Comments: We have been in business for thirty years. We are an independent WV state owned agency which

will work to place WV staff.

We are woman owned, WBENC, DBE certified.

We have offices in Charleston, Beckley, and Bluefield, WV as well as Blacksburg, VA...

Our website is www.saunderstaffing.net

We have placed accounting and financial staff for many years.

We have served our state on contracts since 2006.

We would recommend that the hiring staff be those who determine the salary of the staff we present and we bill that with a markup of 29.5%. This way you can get the best staff for the need. If I bid a

flat rate, it may not get you the very best candidate for your needs.

Thank you for the opportunity to be of service to my state.
