PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

MAULDIN's Silver-16 screed is the most dominating screed offered to date in the commercial paving market. Fittingly, the **Silver-16** name is inspired by the captain of the **Silver Seven** hockey club, Harvey Pulford.

Pulford, a physical defenseman earned hockey fame by captaining the Ottawa **Silver Seven** to Stanley Cup championships in 1903, 1904, 1905, 1906. During this run of domination the **Silver Seven** turned back **ten** different challenging squads.

The **Silver Seven's** Pulford earned the reputation as one of hockey's toughest players. Pulford regularly punished the opposition with bruising body-checks, a tactic that was not used much in early hockey. Players that kept their head down and got pummel by a Pulford check, probably needed help getting off of the ice.

Catch your competition with his head down by pummeling him with a *Silver-16*
Make sure *he* is the one that needs help getting off the mat!
