# PURCHASING AFFIDAVIT

**CONSTRUCTION CONTRACTS:** Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

**ALL CONTRACTS:** Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

**EXCEPTION:** The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

**DEFINITIONS:**

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

**AFFIRMATION:** By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

## Quoted Model: H50XT Available Features

Hyster® H50XT pneumatic tire lift truck. Nominal 5,000 lb capacity at a 24" load center. The XT series truck represents the Hyster commitment to quality and dependability by incorporating proven designs and systems to ensure productive, efficient operation to satisfy the demands in nearly any application for many years. Stay ahead of your competition with customization that costs you less. With the economical Hyster® XT truck, you'll get access to the same Hyster® Variable Power Technology™ that's in our premium Fortis® series. With this capability, you can customize your performance and fuel efficiency based on your needs. You will be able to invest in durable products that reduce downtime. Hyster has engineered a patented stability system that every operator can appreciate. You'll find the Hyster Stability System (HSS®) easier to maintain due to fewer grease points and longer service intervals than the competition. The VISTA™ PLUS mast was designed to maximize visibility for the operator and built strong to have better capacity at higher levels. Leak-free O-ring face seal (ORFS) fittings are used throughout the XT truck series to provide long term reliability and resistance to leaks. Fewer complicated parts means less risk of failure, enhancing uptime for your operation. Everything about the Hyster® XT is tough. Except servicing it. You won't realize the full benefits of the Hyster® XT lift truck until after your first service event experience. That's when its "cowl-to-counterweight" access and one-piece floorplate reveal other engineering advantages designed to keep your truck, and your operation, running smoothly. Configured so you don't have to remove the LP tank to open the hood, the Hyster® XT series is clearly easier for you to service.

## Terms and Conditions

### Delivery and Price:

We will use all reasonable means to make shipment within the time specified, but assume no liability for loss or damage arising from late delivery nor nonfulfillment of contract by reason of fires, strikes, delays in transportation, regulations of the United States Government, or any cause unavoidable or beyond our control.

- The prices quoted and the shipment specified herein are for prompt acceptance and are subject to change without notice.
- The prices quoted are exclusive of any tax in force or which may be enacted by Federal, State or Local Governments.
- Prices quoted are the prices prevailing at this time.
- This proposal is subject to subsequent credit approval by HYG Materials Handling Corporation.
- Financing and leasing arrangements are available.

The equipment covered by this Proposal may be shipped either by the Dealer named on the face hereof or by Hyster Materials Handling Corporation as agent for the Dealer. In the latter case the invoice may be issued by Hyster Materials Handling Corporation as agent for the Dealer and payment should be made to that Company for the account of the Dealer.

### Standard Warranty:

See attached Hyster Material Handling Corporation form.

### Disclaimer:

Except when specifically approved by Hyster, warranty work must be performed by authorized Hyster dealers. Hyster accepts no liability hereunder for consequential damages or for the negligence of others. The foregoing warranties are exclusive and there are no warranties which extend beyond the description on the face hereof. These express warranties are in lieu of all other warranties whether written, oral or implied and Yale hereby expressly excludes any implied warranties of merchantability and fitness.

### Safety Devices:

The proposed vehicle(s) will be equipped with certain safety devices as standard equipment unless your purchase order specifically instructs us to delete such equipment. These devices, which may be removed without rendering the vehicle(s) inoperative, include: driver's overhead guard, load backrest and, when remote elevating control is specified, operator's safety platform. HYG Materials Handling Corporation shall not assume any liability for injuries or damage arising from or caused by the deletion, omission or removal of any safety devices from the vehicle(s).

### Cancellation:

Cancellation of this proposal, after it has been accepted, can be made only by mutual consent in writing. Reasonable cancellation charges will be assessed by HYG Materials Handling Corporation at its discretion.

Your signature on this Proposal constitutes an order subject to the approval of our General Sales Office in Greenville, NC. This Proposal expressly limits acceptance to the terms and conditions stated hereon, and any additional or different terms and conditions proposed by you are not accepted and are hereby excluded, unless expressly assented to in writing by HYG Materials Handling Corporation. No contract shall exist except as hereinabove provided.
