Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to Vendor.

34. VENDOR CERTIFICATIONS: By signing its bid or entering into this Contract, Vendor certifies (1) that its bid or offer was made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, person or entity submitting a bid or offer for the same material, supplies, equipment or services; (2) that its bid or offer is in all respects fair and without collusion or fraud; (3) that this Contract is accepted or entered into without any prior understanding, agreement, or connection to any other entity that could be considered a violation of law; and (4) that it has reviewed this Solicitation in its entirety; understands the requirements, terms and conditions, and other information contained herein.

Vendor's signature on its bid or offer also affirms that neither it nor its representatives have any interest, nor shall acquire any interest, direct or indirect, which would compromise the performance of its services hereunder. Any such interests shall be promptly presented in detail to the Agency. The individual signing this bid or offer on behalf of Vendor certifies that he or she is authorized by the Vendor to execute this bid or offer or any documents related thereto on Vendor's behalf; that he or she is authorized to bind the Vendor in a contractual relationship; and that, to the best of his or her knowledge, the Vendor has properly registered with any State agency that may require registration.

35. VENDOR RELATIONSHIP: The relationship of the Vendor to the State shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by this Contract. The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents. Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Solicitation and resulting contract. Neither the Vendor, nor any employees or subcontractors of the Vendor, shall be deemed to be employees of the State for any purpose whatsoever. Vendor shall hold harmless the State, and shall provide the State and Agency with a defense against any and all claims including, but not limited to, the foregoing payments, withholdings, contributions, taxes, Social Security taxes, and employer income tax returns.

36. INDEMNIFICATION: The Vendor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees, or subcontractors to observe State and Federal laws including, but not limited to, labor and wage and hour laws.

37. PURCHASING AFFIDAVIT: In accordance with West Virginia Code § 5A-3-10a, all Vendors are required to sign, notarize, and submit the Purchasing Affidavit stating that neither the Vendor nor a related party owe a debt to the State in excess of \$1,000. The affidavit must be submitted prior to award, but should be submitted with the Vendor's bid. A copy of the Purchasing Affidavit is included herewith.

Any extension of this Contract to the aforementioned Other Government Entities must be on the same prices, terms, and conditions as those offered and agreed to in this Contract, provided that such extension is in compliance with the applicable laws, rules, and ordinances of the Other Government Entity. If the Vendor does not wish to extend the prices, terms, and conditions of its bid and subsequent contract to the Other Government Entities, the Vendor must clearly indicate such refusal in its bid. A refusal to extend this Contract to the Other Government Entities shall not impact or influence the award of this Contract in any manner.

39. CONFLICT OF INTEREST: Vendor, its officers or members or employees, shall not presently have or acquire an interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.

40. REPORTS: Vendor shall provide the Agency and/or the Purchasing Division with the following reports identified by a checked box below:

Such reports as the Agency and/or the Purchasing Division may request. Requested reports may include, but are not limited to, quantities purchased, agencies utilizing the contract, total contract expenditures by agency, etc.

41. BACKGROUND CHECK: In accordance with W. Va. Code § 15-2D-3, the Director of the Division of Protective Services shall require any service provider whose employees are regularly employed on the grounds or in the buildings of the Capitol complex or who have access to sensitive or critical information to submit to a fingerprint-based state and federal background inquiry through the state repository. The service provider is responsible for any costs associated with the fingerprint-based state and federal background inquiry.

After the contract for such services has been approved, but before any such employees are permitted to be on the grounds or in the buildings of the Capitol complex or have access to sensitive or critical information, the service provider shall submit a list of all persons who will be physically present and working at the Capitol complex to the Director of the Division of Protective Services for purposes of verifying compliance with this provision. The State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check.

Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

4 CONTRACT AWARD, PERCENTAGE DISCOUNT, CATALOG:

- 4.1 Contract Award:** The Purchase Order shall be awarded to the Vendor that meets the Solicitation specifications and provides the lowest life cycle cost.
- 4.2 Pricing Pages:** Vendor should complete the Pricing Page by responding to the information requested in the "Vendor Name", "Manufacturer/Brand", "Model & Number, "EPA Highway MPG Rating" "EPA City MPG Rating", and unit price field. Utilizing the provided Excel pricing file will self-tabulate the "Total Life Cycle Cost"

Vendor Bid Response Section: The vendor shall use the EPA mileage ratings from the 2016 Fuel Economy Guide for Highway and City MPG ratings for each vehicle class. If the vehicle is not present in the 2016 Fuel Economy Guide, vendors must utilize the EPA Mileage rating provided by the manufacturer for 2016 model vehicles. Vendors should submit documentation from the manufacturer, with their bid response, for the vehicle EPA mileage ratings not present in the 2016 Fuel Economy Guide.

- 4.2.1 "Unit Price" segment:** The Unit Price is the base vehicle price including standard equipment requirements, vehicle requirements and any additional requirements for the given vehicle class.
- 4.2.2 "Total Life Cycle Cost" segment:** The Total Life Cycle Cost is tabulated using the following formula for all fuel types except diesel:

$$\left(\left[\frac{75,000}{\text{EPA Highway MPG Rating}} + \frac{25,000}{\text{EPA City MPG Rating}} \right] \times 3.75 \right) + \text{Unit Price}$$

The above formula is derived from an estimated vehicle life of 100,000 miles; where an estimated 75,000 miles will be highway use and an estimated 25,000 miles will be city use. The combined averages of the two MPG ratings are then multiplied by an estimated gasoline price of \$3.75 per gallon.

The Total Life Cycle Cost tabulation formula for diesel is as follows:

$$\left(\left[\frac{75,000}{\text{EPA Highway MPG Rating}} + \frac{25,000}{\text{EPA City MPG Rating}} \right] \times 4.05 \right) + \text{Unit Price}$$

The above formula is derived from an estimated vehicle life of 100,000 miles; where an estimated 75,000 miles will be highway use and an estimated 25,000 miles will be city use. The combined average of the two MPG ratings are then multiplied by an estimated diesel price of \$4.05 per gallon.

For example, if a gasoline vehicle were to have an EPA MPG rating of 22 MPG Highway and 18 MPG city with a Unit Price of \$22,000.00 the Total Life Cycle cost would equal \$39, 992.42. (First find the product of 75,000 miles divided by the EPA Highway MPG Rating and then find the product of 25,000 miles and divided by the EPA City MPG Rating. Next, add the two products together and multiply by the fuel type cost of 3.75 per gallon (for gasoline). Lastly add the product of the preceding calculation to the Unit price of the vehicle being bid.

Addendum 2

**Bob Robinson Chevrolet Buick
Pontiac GMC Cadillac
P. O. Box 6420
Wheeling, WV 26003**

Q1. Regarding the bid for the Sport Utility Vehicle. Can this vehicle be ordered or does it have to be on the dealership lot to be purchased right after the bid process is complete? If ordered, it may take 8-12 weeks from the time of order.

A1. Yes, the vehicle may be ordered. Vehicle must be delivered within 120 days of order date.

Q2. Please remove the requirement to pay the vendor with the WV purchasing card. The card will incur fees added to the purchase price thus driving up the cost for the taxpayers.

A2. We plan to pay by receiving an invoice

Q3. You've specified front power seats. Drivers is power standard. Can you accept manual passenger front seat? Power passenger forces an expensive package upgrade.

A3. Yes, Powered driver seat and manual passenger will be acceptable

Q4. You've requested a V8 engine. Ford has a twin turbo V6 Eco boost engine, with more HP and torque than a typical comparable V8. Please accept as equal.

A4. A min V6 gas engine will be acceptable.

Q5. You've requested Heavy Duty Electrical add on. Please make this optional/remove. No such package exists for Ford.

A5. Heavy Duty Electrical has been changed to optional

Q6. You've requested Front stabilizer bar, and later, have requested Heavy Duty suspension. Please remove this specification, as only one suspension is standard for Ford, including a Roll Stability Control system.

A6. Specification has been changed to Vehicle must include front stabilizer bar

Q7. You've requested a limited slip rear end, and also a locking rear axle. These are contradictory. Please remove locking axle, and accept a limited slip axle.

A7. Slip axle is acceptable

Bob Robinson Chevrolet Buick
Pontiac GMC Cadillac
P. O. Box 6420
Wheeling, WV 26003

Q8. Please remove AC Inverter with power outlets. This is an available feature, but does require a significant package upgrade, thus driving up the cost just for the outlets. Please remove "AC Inverter" It can installed by some dealerships.

A8. Standard model is acceptable with the option to add by the dealership. This should be included in the bid as an option.

Q9. Please remove the requirement for lockout feature. PL and PW are standard, but no such package called "Lock Out" exists, or you could provide specifics for the package to see if there is another name. Please remove "Lock Out"

A9. The specification has been revised to read Vehicle must come standard with key fob

Q10. You've requested standard wheel base, but to get a minimum of 7 passengers (Expedition is 8) the longer wheel base Expedition is required. The standard wheel base only seats 5. Please Accept "EL" for wheelbase.

A10. Minimum 119" wheelbase, 7 passenger is acceptable

Q11. You've requested running boards. These are available in the SSV package from Ford, but is an expensive upgrade. It would be cheaper to allow us to install aftermarket running boards, as a dealership installed accessory. Is this acceptable?

A11. Specification has been revised to read Vehicle must include factory or dealer installed running boards

Q12. You've requested Dark Blue as an exterior color. Ford's closest match is "Blue Jean" and has paint code LK. Accept as equal?

A12. Blue Jean is acceptable

Q13. As mentioned above, the SSV package is an expensive upgrade, but if you choose to take those features and upgrade to SSV, please accept the following:

- i. Removal of center console
- ii. Vinyl flooring instead of carpet.

A13. Carpet and center console is required.

Q14. Item 14 of General Terms and Conditions states the requirements for accepting the purchasing card for payment. The box is not indicated with an "X" that it is not required.

Will the payment be made by the purchasing card for this item? OR Can the bid be changed to indicate the "X" that acceptance of the card payment is not required?

A14. We plan to pay by receiving an invoice.

Q15. Please clarify for 3.1.1.1 item U AC INVERTER W/ POWER OUTLETS. Will 110 OEM factory installed outlet plug(s) in dash and/or console suffice? The GM factory installed includes "cigarette lighter type" plug ins and pronged type electrical outlet(s) OR Does the vehicle require a separate aftermarket inverter with plugs?
