2. If the State places an order and the awarded vendor does not have a unit in stock will the State procure equipment from the next lowest bidder? Or is the 1st call vendor required to supply.

3. What is the State's historical spend on this contract?

On average WV DOH spends between 1.2 and 1.5 Million Dollars a year on equipment rental contracts.

4. Can the State provide historical spend by line item?

No, this information is not readily available.

5. What is the State forecast the annual spend will be on this contract?

The annual spend for the next year is anticipated to remain within the average range provided in question number 3.

6. Is the option years a mutual decision or sole discretion of State?

Per Section 3 of the Instructions to Vendors Submitting Bids; "This Contract may be renewed upon mutual written consent of the Agency, and the Vendor, with approval of the Purchasing Division".

7. Is the State exempt from sales tax?

Per Section 16 of the Instructions to Vendors Submitting Bids; "The State of West Virginia is exempt from federal and state taxes and will not pay or reimburse such taxes."

8. Will the State furnish a COI or letter of self-insurance at the time of rental?

Per Section 8.5 of the Specifications; "The WVDOH is insured by the Board of Risk and Insurance Management. Insurance coverage will be provided by that agency only for long term, over thirty consecutive days of equipment lease/rental."

9. What are State's standard payment terms from the invoice date?

Net 30. Please note Section 15 of the Instructions to Vendors Submitting Bids regarding Purchasing Card Acceptance.

10. Will the State refuel the equipment when its returned to the vendor? Assuming it is delivered with a full tank.

Yes. Per Section 3.2.4.1.1 "At its own expense, the WVDOH shall provide fuel".

- 3.2 Contract Items and Mandatory Requirements:** Vendor shall provide Agency with the Contract Items listed on **Exhibit A** as a lease/rental Contract Item on an open-end and continuing basis. Contract Items must meet or exceed the mandatory requirements as shown below.

- 3.2.1 Equipment Offered, without Operator, for Lease/Rental:** The Vendor shall lease/rent equipment, without Operator, to the WVDOH per the day, week and/or month per Section 3.2.3.

3.2.1.1 Exhibit A, Pricing Page shall provide a description of each piece of requested equipment. Vendor should provide the proposed piece of equipment by listing the Manufacturer's Name, Model Number and Serial Number, where applicable, as instructed in Section 4.2 of these specifications.

- 3.2.2 Mobilization:** To meet the immediate needs of the WVDOH, when a Vendor is required to deliver needed lease/rental equipment, Vendors shall deliver needed lease/rental equipment upon notice by the WVDOH, per Section 6.1 of these specifications, assembled and ready to operate to any location or locations as designated by the WVDOH on a Delivery Order. mile shall be grounds to disqualify the Vendor's bid. Vendor shall bid the cost of delivery of the leased/rented equipment for the first mile. **Delivery/Mobilization fees shall be calculated and paid one-way only by the WVDOH from the Vendor's storage location to the WVDOH project site. When the Vendor has multiple projects or the leased/rented equipment is traveling from one WVDOH location or project to project, additional miles will only be paid from project to project or from the Vendor's storage location to the project, whichever is less mileage.** The WVDOH will provide the location for delivery of the leased/rented equipment to the Vendor on a Delivery Order.

The WVDOH will calculate the in-state delivery route mileage from the equipment owner's location of the leased/rented equipment to the WVDOH job site using the WVDOH Straight Line Diagrams. These Diagrams for WV Primary Routes and WV Secondary Routes are available in each WVDOH's District Office and the Central Office located in Charleston, WV. The WVDOH will determine the route to be taken due to bridge and/or road restrictions.

Out-of-state delivery route mileage will be calculated by the WVDOH using "Google Maps" or a similar source for routing from the equipment owner's location of the leased/rented equipment to the WV State line at which time, the Straight-Line Diagrams will be sourced to the WVDOH job site.

3.2.3 Lease/Rental Period: Quoted rates for leased/rented equipment, without Operator, shall be for lease/rental days, weeks and/or months.

A lease/rental day is a day of agency possession of leased/rented equipment during which it is not down for four hours or more during the normal work period. NOTE: Days on which a piece of leased/rented equipment is down for normal maintenance or repair for four hours or more during the normal work period shall be considered a day of downtime and shall not be considered a day of equipment lease/rental.

- A lease/rental week is seven lease/rented days, including Saturdays, Sundays and Holidays.
- A lease/rental month is thirty lease/rented days, including Saturdays, Sundays and Holidays.
- The date of official receipt of leased/rented equipment by the WVDOH shall be considered the first day of lease/rental. The day

CRFQ 0803 DOT1800000008
REQUEST FOR QUOTATION
Equipment Lease/Rental WITHOUT Operator

immediately preceding the date on which leased/rented equipment is officially returned to the owner shall be considered the last day of lease.

- A day or days used by the Vendor solely for travel to the site, set-up or breakdown of the leased/rented equipment shall not be considered as a lease/rental day.

3.2.4 Maintenance, Down Time and Risk of Loss:

3.2.4.1 Maintenance

3.2.4.1.1 Daily/Weekly Maintenance: At its own expense, the WVDOH shall provide fuel, oil and lubricants, according to the manufacturer and Vendor's requirement, necessary for the operation and use of the leased/rented equipment. For each piece of leased/rented equipment, upon delivery of the leased/rented equipment to the WVDOH or upon pickup by the WVDOH, the Vendor shall provide an operator's daily/weekly maintenance and operational checklist, according to the manufacturer and Vendor's requirement, of easily accessible components, such as, but not limited to, fluid levels and specifications, safety evaluation and visual inspection of equipment components which shall document the daily/weekly operational condition of the leased/rented equipment.

NOTE: The WVDOH does not dictate the requirements of the Vendors' daily/weekly checklist.

Any minor and/or major needed repairs discovered during the operator's daily/weekly inspection shall be noted on the maintenance and operational checklist. The WVDOH shall contact the Vendor before the leased/rented equipment is placed into service by the WVDOH.

3.2.4.1.2 Repair or Replacement Parts: The WVDOH shall reimburse the Vendor for the repair or replacement of any part of the leased/rented equipment which shall be destroyed, damaged or made inoperative because of ordinary negligence, abuse or improper operation by its personnel. The WVDOH shall not be responsible for any such replacement or repair caused by a defect existing in such leased/rented equipment at the time of delivery by

**CRFQ 0803 DOT1800000008
REQUEST FOR QUOTATION
Equipment Lease/Rental WITHOUT Operator**

the Vendor to the WVDOH or if the need for such repair or replacement resulted from normal usage.

3.2.4.2 Down Time: All leased/rented equipment inoperable due to the necessity of replacement of parts or repair of damage for a period greater than four (4) hours shall be considered by the WVDOH as "down" and no payment shall be made by the WVDOH for the use of the leased/rented equipment for such periods unless "down time" is due to the negligence or lack of reasonable care by the WVDOH.

3.2.4.3 Risk of Loss, Damage, Destruction or Theft: While in the possession or under the control of the WVDOH, due to or caused by the ordinary negligence of the WVDOH or its personnel or by the failure of the WVDOH or its personnel to exercise ordinary care for the protection of such leased/rented equipment, the responsibility shall be borne by the WVDOH from and after the delivery of such leased/rented equipment by the Vendor to the location designated by the Delivery Order and its acceptance by the WVDOH according to Section 6.1.1 of these contract specifications and the terms and conditions hereinafter set forth. The WVDOH shall reimburse the Vendor for the repair or replacement of any part of said leased/rented equipment which shall become lost, stolen or damaged due to the failure of the WVDOH and its personnel to use ordinary care for the protection of such leased/rented equipment.

The Vendor shall be responsible for any loss, damage, destruction or theft, partial or complete, caused by a defect in such leased/rented equipment existing at the time of delivery thereof by the Vendor to the WVDOH.

The total or partial loss of use or possession of any leased/rented equipment shall not abate any payments required to be made by the WVDOH to the Vendor if such loss of use or possession is caused by the ordinary negligence or the lack of ordinary care of such leased/rented equipment by the WVDOH or its personnel.

The leased/rented equipment shall be deemed a total loss due to its disappearance or if it has sustained physical damage and the estimated cost of repairs is determined to exceed 75% of the market value of such leased/rented equipment. If a claim is made by the Vendor against the WVDOH for the loss or damage to such

CRFQ 0803 DOT1800000008
REQUEST FOR QUOTATION
Equipment Lease/Rental WITHOUT Operator

leased/rented equipment, the Commissioner of the WVDOH shall review such claim and if after review the Commissioner shall determine that a sum of money is due the Vendor and acceptable to the Vendor, issue a requisition to the Auditor of the State of WV for the payment of such agreed sum to the Vendor. Reference WV Code §17-3-4.

<http://www.legis.state.wv.us/WVCODE/ChapterEntire.cfm?ch-tp=17&art=3§ion=4#03>

If, prior to the payment of any claim to the Vendor by the WVDOH, the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation, any such sum of money shall be deducted by the WVDOH from any claim to be paid by it to the Vendor. The same shall be with the Vendor. If the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation a sum of money after payment from the WVDOH has been received, the Vendor shall reimburse the WVDOH the amount received or such part received that equals the amount WVDOH has paid to the Vendor.

The Vendor may at its choice proceed to the WV Court of Claims as to any claim it may have against the WVDOH for such loss, damage, destruction or theft of said equipment.

3.2.4.4 Accident Inspection: If leased/rented equipment is damaged or requires repair because of a mechanical failure, prior to being placed back into service for use by the WVDOH, a thorough inspection shall be performed by the Vendor to ensure the mechanical function and safety condition of the unit. Damaged leased/rented equipment such as, but not limited to, Aerial Bucket Truck, Aerial Platform Truck, Crane, Manlift and Underbridge Platform Inspection Units shall receive inspections and tests to be in full compliance meeting all manufacturer's, State and Federal rules and regulations before being placed back into service for use by the WVDOH.

4. CONTRACT AWARD:

CRFQ 0803 DOT1800000008
REQUEST FOR QUOTATION
Equipment Lease/Rental WITHOUT Operator

- 4.1 Contract Award:** The Contract is intended to provide Agencies with a lease/rental price on all Contract Items. A Contract shall be awarded to all responsible Vendors that provide the Contract Items for lease/rental which meet all required specifications of this contract.
- 4.2 Pricing Pages and Information Attachment form:** Vendors may bid any or all items on **Exhibit A**, Pricing Pages.

Vendors should submit their proposed pricing for each item bid as daily, weekly and/or monthly pricing along with the delivery fee on the Pricing Pages. Proposed pricing submitted in any other form other than what is requested on the Pricing Pages shall be grounds to disqualify the Vendor's bid for the piece of equipment or the bid in its entirety.

Vendors should submit a description of the proposed equipment for each item bid on the Pricing Page. This information should include the Manufacturer's Name, Model Number and Serial Number, where applicable.

Multiple pieces of equipment can be proposed/identified on one Pricing Page whether pricing is the same or varying prices.

The **Exhibit B** Information Attachment Form shall identify the Vendor's base location and any other potential base locations where the leased/rented equipment may be delivered by the Vendor or picked up by the WVDOT. The Vendor shall provide the 911 address or the most recent physical street address, city and state for the base location. If the Vendor fails to provide the base location(s) on the **Exhibit B** Information Attachment Form, the Vendor's bid may be disqualified.

Also, the Vendor shall identify the counties serviced on the **Exhibit B** Information Attachment Form.

Failure to provide the requested information on **Exhibit A**, Pricing Pages and the **Exhibit B** Information Attachment Form for each item bid may result in disqualification of award to the Vendor for that item or the bid in its entirety.

Exhibit A, Pricing Pages contain a list of Contract Items. There is no estimated lease/rental volume available for any Contract Item. No future use of the Contract or any individual Contract Item is guaranteed or implied.

Vendor should electronically enter the information into the Pricing Pages through wvOASIS, if available, or as an electronic document. In most cases, the Vendor

CRFQ 0803 DOT1800000008
REQUEST FOR QUOTATION
Equipment Lease/Rental WITHOUT Operator

can request an electronic copy of **Exhibit A**, Pricing Pages for bid purposes by sending an email request to the following address: mark.a.atkins@wv.gov.

- 4.3 Contract award transition:** Upon the award of this contract, whether the effective date or the completed and encumbered date or an established date by the WVDOH, the WVDOH Maintenance Division will announce the effective date of use of this contract to the Districts and the Vendors. Upon the announced effective date of use by the WVDOH Maintenance Division to the Districts and Vendors, any Delivery Order issued toward the 2016 Contracts shall remain in effect and should not be cancelled until that Delivery Order is filled; however, after ten (10) working days of the Districts' and Vendors' notice, any Delivery Order that has not been completely filled by the Vendors from the 2016 Contracts shall NOT be completed, but a cancellation notice will be sent to that Vendor from the issuing District for cancellation of the balance of that Delivery Order only. No Delivery Order from the 2016 Contracts should be held open by the District or the Vendor longer than ten (10) working days after the notice to the Districts and the Vendors of the effective date of use of the new contracts.

This directive is issued to assist the Districts and the Vendors when fulfilling open Delivery Orders only. It is NOT issued to cause harm or to take contracts from one Vendor to give to another Vendor, but to establish a transition process from one contract to another contract.

5. ORDERING, INVOICING AND PAYMENT:

- 5.1 Ordering:** Vendor shall accept orders through wvOASIS, regular mail, facsimile, e-mail, or any other written forms of communication. Vendor may, but is not required to, accept on-line orders through a secure internet ordering portal/website. If Vendor can accept on-line orders, it should include in its response a brief description of how Agencies may utilize the on-line ordering system. Vendor shall ensure that its on-line ordering system is properly secured prior to processing Agency orders on-line.

At the time of need, the selection method to determine the low-bid Vendor per project, the WVDOH will calculate the cost of leasing/renting the equipment plus the cost of delivery of the leased/rented equipment from the Vendor's base location to the WVDOH job site and award the Delivery Order to the equipment owner who can furnish the leased/rented equipment at the least overall cost. The WVDOH shall record the Vendor's equipment serial number on the Delivery Order.

An example: Lease/Rental of an Aerial Bucket Truck for three days, at \$100.00/day with a 10-mile delivery at \$1.00/1st mile and \$.50/each additional mile.

**CRFQ 0803 DOT1800000008
REQUEST FOR QUOTATION
Equipment Lease/Rental WITHOUT Operator**

To calculate lease/rental: \$100.00/day x 3 days = \$300.00 for lease/rental of the equipment only. To calculate mobilization: \$1.00/1st mile plus \$.50/each additional mile x 9 miles = \$5.50 for mobilization of equipment only. Add \$300.00 for equipment and \$5.50 for mobilization for a total of \$305.50 lease/rental for three days.

Proximity of the leased/rented equipment to the WVDOH job site shall be a factor in determination of each Delivery Order. As explained in the preceding paragraphs, the Delivery Order will be issued to the lowest bidder; however, it is understood between the WVDOH and all Vendors whose bids are accepted, if the low bidder for any given job is unable to perform, the Delivery Order will be cancelled and given to the next lowest bidder. If no bidder can be found to perform the duties and obligations under this contract, then the Delivery Order may be cancelled and the lease/rental for the needed equipment may be bid on the open market.

NOTE: The WVDOH shall have the option of picking up the leased/rented equipment from a Vendor's base location due to unforeseen circumstances when delivery by the Vendor is not feasible to meet the immediate need. If the WVDOH chooses the pickup option, the Vendor's cost of delivery is not calculated into the cost.

5.2 Invoicing:

- 5.2.1** Invoicing shall be at a minimum of no less than one lease/rental day. Equipment lease/rented for one lease/rental day shall equal four or more hours as described in Section 3.2.3 of this contract.
- 5.2.2** Equipment leased/rented for one lease/rental week shall be invoiced at the weekly lease/rental rate or the number of lease/rental days times the daily lease/rental rate, whichever is less.
- 5.2.3** Equipment leased/rented for more than one lease/rental week, but less than one lease/rental month shall be invoiced at the monthly lease/rental rate or the number of lease/rental weeks times the weekly lease/rental rate including any period less than a multiple of seven days, whichever is less.
- 5.2.4** Equipment leased/rented for one lease/rental month or more shall be invoiced at the monthly rate. If the lease/rental period is not a multiple of thirty lease/rental days, each day more than the multiple shall be evaluated as one-thirtieth of a lease/rental month.
- 5.2.5** An invoice submitted to the WVDOH shall include the following:

CRFQ 0803 DOT1800000008
REQUEST FOR QUOTATION
Equipment Lease/Rental WITHOUT Operator

- a) The beginning date and the date on which invoice period ends.
- b) The number of lease/rental days in the invoicing period.
- c) The number of lease/rental equipment downtime days in the invoicing period.
- d) The make, model and serial number of the leased/rented equipment being invoiced as identified on the Vendor's contract.
- e) The total owed to the Vendor and the method of calculation.

NOTE 1: The WVDOH will supply the equipment owner with the downtime days in any calendar month within ten days following the end of the calendar month or within two days following termination of a lease/rental, whichever is appropriate. The owner may obtain this information sooner by calling the WVDOH District that is leasing/renting the equipment.

NOTE 2: The period of need for leased/rented equipment as specified on the Delivery Order is only an estimate of need and shall not be used for invoicing purposes. Payment shall only be made for actual leased/rented days.

- 5.3 Payment:** Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia. The State of West Virginia currently utilizes a Purchasing Card program, administered under contract by a banking institution, to process payment for goods and services. The Vendor must accept the State of West Virginia's Purchasing Card for payment of all orders under this Contract.

6. DELIVERY AND RETURN:

- 6.1 Delivery Time:** Vendor shall deliver standard orders within 24 hours after orders are received. Vendor shall deliver emergency orders within an agreed upon acceptable timeframe by the Vendor and the WVDOH after orders are received. Vendor shall ship all orders in accordance with the above schedule and shall not hold orders until a minimum delivery quantity is met.

- 6.1.1 Acceptance, Beginning of Lease/Rental Period:** Upon delivery of the leased/rented equipment by the Vendor to the location described in the Delivery Order, the WVDOH shall test and inspect the leased/rented equipment. If such leased/rented equipment is found to be in good order, the WVDOH shall accept the leased/rented equipment and acknowledge the same in whatever form reasonably required by the Vendor. Such leased/rented equipment shall be deemed to have been delivered to and
