2. Vendor must be a Certified Public Accountant (CPA) firm and must currently have on staff at least ten (10) accounting professionals with at least five (5) of those holding CPA certification valid in the State of West Virginia.

Our size is important to our clients for two reasons. The firm is small enough so that our partners can maintain an intimate knowledge of our client's businesses and needs; second, the firm is large enough to have specialists available in the various disciplines of the profession.

Included in the attachments to this Quote is a photocopy of our firm permit issued by the West Virginia Board of Accountancy. Our firm employs 13 Certified Public Accountants with certificates valid in West Virginia and is staffed as follows:

Partners	3
Managers	5
Professional staff	10
Para-professional	1
Office support	<u>5</u>
Total	<u><u>24</u></u>

As needs may arise, we also draw on the expertise available from Nexia International and our Alliance members to assist with new or unusual issues. This strategic alliance increases the depth and breadth of services and expertise Hayfllich CPAs offers to our clients.

3. Vendor will provide work history of at least five (5) past engagements that demonstrate experience in providing Medicaid agencies with the audits of cost report data for nursing homes, as well as hospital-based long term care units.

Hayflich CPAs has performed many engagements on behalf of Medicaid agencies and Medicare fiscal intermediaries. Typical of those engagements are the ones outlined below.

West Virginia Department of Health and Human Resources, Charleston, WV

We were the most recent CPA firm engaged by the Department's Office of Accountability and Management Reporting (OAMR) to perform audit services as requested in this CRFQ. In 2015 we successfully concluded our contract with OAMR wherein we performed audits on the Long-Term Care Financial and Statistical Reports of 51 nursing facilities. That three-year contract included auditing 17 nursing facilities each year. Each facility audit covered eight semi-annual reporting periods.

Ohio Department of Human Services, Columbus, OH

We successfully performed 120 agreed-upon procedures engagements on behalf of the Ohio Department of Human Services. These engagements were limited-scope desk audits of Medicaid long-term care provider cost reports. These engagements required in excess of 8,000 hours and were performed in 2000 for cost reports filed for fiscal year 1997. While most of the desk reviews were performed in our Huntington, WV office, 12 were completed on an on-site basis due to difficulties in obtaining sufficient documentation from the providers. We performed analytical reviews of the cost reports and developed audit points for further review. We corresponded with the providers to resolve audit points and prepared all necessary cost report adjustments. All adjustments were discussed with the providers before submission of the completed desk reviews to the Ohio Department of Human Services. All desk reviews, including the Audit Report, Audit Input Document, Proposed Cost Adjustment Sheets, and Equity Memo, were completed and delivered within the specified time period. All were accepted without modification. Several of our senior staff were involved in those audits.

Maryland Medicare Part A Intermediary, Timonium, MD

In 1999 and 2000, we were engaged by the Medicare Fiscal Intermediary for Maryland and the District of Columbia wherein we performed desk audits and field audits of the Medicare cost reports of several end-stage renal disease (ESRD) facilities. We audited the cost reports of 24 free-standing facilities and one-hospital based facility. We performed analytical reviews of the cost reports and developed audit points for further review. We corresponded with the providers (and several different chains' home offices) to resolve the audit points and prepared cost report adjustments where appropriate.

Maryland Medicare Part A Intermediary, Timonium, MD

Subcontract with the Maryland Medicare Fiscal Intermediary to audit selected Medicare cost reports submitted by hospitals located in Maryland.

Maryland Medicare Part A Intermediary, Timonium, MD

Subcontract with the Maryland Medicare Fiscal Intermediary to perform follow-up audits selected Medicare cost reports submitted by hospitals located in Maryland.

West Virginia Medicare Part A Intermediaries, Charleston, WV and Wheeling, WV

We have contracted with various West Virginia Medicare Intermediaries to perform audits and desk reviews on their behalf. Many of our current staff were heavily involved in those subcontracts.

4. Vendor shall provide work history of five (5) prior engagements that demonstrate experience in working with state and/or federal officials or regulators to assist with resolving findings, inquiries, disallowance issues, etc.

The engagements noted in No. 3 above all involved working with state and federal officials to resolve issues and findings between the officials and the providers.

As mentioned in No. 1 above, Hayfllich CPAs has represented healthcare providers since the inception of the Medicare and Medicaid programs. This representation involves preparing cost reports for providers, including long-term care facilities, and resolving issues with the agencies and entities working on behalf of the Medicare and Medicaid programs. In addition to many hospitals and other healthcare providers, we have represented the long-term care facilities affiliated with Princeton Community Hospital and Pleasant Valley Hospital. We currently compile the Medicare and Medicaid cost reports for Braxton County Memorial Hospital, Welch Community Hospital (which has a long-term care facility), Mildred Mitchell-Bateman Hospital, and William R. Sharpe, Jr. Hospital. We also assist these hospitals in resolving inquiries, findings, and other issues with federal and state officials.

5. Vendor shall provide work history of five (5) past client engagements that demonstrate experience in providing state Medicaid agencies with insight relevant to changes in law, rules, and direction associated with the state's ability to effectively and efficiency manage the audit and reimbursement process in a compliant manner.

Our partners and managers monitor changes in laws and regulations with an emphasis on how the changes might affect clients for which they are primarily responsible. In addition, we provide clients with newsletters relevant to their industries. We have ongoing engagements with the following governmental clients wherein we provide such services.

1. Welch Community Hospital (State-owned acute care hospital and long-term care nursing unit)
2. Mildred Mitchell-Bateman Hospital (State-owned mental health hospital)
3. William R. Sharpe, Jr. Hospital (State-owned mental health hospital)
4. Braxton County Memorial Hospital (Non-profit critical access hospital with skilled nursing facility swing beds)
5. Glenville State College (State-owned college)

6. Vendor shall provide a work history, (if any) of past engagements that demonstrate experience representing Medicaid agencies throughout the appeals process including the ability to effectively testify as an expert witness.

The engagements mentioned in No. 3 above involved working on behalf of the Medicaid and Medicare agencies to resolve differences arising from proposed adjustments prior to the final settlement of cost reports. Beyond final settlement of the cost report, our experience in the appeals process has been on the provider side. We have worked for several providers and attorneys in developing position papers, doing research, and providing expert testimony. We have represented providers in West Virginia Medicaid administrative appeals and Medicare appeals to the Provider Reimbursement Review Board. Following are some of the clients we have worked with in the appeal process:

1. Cabell Huntington Hospital, Huntington, WV
2. Washington Hospital Center, Washington, DC
3. St. Mary's Hospital, Huntington, WV
4. Pretera Center for Mental Health Services, Huntington, WV
5. Sistersville General Hospital, Sistersville, WV

Our team of professionals offers the hands-on experience and technical skills required to serve the distinctive needs of our respective clients.

Our Fee Proposal

We understand the nature of your Agency and the importance of trying to control costs. This would include minimizing the fees paid to outside professionals. Fees that appear to be a bargain often are so low that they do not allow for the professional time required to assist you in reaching your goals.

HAYFLICH CPAS' philosophy on professional fees is to provide our clients with quality services that provide value equal to or in excess of the costs incurred. We develop our fees using detailed budgets containing realistic estimates of the time required to complete each area of the engagement. The fees quoted to you are a product of the total budgeted hours and our standard billing rates, less discounts.

Our fees are detailed in Attachments 1 – 4 of Addendum #2. Expenses for travel, meals, lodging, printing and report production are included in the all-inclusive rates shown there. As shown on Attachment 4, the total 4-year fee proposal is \$596,000.

Any change to existing contracts that adds work or changes contract cost, and were not included in the original contract, must be approved by the Purchasing Division and the Attorney General's Office (as to form) prior to the implementation of the change or commencement of work affected by the change.

24. WAIVER: The failure of either party to insist upon a strict performance of any of the terms or provision of this Contract, or to exercise any option, right, or remedy herein contained, shall not be construed as a waiver or a relinquishment for the future of such term, provision, option, right, or remedy, but the same shall continue in full force and effect. Any waiver must be expressly stated in writing and signed by the waiving party.

25. SUBSEQUENT FORMS: The terms and conditions contained in this Contract shall supersede any and all subsequent terms and conditions which may appear on any form documents submitted by Vendor to the Agency or Purchasing Division such as price lists, order forms, invoices, sales agreements, or maintenance agreements, and includes internet websites or other electronic documents. Acceptance or use of Vendor's forms does not constitute acceptance of the terms and conditions contained thereon.

26. ASSIGNMENT: Neither this Contract nor any monies due, or to become due hereunder, may be assigned by the Vendor without the express written consent of the Agency, the Purchasing Division, the Attorney General's office (as to form only), and any other government agency or office that may be required to approve such assignments. Upon request, the Vendor must provide all necessary releases to obtain information to enable the Purchasing Division Director or the Agency to verify that the Vendor is licensed and in good standing with the above entities.

33. ANTITRUST: In submitting a bid to, signing a contract with, or accepting a Award Document from any agency of the State of West Virginia, the Vendor agrees to convey, sell, assign, or transfer to the State of West Virginia all rights, title, and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to Vendor.

34. VENDOR CERTIFICATIONS: By signing its bid or entering into this Contract, Vendor certifies (1) that its bid or offer was made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, person or entity submitting a bid or offer for the same material, supplies, equipment or services; (2) that its bid or offer is in all respects fair and without collusion or fraud; (3) that this Contract is accepted or entered into without any prior understanding, agreement, or connection to any other entity that could be considered a violation of law; and (4) that it has reviewed this Solicitation in its entirety; understands the requirements, terms and conditions, and other information contained herein.

The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents. Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Solicitation and resulting contract. Any extension of this Contract to the aforementioned Other Government Entities must be on the same prices, terms, and conditions as those offered and agreed to in this Contract, provided that such extension is in compliance with the applicable laws, rules, and ordinances of the Other Government Entity. If the Vendor does not wish to extend the prices, terms, and conditions of its bid and subsequent contract to the Other Government Entities, the Vendor must clearly indicate such refusal in its bid. A refusal to extend this Contract to the Other Government Entities shall not impact or influence the award of this Contract in any manner.

39. CONFLICT OF INTEREST: Vendor, its officers or members or employees, shall not presently have or acquire an interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. 40. REPORTS: Vendor shall provide the Agency and/or the Purchasing Division with the following reports identified by a checked box below:

41. BACKGROUND CHECK: In accordance with W. Va. Code § 15-2D-3, the Director of the Division of Protective Services shall require any service provider whose employees are regularly employed on the grounds or in the buildings of the Capitol complex or who have access to sensitive or critical information to submit to a fingerprint-based state and federal background inquiry through the state repository. The service provider is responsible for any costs associated with the fingerprint-based state and federal background inquiry.

After the contract for such services has been approved, but before any such employees are permitted to be on the grounds or in the buildings of the Capitol complex or have access to sensitive or critical information, the service provider shall submit a list of all persons who will be physically present and working at the Capitol complex to the Director of the Division of Protective Services for purposes of verifying compliance with this provision. The State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check.

Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

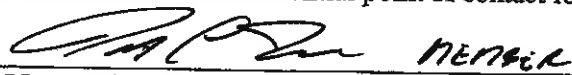

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

REQUEST FOR QUOTATION

CPA Examinations of Long Term Care Financial & Statistical Reports

SPECIFICATIONS

- 1. PURPOSE AND SCOPE:** The West Virginia Purchasing Division is soliciting bids on behalf of WV DHHR Office of Accountability & Management Reporting (OAMR) to establish a contract for a Certified Public Accountant firm to provide examination engagements of Long Term Care Financial and Statistical Reports (LTC-FASRs) received from West Virginia Medicaid providers. Engagements are to ensure that the costs submitted by long term care providers participating in the West Virginia Medicaid Program ("Provider") are accurate, allowable, and in accordance with the West Virginia Medicaid Provider Manuals and all of the applicable laws, rules and regulations. Work is to be performed onsite at Provider offices as well as home office locations (for long term care providers that are part of a chain of facilities) or at the vendor's location. Limited space and resources are available at the Agency offices to accommodate vendor staff.

Background: The WVDHHR Office of Accountability and Management Reporting (OAMR) are responsible for receiving semiannual LTC-FASRs, (cost reports) from all nursing facility providers for whom per diem rates are set on behalf of WV Medicaid.

The costs are submitted to OAMR semi-annually and are used to calculate the per diem rates that participating long term care providers are paid for services rendered to West Virginia Medicaid clients. Examination engagements of the LTC-FASRs are used to determine whether any retroactive rate adjustments are necessary (e.g. based on unallowable or undocumented costs submitted, adjustments in census information, or other matters increasing or decreasing costs as originally reported).

Long term care providers are reimbursed only for allowable costs (as outlined in the rate setting methodology per the West Virginia Medicaid State Plan). Any reimbursement over cost is recovered through recalculation of the rate after the LTC-FASRs have been examined and adjusted for any findings of the examination. The rate is adjusted for any discrepancies noted in the examination; additionally, any other payments received by the provider during the period covered by the LTC-FASR under examination (such as payments for bed reservation days or West Virginia Medicaid credit balances) that are determined to be in error are recovered through this process as well.

Providers have a right to appeal the findings, recoveries and rate adjustments resulting from examinations and auditors are required to appear in evidentiary or other hearings to support the findings and conclusions or the examinations as well as prepare documents necessary for the attorneys or hearings examiner to sufficiently evaluate the findings or conclusions at issue.

These LTC-FASRs are desk reviewed and used to calculate the prospective per diem rates that will be paid to each provider for the next six-month period. OAMR is also responsible for examining LTC-FASRs to determine whether the costs and other data included on the

REQUEST FOR QUOTATION

CPA Examinations of Long Term Care Financial & Statistical Reports

submitted LTC-FASRs are allowable per WV Medicaid rules and regulations, documented, and appropriately classified and accounted for on the LTC-FASR. A typical examination of LTC-FASRs is performed on an individual provider basis (including all facilities or locations owned by the provider, typically incorporating six (6) to ten (10) consecutive semi-annual cost reporting periods per engagement. Any adjustments needed as a result of this process are incorporated into an adjusted rate calculation for each six-month rate period. The adjusted rate is then used to determine whether the provider was appropriately paid resulting in a recovery or additional payment to be processed as needed.

Through the course of the contract the vendor is expected to allow OAMR staff to be present during fieldwork (at the discretion of OAMR). The OAMR Audit and Rate Setting staff will be available as a resource for assistance in interpretation of applicable rules and regulations. Additionally, the adjusted rate calculation will be performed by OAMR's Rate Setting staff. The transmittal of the final report and communication with the provider regarding recovery or additional payment due will be performed by the WV DHHR Bureau for Medical Services, (BMS). Vendor is expected to appear at any and all hearings resulting from provider appeals of findings, and is expected to provide documentation sufficient to support the conclusions and findings included in the report. Appearance at hearings is expected whether or not the timing of the hearing coincides with the term of the contract.

The vendor's principal contact with OAMR will be OAMR Office Director, or a designated representative, who will coordinate the assistance that OAMR will provide for the LTC-FASR engagements.

The contract awarded as a result of this solicitation may be funded in whole or in part with Federal Funds and thus this solicitation and its resulting awarded contract are subject to the requirements of Attachment 1: Provisions Required for Federally Funded Procurements.

2. **DEFINITIONS:** The terms listed below shall have the meanings assigned to them below. Additional definitions can be found in section 2 of the General Terms and Conditions.

SPECIFICATIONS

- 1. PURPOSE AND SCOPE:** The West Virginia Purchasing Division is soliciting bids on behalf of WV DHHR Office of Accountability & Management Reporting (OAMR) to establish a contract for a Certified Public Accountant firm to provide examination engagements of Long Term Care Financial and Statistical Reports (LTC-FASRs) received from West Virginia Medicaid providers. Engagements are to ensure that the costs submitted by long term care providers participating in the West Virginia Medicaid Program ("Provider") are accurate, allowable, and in accordance with the West Virginia Medicaid Provider Manuals and all of the applicable laws, rules and regulations. Work is to be performed onsite at Provider offices as well as home office locations (for long term care providers that are part of a chain of facilities) or at the vendor's location. Limited space and resources are available at the Agency offices to accommodate vendor staff.

Background: The WVDHHR Office of Accountability and Management Reporting (OAMR) are responsible for receiving semiannual LTC-FASRs, (cost reports) from all nursing facility providers for whom per diem rates are set on behalf of WV Medicaid.

The costs are submitted to OAMR semi-annually and are used to calculate the per diem rates that participating long term care providers are paid for services rendered to West Virginia Medicaid clients. Examination engagements of the LTC-FASRs are used to determine whether any retroactive rate adjustments are necessary (e.g. based on unallowable or undocumented costs submitted, adjustments in census information, or other matters increasing or decreasing costs as originally reported).

Long term care providers are reimbursed only for allowable costs (as outlined in the rate setting methodology per the West Virginia Medicaid State Plan). Any reimbursement over cost is recovered through recalculation of the rate after the LTC-FASRs have been examined and adjusted for any findings of the examination. The rate is adjusted for any discrepancies noted in the examination; additionally, any other payments received by the provider during the period covered by the LTC-FASR under examination (such as payments for bed reservation days or West Virginia Medicaid credit balances) that are determined to be in error are recovered through this process as well.

Providers have a right to appeal the findings, recoveries and rate adjustments resulting from examinations and auditors are required to appear in evidentiary or other hearings to support the findings and conclusions or the examinations as well as prepare documents necessary for the attorneys or hearings examiner to sufficiently evaluate the findings or conclusions at issue.

These LTC-FASRs are desk reviewed and used to calculate the prospective per diem rates that will be paid to each provider for the next six-month period. OAMR is also responsible for examining LTC-FASRs to determine whether the costs and other data included on the

I. ENGAGEMENT PLANNING

	Date	Initials	Reference
1. Send provider engagement letter notifying them of examination.	00/00/15	??	C2
2. Perform review of submitted cost report and provider submitted work papers. Note any unusual entries, adjustments, allocations or reclassifications.			C1
3. Perform review of rate calculations. Note any unusual or significant variances in provider's reported allowable costs between periods and compare allowable costs to applicable caps. Also calculate planning material amounts by determining the dollar amount of cost standards compared to allowable costs. For any unusual or significant variances noted, determine whether scope of examination should be modified; consider any such issues noted in testing of general ledger to cost report tie-in and suspect account analysis (Step 15 of this section). Document the conclusions and any effect on the examination scope in a narrative memorandum.			C3a-d
4. For all rate components that have increased from the previous period and exceed to applicable cap, perform additional testing to isolate the account(s) creating the variance and test to ensure the variance is not the result of error.			C3e
5. Perform review of facility appraisal reports and depreciation schedule. Note any additions or renovations occurring during the examination periods.			C1 & C4
6. Perform review of prior year reports and examinations in OAMR files. Note adjustments and appeals.			C1 & C5
7. Discuss with Division of Rate Setting Director their awareness of any provider issues or complaints that would affect the scope of the engagement. Discuss evaluation of materiality and document any effect on engagement scope.			C1
8. Request that Division of Rate Setting staff prepare electronic adjusted rate worksheets for each cost report period audited.			C1
9. Make arrangements with provider to begin field work. This includes sending a confirmation letter regarding the date and time of the entrance conference and sending the provider a list of information required at the entrance conference.			C6
10. Forward a copy of the Internal Control Questionnaire and letter to provider for completion and return to OAMR prior to beginning of field work.			C7 & C8
11. Forward a copy of Resident Trust Fund Questionnaire and letter to provider for completion.			C7 & L2
12. Arrange for a discussion with the appropriate provider personnel to discuss in detail the individual items on the Audit List, the Internal Control Questionnaire and Resident Trust Fund Questionnaire. If feasible, arrange for this discussion to occur on site; if not, via conference call that includes all parties that may be involved in preparing or providing items requested for the audit. Ensure that the items on the audit list are discussed with the provider and that understanding of what is needed is achieved, as well as understanding that the items should be available when the field work begins (if not provided electronically prior to field work). In addition to the items on the Audit List, discuss the following:			C1
a. Adequacy and access to providers records.			
b. Provider's personnel who will be the primary contact person providing necessary documentation (including email, fax number and telephone number).

West Virginia Code of State Rules § 148-1-5 states:

§ 148-1-5. Remedies.

5.2.a.1. The vendor agrees to the cancellation;

5.2.a.2. The vendor has obtained the contract by fraud, collusion, conspiracy, or is in conflict with any statutory or constitutional provision of the State of West Virginia;

5.2.c. Opportunity to Cure. In the event that a vendor fails to honor any contractual term or condition, or violates any provision of federal, state, or local law, regulation, or ordinance, the Director may request that the vendor remedy the contract breach or legal violation within a time frame the Director determines to be appropriate. If the vendor fails to remedy the contract breach or legal violation or the Director determines, at his or her sole discretion, that such a request is unlikely to yield a satisfactory result, then he or she may cancel immediately without providing the vendor an opportunity to perform a remedy.

5.2.d. Re-Award. The Director may award the cancelled contract to the next lowest responsible bidder (or next highest scoring bidder if best value procurement) without a subsequent solicitation if the following conditions are met:

5.2.d.1. The next lowest responsible bidder (or next highest scoring bidder if best value procurement) is able to perform at the price contained in its original bid submission, and

5.2.d.2. The contract is an open-end contract, a one-time purchase contract, or a contract for work which has not yet commenced.

5.4.b. Vendor suspension for the reasons listed in section 5.4 above shall occur as follows:

5.4.b.1. Upon a determination by the Director that a suspension is warranted, the Director will serve a notice of suspension to the vendor.

5.4.b.2. A notice of suspension must inform the vendor:

5.4.b.2.A. Of the grounds for the suspension;

5.4.b.2.B. Of the duration of the suspension;

5.4.b.2.C. Of the right to request a hearing contesting the suspension;

5.4.b.2.D. That a request for a hearing must be served on the Director no later than five (5) working days of the vendor's receipt of the notice of suspension;

5.4.b.2.E. That the vendor's failure to request a hearing no later than five (5) working days of the receipt of the notice of suspension will be deemed a waiver of the right to a hearing and result in the automatic enforcement of the suspension without further notice or an opportunity to respond; and

5.4.b.2.F. That a request for a hearing must include an explanation of why the vendor believes the Director's asserted grounds for suspension do not apply and why the vendor should not be suspended.

5.4.b.3. A vendor's failure to serve a request for hearing on the Director no later than five (5) working days of the vendor's receipt of the notice of suspension will be deemed a waiver of the right to a hearing and may result in the automatic enforcement of the suspension without further notice or an opportunity to respond.
5.4.b.4. A vendor who files a timely request for hearing but nevertheless fails to provide an explanation of why the asserted grounds for suspension are inapplicable or should not result in a suspension, may result in a denial of the vendor's hearing request.

5.4.b.5. Within five (5) working days of receiving the vendor's request for a hearing, the Director will serve on the vendor a notice of hearing that includes the date, time and place of the hearing.

5.4.b.6. The hearing will be recorded and an official record prepared. Within ten (10) working days of the conclusion of the hearing, the Director will issue and serve on the vendor, a written decision either confirming or reversing the suspension.

The appeal hearing will be recorded and an official record prepared. Within ten (10) working days of the conclusion of the appeal hearing, the Secretary will issue and serve on the vendor a written decision either confirming or reversing the suspension.

5.4.e. Any notice or service related to suspension actions or proceedings must be provided by certified mail, return receipt requested.

5.5. Vendor Debarment. The Director may debar a vendor on the basis of one or more of the grounds for debarment contained in West Virginia Code § 5A-3-33d or if the vendor has been declared ineligible to participate in procurement related activities under federal laws and regulation.

5.5.a. Debarment proceedings shall be conducted in accordance with West Virginia Code § 5A-3-33e and these rules. A vendor that has received notice of the proposed debarment by certified mail, return receipt requested, must respond to the proposed debarment within 30 working days after receipt of notice or the debarment will be instituted without further notice. A vendor is deemed to have received notice, notwithstanding the vendor's failure to accept the certified mail, if the letter is addressed to the vendor at its last known address. After considering the matter and reaching a decision, the Director shall notify the vendor of his or her decision by certified mail, return receipt requested.

5.5.b. Any vendor, other than a vendor prohibited from participating in federal procurement, undergoing debarment proceedings is permitted to continue participating in the state's procurement process until a final debarment decision has been reached. Any contract that a debarred vendor obtains prior to a final debarment decision shall remain in effect for the current term, but may not be extended or renewed. Notwithstanding the foregoing, the Director may cancel a contract held by a debarred vendor if the Director determines, in his or her sole discretion, that doing so is in the best interest of the State. A vendor prohibited from participating in federal procurement will not be permitted to participate in the state's procurement process during debarment proceedings.

5.5.c. If the Director's final debarment decision is that debarment is warranted and notice of the final debarment decision is mailed, the Purchasing Division shall reject any bid submitted by the debarred vendor,

including any bid submitted prior to the final debarment decision if that bid has not yet been accepted and a contract consummated. 5.5.d. Pursuant to West Virginia Code section 5A-3-33e(e), the length of the debarment period will be specified in the debarment decision and will be for a period of time that the Director finds necessary and proper to protect the public from an irresponsible vendor.

5.5.e. List of Debarred Vendors. The Director shall maintain and publicly post a list of debarred vendors on the Purchasing Division's website.

5.6. Damages.

5.6.a. A vendor who fails to perform as required under a contract shall be liable for actual damages and costs incurred by the state.

5.6.b. If any commodities delivered under a contract have been used or consumed by a spending unit and on testing the commodities are found not to comply with specifications, no payment may be approved by the Spending Unit for the merchandise until the amount of actual damages incurred has been determined.

5.6.c. The Spending Unit shall seek to collect damages by following the procedures established by the Office of the Attorney General for the collection of delinquent obligations.

(B) At a minimum, the termination for cause and for convenience provisions contained in W. Va. CSR § 148-1-5.2 and the applicable definitions contained in W. Va. CSR § 148-1-2 apply to any contract in excess of \$10,000 resulting from this solicitation.

PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
