**Vendor Questions**

**CRFQ COR1700000007**

**Addendum 1**

**Q1.** I see that you're interested in many machines. I have a question. It says commercial Washer & Dryers. I'm a little unclear as to what machine Sizes. The machines I have been sending to other Detention centers/correctional facilities are Commercial machines however NOT THE LARGE EXTRACTORS. The Extractors are VERY costly compared to these machines.

**A1.** Vendor may bid machines equal to the product referenced in the specification. Please remember to include documentation on the product bid, if bidding an alternate product.

**Q2.** With 4 locations for the equipment in this RFQ, I would like to do site visits, unless there is some information about utilities that is available.

I would like to do site visits this week. Do I need to make appointments?

Can I get contact person, phone numbers, for each location?

A non-mandatory pre-bid meeting is indicated but without location and time. Please advise.

**A2.** There should not have been a pre-bid meeting indicated for this solicitation. The Agency has gathered information concerning floor space and utility availability, and produced the specifications to meet the available space.
