to be licensed to practice in the state of WV?

Agency Response to Vendor Question #28

No, the MRO does not need to be WV domiciled. Yes, the MRO needs to be licensed to practice in the state of West Virginia.

Vendor Question #29

In reference to 4.1.14, according to 49 CFR Part 40, the guideline states that the MRO has 10 days for donors to respond before it is ruled no contact positive. How does this affect the 72 hour stipulation in the solicitation?

Agency Response to Vendor Question #29

As section 4.1.14 of the specifications state, if turnaround time exceeds 72 hours the state agency must be contacted.

Vendor Question #30

In reference to 4.1.14, is an MRO confidential result webpage sufficient for results reporting or do the results need to be sent manually?

Agency Response to Vendor Question #30

An MRO confidential result webpage can be provided, however the results must still be sent in writing.

Vendor Question #31

In reference to 4.1.15, why would the vendor be required to keep the laboratory records vs. the MRO results?

Agency Response to Vendor Question #31

All laboratory specimens and records must be maintained for the appropriate period of time to comply with 49 CFR.

Vendor Question #32

How will these tests be invoiced? Will it be by name, social, or a state issued number such as a unique identifying number?

Agency Response to Vendor Question #32

Invoice must be submitted monthly and include on a separate page(s) detail referrals by DHHR location.

Vendor Question #33

How did you arrive at the quantity of tests requested? What is the difference between the 40,000 tests and the 6,000 tests? How will that be determined? Is the 40,000 tests over a period of all 3 years or 1 year?

Agency Response to Vendor Question #33

The tests themselves are the same. The differences is the programs the client applicants fall under. The number of tests listed are for 1 year.

Vendor Question #34

What do you anticipate being the total number of participants subject to testing?

Agency Response to Vendor Question #34

Estimated at 46,000 a year.

Vendor Question #35

Please show a detailed flow chart of how and when a drug test is to be performed. Please see attached example.

Agency Response to Vendor Question #35

The example that was included with Vendor Question #35 is attached as DHHR Workflow Example.xls.

Drug testing should flow as follows: DHHR will make a referral to the vendor > Vendor collects specimen > Specimen is sent to the lab > Lab results are sent to DHHR.

Vendor Question #36

Are all applicants for any cash assistance going to be drug tested?

Agency Response to Vendor Question #36

No, DHHR will determine when a test is required.

Vendor Question #37

In reference to Section 7 Payment, What documentation will need to be submitted with the invoice to determine the dates, type of test, and cost per test? Are you asking for a copy of the Chain of Custody, or a copy of results? Can you be more specific on what proper documentation refers to?

Agency Response to Vendor Question #37

Invoice must be submitted monthly and include on a separate page(s) detail referrals by DHHR location. A copy of the Chain of Custody or results are not required to be sent in with the invoice. Invoice must be submitted monthly and include on a separate page(s) detail referrals by DHHR location, including the date of collection, applicants name, type of test performed, and itemized list of charges.

Vendor Question #38

VENDOR PREFERENCE CERTIFICATE

Certification and application is hereby made for Preference in accordance with *West Virginia Code*, §5A-3-37. (Does not apply to construction contracts). *West Virginia Code*, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the *West Virginia Code*. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Vendor Preference, if applicable.

1. **Application is made for 2.5% vendor preference for the reason checked:**
 Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or,
 Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification;
 Bidder is a resident vendor partnership, association, or corporation with at least eighty percent of ownership interest of bidder held by another entity that meets the applicable four year residency requirement; or,
 Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,

2. **Application is made for 2.5% vendor preference for the reason checked:**
 Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,

3. **Application is made for 2.5% vendor preference for the reason checked:**
 Bidder is a nonresident vendor that employs a minimum of one hundred state residents, or a nonresident vendor which has an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia and employs a minimum of one hundred state residents, and for purposes of producing or distributing the commodities or completing the project which is the subject of the bidder's bid and continuously over the entire term of the project, on average at least seventy-five percent of the bidder's employees or the bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years and the vendor's bid; or,

4. **Application is made for 5% vendor preference for the reason checked:**
 Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,

5. **Application is made for 3.5% vendor preference who is a veteran for the reason checked:**
 Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,

6. **Application is made for 3.5% vendor preference who is a veteran for the reason checked:**
 Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.

7. **Application is made for preference as a non-resident small, women- and minority-owned business, in accordance with *West Virginia Code* §5A-3-59 and *West Virginia Code of State Rules*.**
Bidder has been or expects to be approved prior to contract award by the Purchasing Division as a certified small, women- and minority-owned business.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) rescind the contract or purchase order; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Current List of HHS-Certified Laboratories and Instrumented Initial Testing Facilities Which Meet Minimum Standards To Engage in Urine Drug Testing for Federal Agencies

AGENCY: Substance Abuse and Mental Health Services Administration, HHS.

ACTION: Notice.

SUMMARY: The Department of Health and Human Services (HHS) notifies federal agencies of the laboratories and Instrumented Initial Testing Facilities (IITF) currently certified to meet the standards of the Mandatory Guidelines for Federal Workplace Drug Testing Programs (Mandatory Guidelines).

A notice listing all currently HHS-certified laboratories and IITFs is published in the *Federal Register* during the first week of each month. If any laboratory or IITF certification is suspended or revoked, the laboratory or IITF will be omitted from subsequent lists until such time as it is restored to full certification under the Mandatory Guidelines.

If any laboratory or IITF has withdrawn from the HHS National Laboratory Certification Program (NLCP) during the past month, it will be listed at the end and will be omitted from the monthly listing thereafter.

This notice is also available on the Internet at <http://www.samhsa.gov/workplace>.

FOR FURTHER INFORMATION CONTACT: Giselle Hersh, Division of Workplace Programs, SAMHSA/CSAP, 5600 Fishers Lane, Room 18N03A, Rockville, Maryland 20857; 240-276-2600 (voice).

SUPPLEMENTARY INFORMATION: The Department of Health and Human Services (HHS) notifies federal agencies of the laboratories and Instrumented Initial Testing Facilities (IITF) currently certified to meet the standards of the Mandatory Guidelines for Federal

Workplace Drug Testing Programs (Mandatory Guidelines). The Mandatory Guidelines were first published in the *Federal Register* on April 11, 1988 (53 FR 11970), and subsequently revised in the *Federal Register* on June 9, 1994 (59 FR 29908); September 30, 1997 (62 FR 51118); April 13, 2004 (69 FR 19644); November 25, 2008 (73 FR 71858); December 10, 2008 (73 FR 75122); and on April 30, 2010 (75 FR 22809).

The Mandatory Guidelines were initially developed in accordance with Executive Order 12564 and section 503 of Public Law 100-71. The "Mandatory Guidelines for Federal Workplace Drug Testing Programs," as amended in the revisions listed above, requires strict standards that laboratories and IITFs must meet in order to conduct drug and specimen validity tests on urine specimens for federal agencies.

To become certified, an applicant laboratory or IITF must undergo three rounds of performance testing plus an on-site inspection. To maintain that certification, a laboratory or IITF must participate in a quarterly performance testing program plus undergo periodic, on-site inspections.

Laboratories and IITFs in the applicant stage of certification are not to be considered as meeting the minimum requirements described in the HHS Mandatory Guidelines. A HHS-certified laboratory or IITF must have its letter of certification from HHS/SAMHSA (formerly: HHS/NIDA), which attests that it has met minimum standards.

In accordance with the Mandatory Guidelines dated November 25, 2008 (73 FR 71858), the following HHS-certified laboratories and IITFs meet the minimum standards to conduct drug and specimen validity tests on urine specimens:

* The Standards Council of Canada (SCC) voted to end its Laboratory Accreditation Program for Substance Abuse (LAPSA) effective May 12, 1998. Laboratories certified through that program were accredited to conduct forensic urine drug testing as required by U.S. Department of Transportation (DOT) regulations. As of that date, the certification of those accredited Canadian laboratories will continue under DOT authority. The responsibility for conducting quarterly performance testing plus periodic on-site inspections of those LAPSA-accredited laboratories was transferred to the U.S. HHS, with the HHS' NLCP contractor continuing to have an active role in the performance testing and laboratory inspection processes. Other Canadian laboratories wishing to be considered for the NLCP may apply directly to the NLCP contractor just as U.S. laboratories do.

Upon finding a Canadian laboratory to be qualified, HHS will recommend that DOT certify the laboratory (*Federal Register*, July 16, 1996) as meeting the minimum standards of the Mandatory Guidelines published in the *Federal Register* on November 25, 2008 (73 FR 71858). After receiving DOT certification, the laboratory will be included in the monthly list of HHS-certified laboratories and participate in the NLCP certification maintenance program.
