1 INTRODUCTION

Integral Consulting Services (Integral) is submitting this price quotation for State of West Virginia's solicitation to upgrade HEAT Classic to HEAT Service Management, or Equal in response to Solicitation number CRFQ-0210-ISC1800000004. Integral understands the State of W. VA's need to upgrade their Service Management solution from HEAT Classic to HEAT Service Management, or an equal solution and Integral stands ready to support.

Integral has over ten years of successful experience in implementing and maintaining Enterprise Service Management solutions using HEAT (Ivanti), BMC and CA suite of products. In addition to our experience implementing Enterprise Service Management solutions, Integral has specific experience upgrading customers from HEAT Classic to Heat Service Management (Ivanti Service Manager) and assisting with the transition to a new Service Management solution.

Integral is a certified economically disadvantaged woman-owned small business (EDWOSB) headquartered in Rockville, MD, with offices in Charlottesville, VA, and Aberdeen, MD, and a Top-Secret facility clearance with proven performance and consistently high customer satisfaction. Our CMMI (Capability Maturity Model Integration) Level 3-appraised processes minimize risk and ensure project success, while our ISO (International Organization for Standardization) 9001:2008 and ISO 20000-certified quality processes provide for the rigor and discipline needed to consistently perform and deliver successfully on the most complex requirements.
