Asphalt Materials Pick Up by Agency

To answer vendor posed questions.

Question #1: In reference to Page 8 number 7 of the Asphalt Pickup bid that reads “Determining Low Bid Per Project” We have the following questions: Could you please provide the criteria and or the formula for how the lowest overall cost per project is determined?

Response #1: The District Engineer, or their designee, will determine the anticipated needs of the project in advance, and will then look up the bid prices for all anticipated Contract Items for Vendors awarded a contract in the county. The bid prices will be multiplied by the estimated quantities for the project, and those calculations then totaled. Contract Items, including mileage, hauling mileage, mobilization, etc. will be factored into the total. The Vendor with the lowest bid price for the overall project will be issued a Delivery Order and offered the work. If they decline or are unavailable for the project, the District will then offer the project to the next lowest bidder.

WVDOH personnel utilize the PO Contract Asphalt Prices tool to assist them in looking up bid prices. This tool is created internally, using Vendors bid prices and the “Price Adjustments” described in Section 4 of the Asphalt Materials Pick Up by Agency specifications. This tool is available on the WVDOH website at:
<https://transportation.wv.gov/highways/maintenance/Pages/POContractAsphaltPrices.aspx>.

PURCHASING AFFIDAVIT

CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

ALL CONTRACTS: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.
