Q. This is in regard to solicitation LOT1900000008. Per our Cisco team, they noticed that you are requesting qty 2 for certain lines. Those lines can only be qty 4 since the top switch is qty 4. The accessories with these switches must be 1 to 1 with the switch.

Would you be able to update the excel sheet to qty 4 for those line items that are showing qty 2? It is password protected so I am not able to make changes to it myself.

A. Revised attached Exhibit A Pricing Page attached and distributed (07/02/2019).

Q. If possible, could you also extend the close time?

A. See response No.01 above

3. Delete item 3.1.9 Switches shall include a minimum of sixteen (16) U.S. Power cords, standard 5-15 (110v) power cords per Agency.

No other Changes.
