Security. It's In The Name

Mr. Roger D. Baker

President

B3 Security Group

PO Box 1507

Lewisburg, WV 24901

(681) 318-3569

Hello,

I hope this finds you doing exceedingly well!

First of all, thank you for taking the time to read the following information.

Now, a little about my company. I founded B3 Security Group in 2015. After two decades in the law enforcement industry, I saw the need for a security company that provided Effective Security Solutions, and not just security guards. One thing we fully understand at B3 is offering clients a "one size fits all" security approach is not only the wrong thing to do, but it could be harmful to the client, staff, employees and the client's brand.

So, I founded this company with one preeminent goal...

Providing The Best Possible Secure Environment

I know that your time is valuable, so I greatly appreciate you taking the time to look over the information provided. I look forward to discussing your security needs in greater detail in the near future.

Respectfully,

Roger Baker
President

Company Information

B3 Security Group, LLC was founded, and licensed in the State of WV in 2015. We understood that being a top security company meant providing responsive and customizable security solutions that:

- Keep the client safe
- Protect the client's brand
- Provide peace of mind to the client, their employees and customers.

It's an unfortunate reality that in today's unpredictable world, companies and their assets may become targets of threats. In these situations, B3 Security Group's Security solutions can effectively provide the protection you need. Our Clients trust us to deliver the highest quality standards every day at every location across all the industries we serve.

We do this through our tailored security solutions, highly trained officers, and integrated security strategies that includes the latest technologies. We consistently provide tailored security solutions to fit your management culture and location needs, down to the smallest detail such as the right uniforms for the private security officers on your site.

It all starts with understanding your specific needs, then building a security solution that not only meets those needs but anticipates issues. Carefully screened, highly trained officers who are sensitive to your unique business environment provide the safety and security you require with the professionalism you desire. The result is a customized, proactive security solution that is implemented at your business.

Our home office is local, allowing the President of the company and top-level managers to be immediately available to answer client concerns and resolve problems as they occur. As you will see as you read this proposal, we are innovative, aggressive in our attempts to obtain the goals we have defined, always seeking further knowledge, and always challenged.

Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (*W. Va. Code §61-5-3*) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
