Dear Sir or Madam:

This letter is in regards to the response of Bridgestone Americas Tire Operations, LLC (hereinafter referred to as "BATO") to the RFQ solicitation CRFQ 0212 SWC1800000004 (the "Solicitation") for the State of West Virginia bid.

BATO is offering the listed Firestone and Bridgestone branded items and discounts from our current 2017 Government Price Catalog. I have included a copy of the catalog (discount calculations are included) for your reference. Discounts have also been supplied on the Exhibit A to the Solicitation.

Included in our package is:

- 1) Completed original signed bid package
- 2) 2017 Government Catalog with the State of West Virginia discounted prices
- 3) List of authorized stores and dealers in the State of West Virginia
- 4) Pricing pages for the Solicitation
- 5) Online Procedure
- 6) Warranty Brochures
- 7) Proposed Dealer Agreement
- 8) Sample Ultimate Vendor/Ultimate Purchaser Exemption Certificate form and UVUP Program Information
- 9) Flash Drive with Electronic Bid Information

Bridgestone is verifying FET status for all state agencies by use of our Ultimate Vendor Ultimate Purchaser Exemption Certificate (UVUP) to document FET exemption sales. In the past, Bridgestone has required dealers to obtain a delivery receipt for every FET exempt transaction. The UVUP form is valid for 3 years and satisfies the IRS requirements as documentation for FET exempt purchases.

BATO submits this proposal with the explanation that BATO's network of service providers under this contract consists of both company-owned stores and independent dealers. The independent dealers within BATO's network of service providers are not subcontractors or employees of BATO as those terms are used in the Solicitation, but are rather wholly independent operators. BATO submits this its response of the Solicitation with the qualification that BATO cannot accept liability for the services performed by such independent dealers, without regard to whether the work was performed for the State of West Virginia directly or indirectly under the contract. If the State of West Virginia would like contractual privity to pursue claims directly against such independent dealers or would like such independent dealers to make certain of the representations and warranties made by BATO on behalf of independent dealers under the Solicitation, BATO will facilitate the completion of the Authorized Dealer/Reseller Forms. Certain of the exceptions below relate to the differentiation between company-owned stores and independent dealers.

**The following clarifications and exceptions apply to the BATO tire bid:**

Regarding the State of West Virginia General Terms & Conditions:

Item 14 ("Payment"): All invoices will be submitted to the Agency by BATO's authorized dealers at the time of purchase.

Item 15 ("Purchasing Card Acceptance"): BATO will not be required to accept the State of West Virginia's Purchasing Card as all invoices will be submitted by BATO's authorized dealers.

Item 28 ("Warranty"): As stated in the Specifications, all tires are subject to BATO's standard limited warranties, as in effect at the time of delivery. Copies of the warranties are enclosed. BATO expressly disclaims and makes no other warranties, express or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose.

Item 36 ("Vendor Relationship"): BATO shall not be liable for the actions of independent dealers, only its company-owned stores.

Item 37 ("Indemnification"): BATO's indemnity obligations under this section shall apply to the extent claims or losses are attributable to the listed actions of BATO, its officers or

employees or the actions of its company-owned stores, but not to the actions of any independent dealers.

Item 43 ("Preference for Use of Domestic Steel Products"): BATO's tires may include steel sourced from countries other than the U.S. We are not aware whether the tires will be used for State Contract Projects.

Additional term: The following shall be added to the Addendum as Item 46:

Item 46. Notwithstanding anything in the Request for Quotation or accompanying documentation to the contrary, neither party shall be liable to the other party for indirect, incidental, consequential, special, or punitive damages of any kind, including, without limitation, re-procurement or replacement costs, lost profits, down time, or loss of business. Any portion of the BATO bid response that is inconsistent with this paragraph is inapplicable.

Regarding the Specifications:

Item 7 ("Ordering and Payment"): Orders for tires purchased under the contract and payments for tires purchased under the Contract shall be made to authorized dealers.

Item 8 ("Delivery and Return"): All tires will be delivered by BATO's authorized dealers. BATO authorized dealers will supply tires to West Virginia agencies the same day tires are ordered if the tire is available in their inventory. If the tire is not available in their inventory, they will supply as soon as possible not to exceed 30 days.

In the event of any conflict between the terms of the Request for Quotation and this Letter, the terms of this Letter shall take precedence and any contract award under this Request for Quotation is expressly conditioned on the provisions of this letter.

If you have any question pertaining to the enclosed bid, please feel free to contact me.

Requesting such fees or charges be paid after the contract has been awarded may result in cancellation of the contract.

**18. FUNDING:** This Contract shall continue for the term stated herein, contingent upon funds being appropriated by the Legislature or otherwise being made available. In the event funds are not appropriated or otherwise made available, this Contract becomes void and of no effect beginning on July 1 of the fiscal year for which funding has not been appropriated or otherwise made available.

- 25. WAIVER:** The failure of either party to insist upon a strict performance of any of the terms or provision of this Contract, or to exercise any option, right, or remedy herein contained, shall not be construed as a waiver or a relinquishment for the future of such term, provision, option, right, or remedy, but the same shall continue in full force and effect. Any waiver must be expressly stated in writing and signed by the waiving party.
- 26. SUBSEQUENT FORMS:** The terms and conditions contained in this Contract shall supersede any and all subsequent terms and conditions which may appear on any form documents submitted by Vendor to the Agency or Purchasing Division such as price lists, order forms, invoices, sales agreements, or maintenance agreements, and includes internet websites or other electronic documents. Acceptance or use of Vendor's forms does not constitute acceptance of the terms and conditions contained thereon.
- 27. ASSIGNMENT:** Neither this Contract nor any monies due, or to become due hereunder, may be assigned by the Vendor without the express written consent of the Agency, the Purchasing Division, the Attorney General's office (as to form only), and any other government agency or office that may be required to approve such assignments. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to Vendor.

**35. VENDOR CERTIFICATIONS:** By signing its bid or entering into this Contract, Vendor certifies (1) that its bid or offer was made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, person or entity submitting a bid or offer for the same material, supplies, equipment or services; (2) that its bid or offer is in all respects fair and without collusion or fraud; (3) that this Contract is accepted or entered into without any prior understanding, agreement, or connection to any other entity that could be considered a violation of law; and (4) that it has reviewed this Solicitation in its entirety; understands the requirements, terms and conditions, and other information contained herein.

Vendor's signature on its bid or offer also affirms that neither it nor its representatives have any interest, nor shall acquire any interest, direct or indirect, which would compromise the performance of its services hereunder. Any such interests shall be promptly presented in detail to the Agency. The individual signing this bid or offer on behalf of Vendor certifies that he or she is authorized by the Vendor to execute this bid or offer or any documents related thereto on Vendor's behalf; that he or she is authorized to bind the Vendor in a contractual relationship; and that, to the best of his or her knowledge, the Vendor has properly registered with any State agency that may require registration.

**36. **38. PURCHASING AFFIDAVIT:** In accordance with West Virginia Code § 5-22-1(i), the contracting public entity shall not award a contract for a construction project to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees. Accordingly, prior to contract award, Vendors are required to sign, notarize, and submit the Purchasing Affidavit to the Purchasing Division affirming under oath that it is not in default on any monetary obligation owed to the state or a political subdivision of the state.

**39. ADDITIONAL AGENCY AND LOCAL GOVERNMENT USE:** This Contract may be utilized by other agencies, spending units, and political subdivisions of the State of West Virginia; county, municipal, and other local government bodies; and school districts (“Other Government Entities”). Any extension of this Contract to the aforementioned Other Government Entities must be on the same prices, terms, and conditions as those offered and agreed to in this Contract, provided that such extension is in compliance with the applicable laws, rules, and ordinances of the Other Government Entity. If the Vendor does not wish to extend the prices, terms, and conditions of its bid and subsequent contract to the Other Government Entities, the Vendor must clearly indicate such refusal in its bid. A refusal to extend this Contract to the Other Government Entities shall not impact or influence the award of this Contract in any manner.

**40. CONFLICT OF INTEREST:** Vendor, its officers or members or employees, shall not presently have or acquire an interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. **42. BACKGROUND CHECK:** In accordance with W. Va. Code § 15-2D-3, the Director of the Division of Protective Services shall require any service provider whose employees are regularly employed on the grounds or in the buildings of the Capitol complex or who have access to sensitive or critical information to submit to a fingerprint-based state and federal background inquiry through the state repository. The service provider is responsible for any costs associated with the fingerprint-based state and federal background inquiry.

After the contract for such services has been approved, but before any such employees are permitted to be on the grounds or in the buildings of the Capitol complex or have access to sensitive or critical information, the service provider shall submit a list of all persons who will be physically present and working at the Capitol complex to the Director of the Division of Protective Services for purposes of verifying compliance with this provision. The State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check.

Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

**43. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS:** Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

**44. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL:** In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

**45. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE:** W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$100,000, the vendor must submit to the Agency a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-award interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. "Interested parties" means: (1) A business entity performing work or service pursuant to, or in furtherance of, the applicable contract, including specifically sub-contractors; (2) the person(s) who have an ownership interest equal to or greater than 25% in the business entity performing work or service pursuant to, or in furtherance of, the applicable contract; and (3) the person or business entity, if any, that served as a compensated broker or intermediary to actively facilitate the applicable contract or negotiated the terms of the applicable contract with the state agency: Provided, That subdivision (2) shall be inapplicable if a business entity is a publicly traded company: Provided, however, That subdivision (3) shall not include persons or business entities performing legal services related to the negotiation or drafting of the applicable contract. The Agency shall submit a copy of the disclosure to the Ethics Commission within 15 days after receiving the supplemental disclosure of interested parties.
