SOLICITATION NUMBER:
Addendum Number:

The purpose of this addendum is to modify the solicitation identified as (“Solicitation”) to reflect the change(s) identified and described below.

Applicable Addendum Category:

- Modify bid opening date and time
- Modify specifications of product or service being sought
- Attachment of vendor questions and responses
- Attachment of pre-bid sign-in sheet
- Correction of error
- Other

Description of Modification to Solicitation:

Additional Documentation: Documentation related to this Addendum (if any) has been included herewith as Attachment A and is specifically incorporated herein by reference.

Terms and Conditions:

1. All provisions of the Solicitation and other addenda not modified herein shall remain in full force and effect.
2. Vendor should acknowledge receipt of all addenda issued for this Solicitation by completing an Addendum Acknowledgment, a copy of which is included herewith. Failure to acknowledge addenda may result in bid disqualification. The addendum acknowledgement should be submitted with the bid to expedite document processing.

Questions from vendors for CRFQ DEP 22*24 AML Limestone Sand

Q.1. Are their locations for delivered materials or are the locations county wide?

A. Locations are county wide and include both existing and future locations.

Q.2. I see the lines are listed per county, can I assume that the delivered locations are going to vary? Will there be any additional information out on locations or material specs?

A. Delivery locations will vary. Many counties have multiple delivery sites. Sites may be remote. No additional information will be provided on individual delivery sites.

Q.3. Could you tell me if there are specific locations for the DEP #24*22 sand bids by county. Specifically I am interested in Barbour, Harrison, Marion, Marshall, Monongalia, Taylor, Tucker, and Upshur counties.

A. There are existing locations for all Coalfield Counties. However, the contract will honor both existing and future sites. No additional information will be provided on individual delivery sites.
