ADDITIONAL TERMS AND CONDITIONS

See attached document(s) for additional Terms and Conditions

CRFQ 0803 DOT1700000079
REQUEST FOR QUOTATION
PAVEPRO or Equal – ASPHALT SOLVENT

- 7.1.3 Failure to comply with any laws, rules, and ordinances applicable to the Contract Services provided under this Contract.
- 7.1.4 Failure to remedy deficient performance upon request.
- 7.2 The following remedies shall be available to Agency upon default.
 - 7.2.1 Immediate cancellation of the Contract.
 - 7.2.2 Immediate cancellation of one or more release orders issued under this Contract.
 - 7.2.3 Any other remedies available in law or equity.

8. MISCELLANEOUS:

- 8.1 No Substitutions:** Vendor shall supply only Contract Items submitted in response to the Solicitation unless a contract modification is approved in accordance with the provisions contained in this Contract.
- 8.2 Vendor Supply:** Vendor must carry sufficient inventory of the Contract Items being offered to fulfill its obligations under this Contract. By signing its bid, Vendor certifies that it can supply the Contract Items contained in its bid response.
- 8.3 Reports:** Vendor shall provide quarterly reports and annual summaries to the Agency showing the Agency's items purchased, quantities or items purchased, and total dollar value of the items purchased. Vendor shall also provide reports, upon request, showing the items purchased during the term of this Contract, the quantity purchased for each of those items, and the total value of purchases for each of those items, and the total value of purchases for each of those items. Failure to supply such reports may be grounds for cancellation of this Contract.
- 8.4 Contract Manager:** During its performance of this Contract, Vendor must designate and maintain a primary contract manager responsible for overseeing Vendor's responsibilities under this Contract. The Contract manager must be available during normal business hours to address any customer service or other issues related to this Contract. Vendor should list its Contract manager and his or her contact information below.

Contract Manager: DOUG WISELY
Telephone Number: 970-680-6595
Fax Number: 970-680-6594
Email Address: dwisely@biosystemsinc.com

DESIGNATED CONTACT: Vendor appoints the individual identified in this Section as the Contract Administrator and the initial point of contact for matters relating to this Contract.

VENDOR PREFERENCE CERTIFICATE

Certification and application is hereby made for Preference in accordance with *West Virginia Code*, §5A-3-37. (Does not apply to construction contracts). *West Virginia Code*, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the *West Virginia Code*. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Vendor Preference, if applicable.

- 1. **Application is made for 2.5% vendor preference for the reason checked:**
 Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; **or,**
 Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification;
 Bidder is a resident vendor partnership, association, or corporation with at least eighty percent of ownership interest of bidder held by another entity that meets the applicable four year residency requirement; **or,**
 Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; **or,**
- 2. **Application is made for 2.5% vendor preference for the reason checked:**
 Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; **or,**
- 3. **Application is made for 2.5% vendor preference for the reason checked:**
 Bidder is a nonresident vendor that employs a minimum of one hundred state residents, or a nonresident vendor which has an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia and employs a minimum of one hundred state residents, and for purposes of producing or distributing the commodities or completing the project which is the subject of the bidder's bid and continuously over the entire term of the project, on average at least seventy-five percent of the bidder's employees or the bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years and the vendor's bid; **or,**
- 4. **Application is made for 5% vendor preference for the reason checked:**
 Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; **or,**
- 5. **Application is made for 3.5% vendor preference who is a veteran for the reason checked:**
 Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; **or,**
- 6. **Application is made for 3.5% vendor preference who is a veteran for the reason checked:**
 Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.
- 7. **Application is made for preference as a non-resident small, women- and minority-owned business, in accordance with *West Virginia Code* §5A-3-59 and *West Virginia Code of State Rules*.**
 Bidder has been or expects to be approved prior to contract award by the Purchasing Division as a certified small, women- and minority-owned business.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) rescind the contract or purchase order; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

Bidder: DOUG WISCH, BioSystems Inc.

Signed: 

Date: 5/12/17

Title: President

*Check any combination of preference consideration(s) indicated above, which you are entitled to receive.

PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

BIO SYSTEMS, Inc. Bio Pro HF Safety Data Sheet

Prepared according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Revision date: 5/01/2017 Supersedes: 01/27/2011 Version: 1.0

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier

Product Name: Bio Pro HF

Product Form: Mixture

1.2 Relevant identified uses of the substance or mixture and uses advised against.

Uses of the substance/mixture: Biodegradable tar and asphalt remover, degreaser.

1.3 Details of the supplier of the safety data sheet

BioSystems, Inc.

667 Technology Circle

Windsor, CO 80550

T (970)686-6595, Toll Free (800)224-4605

F (970)686-6594 www.biosystemsinc.com

Emergency telephone number: PERS: (800)633-8253

SECTION 2: Hazards Identification

2.1 Classification of the substance or mixture

GHS-US Classification

Flam. Liq. 4 H227

Skin Sens. 1 H317

Asp. Tox. 1 H304

Skin Irrit. 2 H315

2.2 Label Elements

GHS-US labelling

Hazard pictograms (GHS-US):

Signal word (GHS-US): Danger

Hazard Statements (GHS-US):

H227 – combustible liquid

H304 – May be fatal if swallowed and enters airways

H315- Causes skin irritation

H317- May cause an allergic skin reaction

Precautionary statements (GHS-US):

P210 – Keep away from heat, open flames, sparks, No smoking

P261 – Avoid breathing vapours

P264 – Wash hands, forearms and face thoroughly after handling

P272 – Contaminated work clothing must not be allowed out of the workplace.

P280 – Wear eye protection, face protection, protective clothing, protective gloves

P301+P310 – IF SWALLOWED: immediately call a doctor, a POISON CENTER

P302+P352 – If on skin: Wash with plenty of soap and water

P303+P361+P353 – IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower

P321 – Specific treatment (see first aid instructions on this label)

P331 – Do NOT induce vomiting

P332+P313 – If skin irritation occurs: Get medical advice/attention

P362 – Take off contaminated clothing and wash before reuse

P333+P313 – If skin irritation or rash occurs: Get medical advice/attention

P362+P364 – Take off contaminated clothing and wash it before reuse

P370+P378 – In case of fire: Use dry sand, foam, sand, dry extinguishing powder to extinguish

P403+P235 – Store in a well-ventilated place. Keep cool

P405 – Store locked up

P501 – Dispose of contents/container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation

2.3 Other Hazards No additional information available

2.4 Unknown acute toxicity (GHS-US) No data available

SECTION 3: Composition/information on ingredients

3.1 Substance: Not applicable

3.2 Mixture:

Name	Product identifier	%
d-Limonene	(CAS No) 5989-27-5	60-100

SECTION 4: First aid measures

4.1 Description of first aid measures

First aid measures general: If exposed or concerned, get medical attention/advice. Show this SDS to the doctor in attendance. Wash contaminated clothing before reuse. Never give anything to an unconscious person.

First-aid measures after inhalation: IF INHALED: remove to fresh air and keep at rest in a position comfortable for breathing. Get medical attention. If breathing is difficult, supply oxygen. If breathing has stopped, give artificial respiration.

First-aid measure after skin contact: IF ON SKIN (or clothing): Remove affected clothing and wash all exposed skin with water for at least 15 minutes. Get medical attention immediately.

First-aid measures after eye contact: IF IN EYES: immediately flush with plenty of water for at least 15 min. remove contact lenses if present and easy to do so. Get medical attention immediately. Continue rinsing.

First-aid measures after ingestion: IF SWALLOWED: rinse mouth thoroughly. Do not induce vomiting without advice from poison control center or medical professional. Get medical attention immediately.

BIO SYSTEMS, Inc. Bio Pro HF Safety Data Sheet

Prepared according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Revision date: 5/01/2017 Supersedes: 01/27/2011 Version: 1.0

4.2 Most important symptoms and effects, acute & delayed

Symptoms/injuries after inhalation: May be fatal if swallowed and enters airways.

Symptoms/injuries after skin contact: Causes skin irritation. May cause an allergic skin reaction

Symptoms/injuries after eye contact: Direct contact with eyes is likely to be irritating.

Symptoms/injuries after ingestion: May cause gastrointestinal irritation.

4.3 Indication of any immediate medical attention and special treatment needed: No additional information.

SECTION 5: Firefighting measures

5.1 Extinguishing media

Suitable extinguishing media: Water spray. Foam. Dry Powder. Sand. Water fog.

5.2 Special hazards arising from the substance mixture

Fire hazard: Combustible liquid.

Explosion hazard: Product is not explosive.

Reactivity: No additional information available.

5.3 Advice for firefighters

Firefighting instructions: Exercise caution when fighting any chemical fire. Do not dispose of fire-fighting water in the environment. Prevent human exposure to fire, fumes, smoke and products of combustion.

Protection during firefighting: Do not enter fire area without proper protective equipment, including respiratory protection.

SECTION 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

General measures: Ventilate area and avoid breathing vapors. Put on personal protective equipment.

6.2 Environmental precautions: Prevent entry to sewers and public waters. Notify authorities if liquid enters sewers or public waters.

Avoid use of any ignition source near spill.

6.3 Methods and material for containment and cleaning up

For containment: Contain any spills with non-combustible materials (e.g. sand, earth and vermiculite) to prevent migration and entry into sewers streams. Place in a suitable container for disposal in accordance with the waste regulations (see section 13).

SECTION 7: Handling and storage

Store in original container in well ventilated areas at temperatures below 140°F. Store in closed containers away from heat or sources of ignition and oxidizing materials. Protect damage to containers.

SECTION 8: Exposure controls/personal protection

8.1 Control Parameters

d-Limonene (5989-27-5)

Remark (ACGIH)	OELs not established
Remark (OSHA)	OELs not established

8.2 Exposure Controls

Appropriate engineering controls: Provide adequate ventilation. This should be achieved by the used of local exhaust ventilation and good general extraction. Ensure eyewash and shower stations are available in workplace.

Personal protective equipment:

Skin and body protection: Oil resistant gloves and apron are recommended. Suggested glove materials are: Neoprene, Nitrate/butadiene rubber, Polyethylene, Ethyl vinyl alcohol laminate, PVC or vinyl. Minimize bodily exposure. Promptly remove soiled clothing and wash before reuse.

Eye protection: Protective safety glasses recommended.

Respiratory protection: Under normal circumstances, when adequate ventilation exists, no protective equipment is necessary. If workers are exposed to concentrations above the exposure limit, use NIOSH approved respirators.

SECTION 9: Physical and chemical properties

9.1 Information on basic physical and chemical properties

Physical state: Liquid

Color: Orange

Odor: Citrus

Odor Threshold: Not measured

pH: Not measured

Relative evaporation (butylacetate=1): <1

Melting point: Not measured

BIO SYSTEMS, Inc. Bio Pro HF Safety Data Sheet

Prepared according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Revision date: 5/01/2017 Supersedes: 01/27/2011 Version: 1.0

Freezing point: Not measured
Boiling point: 171°C
Flash point: >141°F (PMCC)
Auto-ignition temperature: Not measured
Decomposition temperature: Not measured
Flammability (solid, gas): Not measured
Vapour pressure: 2
Relative vapor density (air = 1): 4.7
Solubility: emulsifiable
Log Kow: Not measured
Viscosity, kinematic: Not measured
Viscosity, dynamic: Not measured
Oxidising properties: Not measured
Explosive limits: No data available

SECTION 10: Stability and reactivity

- 10.1 Reactivity:** No additional information available.
10.2 Chemical stability: Stable under recommended handling and storage conditions (See section 7).
10.3 Possibility of hazardous reactions: No additional information available
10.4 Conditions to avoid: No flames, no sparks. Eliminate all sources of ignition. Temperatures over 60° C (140° F).
10.5 Incompatible materials: None known.
10.6 Hazardous decomposition products: None known.

SECTION 11: Toxicological information

- 11.1 Information on toxicological effects**
Acute toxicity: Not classified
Skin corrosion/irritation: Causes skin irritation
Respiratory or skin sensitization: May cause an allergic reaction.
Germ cell mutagenicity: Not classified
Carcinogenicity: Not classified
Reproductive toxicity: Not classified
Specific target organ toxicity (single exposure): Not classified.
Specific target organ toxicity (repeated exposure): Not classified
Aspiration hazard: May be fatal if swallowed and enters airways.
Symptoms/injuries after inhalation: May be fatal if swallowed and enters airways
Symptoms/injuries after skin contact: Causes skin irritation. May cause an allergic reaction.
Symptoms/injuries after ingestion: May cause gastrointestinal irritation.

SECTION 12: Ecological information

- 12.1 Toxicity Ecology – general:** No information available
12.2 Persistence and degradability

Bio Pro HF

Persistence and degradability	Biodegradable
-------------------------------	---------------

12.3 Bioaccumulative potential: No additional information

12.4 Mobility in soil: No additional information available

12.5 Other adverse effects: No additional information

SECTION 13: Disposal Considerations

13.1 Waste treatment methods

Waste treatment methods: Do not discharge wastewater systems without permit of pollution control authorities. No discharge to surface waters is allowed without an NPDES permit.
Waste disposal recommendations: Dispose in a safe manner in accordance with local/national regulations. Do not allow the product to be released into the environment.

SECTION 14: Transport Information

In accordance with DOT

Transport document description: NA 1993 Combustible liquid, N.O.S. (Contanis: Citrus Terpenes), 3, III

DOT NA no.: NA 1993

Proper Shipping Name (DOT): Combustible liquid, n.o.s. (Contanis: Citrus Terpenes)

Department of Transportation (DOT) Hazard Classes: 3 – Class 3

Packing group (DOT): III – Minor Danger

DOT Quantity Limitations Cargo aircraft/rail (49 CFR 175.75): 220L

DOT Vessel Stowage Location: A – The material may be stowed on deck or under deck on cargo/passenger vessels

UN Number

UN-No. (ADR): Not applicable

UN-No. (IMDG): 1993

UN-No. (IATA): Not applicable

UN-No. (AND): Not applicable

UN-No. (RID): Not applicable

UN proper shipping name

Proper Shipping Name (ADR): Not applicable

Proper Shipping Name (IMDG): Flammable liquid, N.O.S.

Proper Shipping Name (IATA): Not applicable

Proper Shipping Name (AND): Not applicable

Proper Shipping Name (RID): Not applicable

Transport Document description (IMDG): NA 1993 Flammable liquid, N.O.S., 3, III,

BIO SYSTEMS, Inc. Bio Pro HF Safety Data Sheet
