COMMERCIAL DRYER

Huebsch® has designed commercial dryers that offer the benefits of heavy-duty commercial quality with the attractive styling of homestyle dryers. With features like extra-large capacity and a no-hassle lint filter, Huebsch commercial laundry dryers allow you to focus on your day-to-day operations instead of your laundry.

FAST DRYING TIMES

Huebsch dryers deliver fast drying results. A 7.0 cu. ft. cylinder with an 18 lb capacity offers ample space for large loads to tumble and produce fast drying times, while lowering utility consumption.

EASY MAINTENANCE

A secured lint filter is located upfront to allow for easy cleaning between cycles.

LARGE, RUGGED DOOR

Our dryer has a rugged door and hinge with the industry's largest door opening, 2.06 sq. ft. The doors are also reversible for installation flexibility.

UNMATCHED DURABILITY

Our commercial dryer is manufactured at our Ripon, WI headquarters. The entire machine receives Huebsch's standard three-year warranty. In addition, Huebsch has more service representatives in the field than most brands have in their whole organization.

*Parts only, labor not included. See Huebsch Warranty Bond for specifics.

ELECTRONIC HOMESTYLE CONTROL

The Electronic Homestyle Control features a time-remaining display, six preset cycle buttons, cycle adjustability, cycle indicator lights and moisture level indicator lights.
