Re: RFP Rollover 2020/2021 School Year

Dear Customer:

Thank you for renewing your RFP with Gordon Food Service. We greatly appreciate your business and look forward to servicing you for the 2020/2021 school year. We are diligently working on your pricing for the 2020/2021 school year. However, as you are well aware, the COVID-19 pandemic and global health crisis presents unique challenges that are rapidly evolving.

We want to take this opportunity to set expectations as we consider what could happen in the near future. It is possible that our vendors and suppliers will not honor the pricing and deals previously arranged in connection with your RFP. The pricing we submit for the 2020/2021 school year in response to the renewal of your RFP is expressly conditioned on vendors and suppliers keeping their commitments and providing products at the expected cost. If there is an increase to our cost from the vendor or supplier, we will notify you and the pricing we submitted will be increased commensurate with such cost increase. These changes to pricing resulting from cost increases from vendors or suppliers will not result in any change or increase to the mark-up that we apply.

We are making preparations to meet all of the service level and performance requirements in your RFP, but unprecedented events stemming from the COVID-19 pandemic may restrict or limit our ability to meet such requirements. We are committed to servicing you to the best of our ability through this crisis. However, as of today's date, the parties acknowledge they are aware and have knowledge of the pandemic and global health crisis commonly known as COVID-19. Despite their awareness or knowledge, the parties agree COVID-19 and its effects could constitute events that could potentially excuse delay or non-performance. The parties waive any argument that COVID-19 and its effects cannot constitute such events due to the parties' awareness or knowledge of COVID-19 and its effects or that COVID-19 and its effects were allegedly foreseeable.

We greatly value our business partnership and your understanding and support. To that end, we would ask that you please sign, date and return this letter at your earliest opportunity.

Sincerely,

Gordon Food Service, Inc.

All submissions are subject to public disclosure without notice.

22. INTERESTED PARTY DISCLOSURE: West Virginia Code § 6D-1-2 requires that the vendor submit to the Purchasing Division a disclosure of interested parties to the contract for all contracts with an actual or estimated value of at least \$1 Million. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

PURCHASING AFFIDAVIT

CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

ALL CONTRACTS: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

INTRODUCING OUR

Clear Choice™ Program

*Transparency to cleaner labels, responsibly sourced
and sustainable products*

Gordon[®]
FOOD SERVICE

Let's Talk Transparency

Consumers want to know what is and is not in the food they purchase, where it comes from and how it was grown, processed or made. They are also looking to avoid additives, promote animal welfare and lessen their environmental impact by making better food choices and by using recycled, recyclable or biodegradable and compostable products.

Essentially, they want to feel good about their entire eating experience—from the food to the place settings and everything in between.

Our Online Ordering system allows you to find and select from thousands of products across six categories of claims and third-party certifications, to help you meet your customers' needs for cleaner ingredients, responsibly sourced, and environmentally friendly products.

- No Artificial Thickeners or Emulsifiers
- No Color From Artificial Sources
