Comments:

Hello, thank you for taking our quote into consideration. I have a few responses that may clarify our bid. in line item 1 for the 5600 toolcat we included Air Conditioning and Heat, as well as a High Flow Hydraulic system which is required for the attachment control system. both of these have added to the total price reflected in line item 1. these items were specified under general requirements 3.1.1.6. the delivery timeline from Bobcat is typically 30-90 days, I have quote 75 days but I am sure we can delivery sooner than that.

thank you for this opportunity,

have a great day,

***** any payment by credit card will increase overall price by 3.5%*****
