Submission of any bid, proposal, or other document to the Purchasing Division constitutes your explicit consent to the subsequent public disclosure of the bid, proposal, or document. The Purchasing Division will disclose any document labeled “confidential,” “proprietary,” “trade secret,” “private,” or labeled with any other claim against public disclosure of the documents, to include any “trade secrets” as defined by West Virginia Code § 47-22-1 et seq. All submissions are subject to public disclosure without notice.

22. INTERESTED PARTY DISCLOSURE: West Virginia Code § 6D-1-2 requires that the vendor submit to the Purchasing Division a disclosure of interested parties to the contract for all contracts with an actual or estimated value of at least \$1 Million. That disclosure must occur on the form prescribed and approved by the WV Ethics Commission prior to contract award. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. Notwithstanding the foregoing, Vendor must extend any publicly advertised sale price to the State and invoice at the lower of the contract price or the publicly advertised sale price.

14. PAYMENT IN ARREARS: Payment in advance is prohibited under this Contract. Payment may only be made after the delivery and acceptance of goods or services. The Vendor shall submit invoices, in arrears.

Including such fees or charges as notes to the solicitation may result in rejection of vendor's bid. Requesting such fees or charges be paid after the contract has been awarded may result in cancellation of the contract.

18. FUNDING: This Contract shall continue for the term stated herein, contingent upon funds being appropriated by the Legislature or otherwise being made available. In the event funds are not appropriated or otherwise made available, this Contract becomes void and of no effect beginning on July 1 of the fiscal year for which funding has not been appropriated or otherwise made available.

19. CANCELLATION: The Purchasing Division Director reserves the right to cancel this Contract immediately upon written notice to the vendor if the materials or workmanship supplied do not conform to the specifications contained in the Contract. Notwithstanding anything contained in this Contract to the contrary no modification of this Contract shall be binding without mutual written consent of the Agency, and the Vendor, with approval of the Purchasing Division and the Attorney General's office (Attorney General approval is as to form only). Any change to existing contracts that adds work or changes contract cost, and were not included in the original contract, must be approved by the Purchasing Division and the Attorney General's Office (as to form) prior to the implementation of the change or commencement of work affected by the change.

25. WAIVER: The failure of either party to insist upon a strict performance of any of the terms or provision of this Contract, or to exercise any option, right, or remedy herein contained, shall not be construed as a waiver or a relinquishment for the future of such term, provision, option, right, or remedy, but the same shall continue in full force and effect. Any waiver must be expressly stated in writing and signed by the waiving party.

26. SUBSEQUENT FORMS: The terms and conditions contained in this Contract shall supersede any and all subsequent terms and conditions which may appear on any form documents submitted by Vendor to the Agency or Purchasing Division such as price lists, order forms, invoices, sales agreements, or maintenance agreements, and includes internet websites or other electronic documents. Acceptance or use of Vendor's forms does not constitute acceptance of the terms and conditions contained thereon.

27. ASSIGNMENT: Neither this Contract nor any monies due, or to become due hereunder, may be assigned by the Vendor without the express written consent of the Agency, the Purchasing Division, the Attorney General's office (as to form only), and any other government agency or office that may be required to approve such assignments.

Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Upon request, the Vendor must provide all necessary releases to obtain information to enable the Purchasing Division Director or the Agency to verify that the Vendor is licensed and in good standing with the above entities.

Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Notification under this provision must occur prior to the performance of any work under the contract by the subcontractor.

33. ANTITRUST: In submitting a bid to, signing a contract with, or accepting a Award Document from any agency of the State of West Virginia, the Vendor agrees to convey, sell, assign, or transfer to the State of West Virginia all rights, title, and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to Vendor.

34. VENDOR CERTIFICATIONS: By signing its bid or entering into this Contract, Vendor certifies (1) that its bid or offer was made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, person or entity submitting a bid or offer for the same material, supplies, equipment or services; (2) that its bid or offer is in all respects fair and without collusion or fraud; (3) that this Contract is accepted or entered into without any prior understanding, agreement, or connection to any other entity that could be considered a violation of law; and (4) that it has reviewed this Solicitation in its entirety; understands the requirements, terms and conditions, and other information contained herein.

Any such interests shall be promptly presented in detail to the Agency. The individual signing this bid or offer on behalf of Vendor certifies that he or she is authorized by the Vendor to execute this bid or offer or any documents related thereto on Vendor's behalf; that he or she is authorized to bind the Vendor in a contractual relationship; and that, to the best of his or her knowledge, the Vendor has properly registered with any State agency that may require registration.

42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a

“substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

44. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE: W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$1 million, the vendor must submit to the Agency a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-award interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.

DESIGNATED CONTACT: Vendor appoints the individual identified in this Section as the Contract Administrator and the initial point of contact for matters relating to this Contract.

needed lease/rental equipment upon notice by the WVDOH, per Section 6.1 of these specifications, assembled and ready to operate to any location or locations as designated by the WVDOH on a Delivery Order. The WVDOH will provide the location for delivery of the leased/rented equipment to the Vendor on a Delivery Order.

The WVDOH shall not be responsible for any such replacement or repair caused by a defect existing in such leased/rented equipment at the time of delivery by the Vendor to the WVDOH or if the need for such repair or replacement resulted from normal usage.

3.2.4.2 Down Time: All leased/rented equipment inoperable due to the necessity of replacement of parts or repair of damage for a period greater than four hours shall be considered by the WVDOH as “down” and no payment shall be made by the WVDOH for the use of the leased/rented equipment for such periods unless “down time” is due to the negligence or lack of reasonable care by the WVDOH.

3.2.4.3 Risk of Loss, Damage, Destruction or Theft: While in the possession or under the control of the WVDOH, due to or caused by the ordinary negligence of the WVDOH or its personnel or by the failure of the WVDOH or its personnel to exercise ordinary care for the protection of such leased/rented equipment, the responsibility shall be borne by the WVDOH from and after the delivery of such leased/rented equipment by the Vendor to the location designated by the Delivery Order and its acceptance by the WVDOH according to Section 6.1.1 of these contract specifications and the terms and conditions hereinafter set forth. The WVDOH shall reimburse the Vendor for the repair or replacement of any part of said leased/rented equipment which shall become lost, stolen or damaged due to the failure of the WVDOH and its personnel to use ordinary care for the protection of such leased/rented equipment.

The Vendor shall be responsible for any loss, damage, destruction or theft, partial or complete, caused by a defect in such leased/rented equipment existing at the time of delivery thereof by the Vendor to the WVDOH.

The total or partial loss of use or possession of any leased/rented equipment shall not abate any payments required to be made by the WVDOH to the Vendor if such loss of use or possession is caused

by the ordinary negligence or the lack of ordinary care of such leased/rented equipment by the WVDOH or its personnel.

The leased/rented equipment shall be deemed a total loss due to its disappearance or if it has sustained physical damage and the estimated cost of repairs is determined to exceed 75% of the market value of such leased/rented equipment. If a claim is made by the Vendor against the WVDOH for the loss or damage to such leased/rented equipment, the Commissioner of the WVDOH shall review such claim and if after review the Commissioner shall determine that a sum of money is due the Vendor and acceptable to the Vendor, issue a requisition to the Auditor of the State of WV for the payment of such agreed sum to the Vendor. Reference WV Code §17-3-4.

<http://www.legis.state.wv.us/WVCODE/ChapterEntire.cfm?chap=17&art=3§ion=4#03>

If, prior to the payment of any claim to the Vendor by the WVDOH, the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation, any such sum of money shall be deducted by the WVDOH from any claim to be paid by it to the Vendor. The same shall be with the Vendor. If the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation a sum of money after payment from the WVDOH has been received, the Vendor shall reimburse the WVDOH the amount received or such part received that equals the amount WVDOH has paid to the Vendor.

The Vendor may at its choice proceed to the WV Court of Claims as to any claim it may have against the WVDOH for such loss, damage, destruction or theft of said equipment.

3.2.4.4 Accident Inspection: If leased/rented equipment is damaged or requires repair because of a mechanical failure, prior to being placed back into service for use by the WVDOH, a thorough inspection shall be performed by the Vendor to ensure the mechanical function and safety condition of the unit. Damaged leased/rented equipment such as, but not limited to, Aerial Bucket Truck, Aerial Platform Truck, Crane, Manlift and Underbridge Platform Inspection Units shall receive inspections and tests to be in full compliance meeting all manufacturer's, State and Federal rules and regulations before being placed back into service for use by the WVDOH.

4. CONTRACT AWARD:

4.1 Contract Award: The Contract is intended to provide Agencies with a lease/rental price on all Contract Items. A Contract shall be awarded to all responsible Vendors that provide the Contract Items for lease/rental which meet all required specifications of this contract.

4.2 Pricing Pages and Information Attachment form:

4.2.1 Exhibit A, Pricing Pages: Vendors may bid any or all items on Exhibit A, Pricing Pages.

Vendors should submit their proposed pricing for each item bid as daily, weekly and/or monthly on the Pricing Pages. Proposed pricing submitted in any other format other than what is requested on the Pricing Pages shall be grounds to disqualify the Vendor's bid for the piece of equipment or the bid in its entirety. Proposed pricing for delivery fee rates are only acceptable per Section 3.2.2 of the contract specifications.

Vendors should submit a description of the proposed equipment for each item bid on the Pricing Page. This information should include the Manufacturer's Name, Model Number and Serial Number, where applicable.

Multiple pieces of equipment can be proposed/identified on one Pricing Page whether pricing is the same or varying prices.

The Pricing Pages contain a list of Contract Items. There is no estimated lease/rental volume available for any Contract Item. No future use of the Contract or any individual Contract Item is guaranteed or implied.

4.2.2 Information Attachment Form: The Information Attachment Form should identify the Vendor's Base Location and any other potential Base Locations where the leased/rented equipment may be delivered from, by the Vendor or picked up by the WVDOH. The Vendor should provide the 911 address or the most recent physical street address, city and state for each Base Location. If the Vendor fails to provide the Base Location(s) on the Information Attachment Form, the Vendor's bid may be disqualified.

The Vendor should complete the "Counties Bid" section on the Information Attachment Form by identifying the counties serviced. If the

Equipment Lease/Rental Without Operator (8519C2025)**

Vendor fails to indicate which County or Counties serviced, it will be assumed that the Vendor's bid is Statewide.

Failure to provide the requested information on the Information Attachment Form and the requested information on Exhibit A, Pricing Pages, for each item bid, may result in disqualification of award to the Vendor for an item or disqualification of the bid in its entirety.

Vendor should electronically enter the information into the Pricing Pages through wvOASIS, if available, or as an Excel electronic document. In most cases, the Vendor can request an electronic copy of Exhibit A, Pricing Pages for bid purposes by sending an email request to the following address: Crystal.G.Rink@wv.gov

5. ORDERING, INVOICING AND PAYMENT:

- 5.1 Ordering:** Vendor shall accept orders through wvOASIS, regular mail, facsimile, e-mail, or any other written forms of communication. Vendor may, but is not required to, accept on-line orders through a secure internet ordering portal/website. If Vendor can accept on-line orders, it should include in its response a brief description of how Agencies may utilize the on-line ordering system. Vendor shall ensure that its on-line ordering system is properly secured prior to processing Agency orders on-line.

At the time of need, the selection method to determine the low-bid Vendor per project, the WVDOH will calculate the cost of leasing/renting the equipment plus the cost of delivery of the leased/rented equipment from the Vendor's base location to the WVDOH job site and award the Delivery Order to the Vendor who can furnish the leased/rented equipment at the least overall cost. The WVDOH shall record the Vendor's equipment serial number on the Delivery Order.

An example: Lease/Rental of an Aerial Bucket Truck for three days, at \$100.00/day with a 10-mile delivery at \$1.00/1st mile and \$.50/each additional mile. To calculate lease/rental: \$100.00/day x 3 days = \$300.00 for lease/rental of the equipment only. To calculate mobilization: \$1.00/1st mile plus \$.50/each additional mile x 9 miles = \$5.50 for mobilization of equipment only. Add \$300.00 for equipment and \$5.50 for mobilization for a total of \$305.50 lease/rental for three days.

Proximity of the leased/rented equipment to the WVDOH job site shall be a factor in determination of each Delivery Order. As explained in the preceding paragraphs, the Delivery Order will be issued to the lowest awarded Vendor; however, it is understood between the WVDOH and all awarded Vendors, if the low awarded Vendor for any given job is unable to perform, the Delivery Order will be cancelled and given to the next lowest awarded Vendor. If a Vendor cannot be found to

CRFQ DOT1900000114
Equipment Lease/Rental Without Operator (8519C2025)

perform the duties and obligations under this contract, the Delivery Order may be cancelled and the lease/rental for the needed equipment may be bid on the open market.

NOTE: Due to unforeseen circumstances when delivery by the Vendor is not feasible to meet the immediate need, the WVDOH shall have the option of picking up the leased/rented equipment from a Vendor's base location. If the WVDOH chooses the pickup option, the Vendor's cost of delivery is not calculated into the cost.

5.2 Invoicing:

- 5.2.1** Invoicing shall be at a minimum of no less than one lease/rental day. Equipment lease/rented for one lease/rental day shall equal four or more hours as described in Section 3.2.3 of this contract.
- 5.2.2** Equipment leased/rented for one lease/rental week shall be invoiced at the weekly lease/rental rate or the number of lease/rental days times the daily lease/rental rate, whichever is less.
- 5.2.3** Equipment leased/rented for more than one lease/rental week, but less than one lease/rental month shall be invoiced at the monthly lease/rental rate or the number of lease/rental weeks times the weekly lease/rental rate including any period less than a multiple of seven days, whichever is less.
- 5.2.4** Equipment leased/rented for one lease/rental month or more shall be invoiced at the monthly rate. If the lease/rental period is not a multiple of thirty lease/rental days, each day more than the multiple shall be evaluated as one-thirtieth of a lease/rental month.
- 5.2.5** An invoice submitted to the WVDOH shall include the following:
 - a)** The beginning date and the date on which invoice period ends.
 - b)** The number of lease/rental days in the invoicing period.
 - c)** The number of lease/rental equipment downtime days in the invoicing period.
 - d)** The make, model and serial number of the leased/rented equipment being invoiced as identified on the Vendor's contract.
 - e)** The total owed to the Vendor and the method of calculation.

NOTE 1: The WVDOH will supply the equipment owner with the downtime days in any calendar month within ten days following the end of the calendar month or within two days following termination of a lease/rental, whichever is appropriate. The owner

Equipment Lease/Rental Without Operator (8519C2025)**

may obtain this information sooner by calling the WVDOH District that is leasing/renting the equipment.

NOTE 2: The period of need for leased/rented equipment as specified on the Delivery Order is only an estimate of need and shall not be used for invoicing purposes. Payment shall only be made for actual leased/rented days.

- 5.3 Payment:** Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia. The State of West Virginia currently utilizes a Purchasing Card program, administered under contract by a banking institution, to process payment for goods and services. **The Vendor must accept the State of West Virginia's Purchasing Card for payment of all orders under this Contract.**

6. DELIVERY AND RETURN:

- 6.1 Delivery Time:** Vendor shall deliver standard orders within 24 hours after orders are received. Vendor shall deliver emergency orders within an agreed upon acceptable timeframe by the Vendor and the WVDOH after orders are received.

- 6.1.1 Acceptance, Beginning of Lease/Rental Period:** Upon delivery of the leased/rented equipment by the Vendor to the location described in the Delivery Order, the WVDOH shall test and inspect the leased/rented equipment. If such leased/rented equipment is found to be in good order, the WVDOH shall accept the leased/rented equipment and acknowledge the same in whatever form reasonably required by the Vendor. Such leased/rented equipment shall be deemed to have been delivered to and accepted by the WVDOH on the date specified in such acknowledgement and the term of the Delivery Order and this contract shall be deemed to begin on that date.

- 6.2 Late Delivery:** The Agency placing the order under this Contract must be notified in writing if orders will be delayed for any reason. Any delay in delivery that could cause harm to an Agency will be grounds for cancellation of the delayed order, and/or obtaining the items ordered from a third party.

Any Agency seeking to obtain items from a third party under this provision must first obtain approval of the Purchasing Division.

- 6.3 Delivery Payment/Risk of Loss:** Standard order delivery or emergency delivery shall be as per Section 3.2.2 of the contract specifications. Vendor shall include the cost of standard order delivery charges as directed in Section 3.2.2 of the contract

- 6.4 Return of Equipment:** Upon the completion of the project, the WVDOH will return the leased/rented equipment, at its expense to the Vendor at the original location at which such equipment was delivered to the WVDOH. The equipment must be washed and clean upon return to the vendor.
- 6.5 Return of Unacceptable Items:** If the Agency deems the Contract Items to be unacceptable, such as the Vendor delivering a piece of leased/rented equipment that was not awarded on this contract, the Contract Items shall be returned to Vendor at Vendor's expense and with no restocking charge. Vendor shall either plan for the return within five (5) days of being notified that items are unacceptable or permit the Agency to arrange for the return and reimburse Agency for delivery expenses. All returns of unacceptable items shall be F.O.B. the Agency's location. The returned product shall either be replaced, or the Agency shall receive a full credit or refund for the lease/rental price, at the Agency's discretion.
- 6.6 Return Due to Agency Error:** Items ordered in error by the Agency will be returned for credit within 30 days of receipt, F.O.B. Vendor's location. Vendor shall not charge a restocking fee if returned products are in a lease/rental condition.

8. MISCELLANEOUS:

- 8.1 No Substitutions:** Vendor shall supply only Contract Items submitted in response to the Solicitation unless a Contract modification is approved in accordance with the provisions contained in this Contract.
- 8.2 Vendor Supply:** Vendor must carry sufficient inventory of the Contract Items being offered to fulfill its obligations under this Contract. By signing its bid, Vendor certifies that it can supply the Contract Items contained in its bid response.
- 8.3 Inspection of Equipment:** The Vendor shall have the right, during normal working hours, to the extent of the WVDOH's authority, to enter upon the premises where the said equipment is located for inspecting the lease/rented equipment.

- 8.5 Insurance:** The WVDOH is insured by the Board of Risk and Insurance Management. CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

ALL CONTRACTS: Under W. Va. EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va.
