The following shows a short listing of included documents:

2. Price Sheet
3. Hach Contract Addendum

The most integral part, of course, are the completed bid documents as well as the requested price sheet. Hach cannot offer free shipping on emergency orders. Charges apply on these orders. Please note, Hach's standard lead time is 30 days ARO. Payment Terms are NET30.

Any request for reciprocal preference must include with the bid any information necessary to evaluate and confirm the applicability of the preference. A request form to help facilitate the request can be found at: <http://www.state.wv.us/admin/purchase/vrc/Venpref.pdf>.

**18. ELECTRONIC FILE ACCESS RESTRICTIONS:** Vendor must ensure that its submission in wvOASIS can be accessed and viewed by the Purchasing Division staff immediately upon bid opening. The Purchasing Division will consider any file that cannot be immediately accessed and viewed at the time of the bid opening (such as, encrypted files, password protected files, or incompatible files) to be blank or incomplete as context requires, and are therefore unacceptable. A vendor will not be permitted to unencrypt files, remove password protections, or resubmit documents after bid opening to make a file viewable if those documents are required with the bid. **DO NOT SUBMIT MATERIAL YOU CONSIDER TO BE CONFIDENTIAL, A TRADE SECRET, OR OTHERWISE NOT SUBJECT TO PUBLIC DISCLOSURE.**

Submission of any bid, proposal, or other document to the Purchasing Division constitutes your explicit consent to the subsequent public disclosure of the bid, proposal, or document. The Purchasing Division will disclose any document labeled “confidential,” “proprietary,” “trade secret,” “private,” or labeled with any other claim against public disclosure of the documents, to include any “trade secrets” as defined by West Virginia Code § 47-22-1 et seq. All submissions are subject to public disclosure without notice.

**22. INTERESTED PARTY DISCLOSURE:** West Virginia Code § 6D-1-2 requires that the vendor submit to the Purchasing Division a disclosure of interested parties to the contract for all contracts with an actual or estimated value of at least \$1 Million. That disclosure must occur on the form prescribed and approved by the WV Ethics Commission prior to contract award. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.

**23. WITH THE BID REQUIREMENTS:** In instances where these specifications require documentation or other information with the bid, and a vendor fails to provide it with the bid, the Director of the Purchasing Division reserves the right to request those items after bid opening and prior to contract award pursuant to the authority to waive minor irregularities in bids or specifications under W. **42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS:** Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

**43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL:** In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a

“substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.

**7.4 Return of Unacceptable Items:** Items that Agency deems unacceptable shall be returned to Vendor at Vendor's expense and with no restocking charge. Vendor shall either make arrangements for the return within five (5) days of being notified that items are unacceptable; or permit the Agency to arrange for the return and reimburse Agency for delivery expenses. If the original packaging cannot be utilized for the return, Vendor will supply the Agency with appropriate return packaging upon request. All returns of unacceptable items shall be F.O.B. the Agency's location. The returned product shall either be replaced, or the Agency shall receive a full credit or refund for the purchase price, at the Agency's discretion.

### 3. Hach Contract Addendum

**Contract Addendum to Solicitation No: CRFQ 0313 DEP2100000032  
Lab Testing Equipment and Supplies (the "Project")**

**Parties:** State of West Virginia, Department of Administration ("Customer")  
Hach Company ("Supplier")

**Date:** May 12<sup>th</sup>, 2021

**Recitals:** Customer and Supplier are entering into a contract for the Project and, for convenience, are using Customer's standard contract forms ("Customer's Base Contract") for the purchase of Supplier's goods and/or services ("Goods" and/or "Services"). This Addendum is intended to provide reasonable revisions to Customer's Base Contract to enable the parties to enter a contract for the Project without prolonged or complex negotiations over terms and conditions. Accordingly, the parties incorporate this Addendum into the Customer's Base Contract and make it an integral part thereof, taking precedence over any contrary or related terms or conditions that may be contained therein, in any purchase orders, or in any other writings, addenda or exhibits constituting part of the agreement between the parties (collectively, the "Agreement").

**Revisions:** Notwithstanding anything to the contrary contained in the Agreement, the following provisions and rules of construction apply:

- 1. Services.** The Services shall be limited to those services specifically described herein. For the avoidance of doubt, and without limitation, Supplier has no responsibility for the supervision or actions of Customer's employees or contractors or for non-Hach chemicals or equipment and disclaims all liability and responsibility for any loss or damage that may be suffered as a result of such aspects or actions or any other aspects or actions not under Supplier's control.
- 2. Indemnification.** Any and all indemnification obligations imposed upon Supplier are limited to the extent of those damages proportionately caused by Supplier's breach of the Agreement, negligence, wrongful conduct, or violations of law. In no case is Supplier liable for any damages caused by negligence, misuse or misapplication of goods by others. For non-government customers, Supplier's indemnification obligations are provided on the condition that Customer defends, indemnifies and holds harmless Supplier against any and all damages to the extent caused by misuse or misapplication of goods, negligence, wrongful conduct, or violations of law by Customer, its affiliates, or those employed by, controlled by or in privity with them, and Customer agrees to so defend and indemnify Supplier. Customer's workers' compensation immunity, if any, does not preclude or limit its indemnification obligations.
- 3. Limitation on Liability.** THE TOTAL LIABILITY OF SUPPLIER AND ITS SUBSIDIARIES, AFFILIATES, EMPLOYEES, DIRECTORS, OFFICERS AND AGENTS ARISING OUT OF PERFORMANCE, NONPERFORMANCE, OR OBLIGATIONS IN CONNECTION WITH THE DESIGN, MANUFACTURE, SALE, DELIVERY, AND/OR USE OF GOODS AND/OR SERVICES IN NO CIRCUMSTANCE INCLUDES ANY LIQUIDATED, PENALTY, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, NOR EXCEED AN AMOUNT THAT IS UNREASONABLY DISPROPORTIONATE TO THE TOTAL AMOUNT OF COMPENSATION ACTUALLY PAID TO SUPPLIER UNDER THE AGREEMENT, EXCEPT ONLY IN THE CASE OF DAMAGES ARISING DUE TO SUPPLIER'S WILLFUL MISCONDUCT.
- 4. Warranty.** Supplier warrants to Customer that each of the Goods conforms to its written warranty set forth in its user manual in effect on the date of purchase, or, if there is no express warranty therein, that each of the Goods will be free from defects in material and workmanship and will conform to the manufacturer's quoted specifications for twelve (12) months from delivery. Warranties do not extend to consumable items such as, without limitation, reagents, batteries, mercury cells, and light bulbs. Supplier warrants that it will perform all Services in accordance with its standard practices and that the Services will be free from defects in workmanship for a period of ninety (90) days from their date of performance. If Supplier breaches this warranty and the Customer notifies Supplier of such breach within 30 days of the end of the applicable warranty period, Supplier will, at its option, either replace or repair the nonconforming Goods, or re-perform any nonconforming Services, or refund the amounts paid by Customer to Supplier for the nonconforming Goods and/or Services. THIS IS THE EXCLUSIVE REMEDY FOR ANY BREACH OF WARRANTY. SUPPLIER EXPRESSLY DISCLAIMS ANY REMEDIES OF "COVER" AND ANY WARRANTIES IMPLIED BY LAW, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
- 5. Intellectual Property; Information Technology; Privacy.** Supplier retains all rights in and to any intellectual property and confidential information created or procured by it or its representatives at any time, and Customer receives licenses to

use such intellectual property and information only to the extent provided by implied license under applicable law. No Customer information technology requirements apply, except the extent such requirements specifically apply to equipment being sold to Customer. To help ensure mutual compliance with applicable privacy laws, Customer will not provide to or share with Company any personal data or personally identifiable information.

6. **Performance Guarantees.** All product warranties and guarantees shall only be enforceable if (a) all equipment is properly installed, inspected regularly and is in good working order, (b) all operations are consistent with Supplier recommendations, (c) operating conditions at the Customer site have not materially changed and remain within anticipated specifications, and (d) no reasonably unforeseeable circumstances exist or arise.

7. **Acceptance and Set-off.** Except to the extent agreed upon in writing by Supplier's CFO, all Goods and Services are deemed accepted upon delivery and early payment discounts do not apply. Any set-off rights in the Agreement notwithstanding, Customer bears the customary burden of proof with respect to any amounts invoiced by Supplier but not paid by the invoice due date. This revision does not adversely impact any of Customer's rights under Supplier's warranties.

8. **Wire Fraud Prevention.** Supplier and Customer both recognize that there is a risk of wire fraud when individuals impersonating a business demand immediate payment under new wire transfer instructions. To avoid this risk, both Supplier and Customer will provide wire transfer instructions for remittance of any undisputed payments due under the Agreement or any associated Statement of Work. In the event that there is a change in the wire transfer instructions, both Parties must agree to a updated wire transfer information, in writing, using the Business Contact listed in the contract before any monies will be transmitted using the new wire instructions. Both Parties further agree that they will never change wire transfer instructions by email. Further, both Parties agree that they will never require an immediate payment under the new instructions. The Parties will provide for a ten (10) business day grace period to verify any wire transfer instruction changes before any outstanding payments would be due using the new instructions.

9. **Miscellaneous.** Except to the extent signed by a duly authorized representative of an affiliate of Supplier, the Agreement does not bind any affiliates of Supplier. Supplier is not subject to any audit rights in favor of the Customer, except for audit rights (under reasonable conditions) directly related to Supplier's compliance with laws and regulations (e.g., safety) which are directly applicable to Supplier's Goods and/or Services purchased under this Agreement. Supplier is not obligated to purchase or carry Professional Liability or E&O Insurance coverage, provide copies of Supplier's policies, or provide waivers of subrogation. Supplier may include Customer and their Affiliates as an Additional Insured party. Nothing in the Agreement supersedes or nullifies this Addendum. Supplier's obligations under the Agreement will only be modified by written agreement of Supplier through the same duly authorized representative who signed this Addendum, or such person's duly authorized successor. Except as provided herein, neither party agrees to any contractual clause or provision, that waives such party's ordinary and standard rights, including, but not limited to, the right to retain party's own counsel and each party's right to determine facts and circumstances in the event of a dispute.

10. **Payment Terms: NET 30**

IN WITNESS WHEREOF, the Parties have caused this Addendum to be executed by their duly authorized representatives, intending thereby to be legally bound.
