QUALIFICATIONS

Vendor, or Vendor's staff if requirements are inherently limited to individuals rather than corporate entities, shall have the following minimum qualifications:

3.1. Nursing services:

Staffing Capacity to provide the services to the WVSDB

Internal Resources; TSCTI has 5200+ internal employees. These employees are on direct payroll of TSCTI. These employees are working at different projects and different locations. Whenever these experience candidates are free to move for another role, these candidates are the first source of job offering for projects like University. Therefore, bringing experience and quality to the assigned task.

External Resources: We are able to search for and provide quality candidates via our Applicant Tracking System (ATS); JobDiva and Talent Identification Strategies involving social media, job boards, targeted search and our local and if required national networks. ATS syncs all the job boards to the ATS and provides the best talent in less time. Hence, more time is spent on scrutinizing than searching candidates.

“JobDiva is an Applicant Tracking System and front-to-back Talent Management software, for modern technology and innovation, and serving TSCTI staffing professionals.

A powerful cloud solution, JobDiva combines a CRM, synchronization with all major job boards and the largest resume database to deliver staffing solutions with unmatched precision.”

JobDiva offers more and unique ability to search resumes for skills by years of experience, special certification, qualification and training, location, specific pay rate and can exclude or include any desired information for a given client. Therefore, provide the capability to search candidates with any given specifics. JobDiva offers TSCTI recruiters the ability to define Task Types for contacts and candidates

Database Pool: TSCTI's intranet portal (**JobDiva**) powered by an exhaustive database of resumes on varied skill sets and experience levels that has continuously evolved over the decades. The requirements from various clients we have serviced also contribute to the category database. We have **5.1M+ pre-vetted candidates** in our resume database which make us fully capable of fulfilling WVSDB the requirements as and when required. We ensure the WVSDB that there is a pipeline of qualified candidates at any given time. TSCTI can search for and provide quality candidates via our Applicant Tracking System (ATS); JobDiva and Talent Identification Strategies involving social media, job boards, targeted search and our local and if required national networks. TSCTI has a resume database inventory of over 60,000 pre-vetted candidates **local to the State of WV** and meeting the WVSDB's services. We connect to these consultants from time-to-time and when a requirement comes matching their skills.

TSCTI Experience: TSCTI is one of the fastest growing nurses / medical staffing companies in the United States. With presence in all 50 States and **5200+** employees nationwide, we have been providing unparalleled healthcare/nurses staffing services to Public and Private sectors for over 24 years. MANDATORY REQUIREMENTS

We have carefully reviewed all mandatory requirements mentioned in this RFQ. TSCTI agrees and acknowledge with all the vendor responsibilities as mentioned in this Specification. We have all resources, people, process and experience available to full fill al requirements. TSCTI has excellent resources in its internal resume database pool of 5.1M+ pre-vetted resumes for various categories required by the Purchasing Division. TSCTI has more than 100,000 highly proficient and experienced candidate's resumes database of Nursing Services to across the nation. We keep on updating this database enabling us to meet requirements of client with short-term notice. We connect to these consultants from time-to-time and also when a requirement comes matching their skills. TSCTI has 5200+ internal employees and these experience candidates are free to move for another role; these candidates are the first source of job offering for projects like WVSDB. Therefore, bringing experience and quality to the assigned task. We are able to search for and provide quality candidates via our Applicant Tracking System (ATS); JobDiva and Talent Identification Strategies involving social media, job boards, targeted search and our local and if required national networks. ATS syncs all the job boards to the ATS and provides the best talent in less time. Hence, more time is spent on scrutinizing than searching candidates. JobDiva offers more and unique ability to search resumes for skills by years of experience, special certification, qualification and training, location, specific pay rate and can exclude or include any desired information for a given client. Therefore, provide the capability to search candidates with any given specifics. JobDiva offers TSCTI recruiters the ability to define Task Types for contacts and candidates.

PURCHASING AFFIDAVIT

STATE OF WEST VIRGINIA
Purchasing Division

PURCHASING AFFIDAVIT

CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

ALL CONTRACTS: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
