The Purchasing Division will disclose any document labeled "confidential," "proprietary," "trade secret," "private," or labeled with any other claim against public disclosure of the documents, to include any "trade secrets" as defined by West Virginia Code § 47-22-1 et seq. All submissions are subject to public disclosure without notice.

**22. WITH THE BID REQUIREMENTS:** In instances where these specifications require documentation or other information with the bid, and a vendor fails to provide it with the bid, the Director of the Purchasing Division reserves the right to request those items after bid opening and prior to contract award pursuant to the authority to waive minor irregularities in bids or specifications under W. Requesting such fees or charges be paid after the contract has been awarded may result in cancellation of the contract.

**18. FUNDING:** This Contract shall continue for the term stated herein, contingent upon funds being appropriated by the Legislature or otherwise being made available. In the event funds are not appropriated or otherwise made available, this Contract becomes void and of no effect beginning on July 1 of the fiscal year for which funding has not been appropriated or otherwise made available. If that occurs, the State may notify the Vendor that an alternative source of funding has been obtained and thereby avoid the automatic termination. Non-appropriation or non-funding shall not be considered an event of default.

Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.

**40. BACKGROUND CHECK:** In accordance with W. Va. Code § 15-2D-3, the State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check. Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

**41. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS:** Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process.
- c. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
  1. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
  2. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

**42. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL:** In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a “substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

**43. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE:** W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$1 million, the Vendor must submit to the Agency a disclosure of interested parties prior to beginning work under this Contract. Additionally, the Vendor must submit a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-work interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.

**44. PROHIBITION AGAINST USED OR REFURBISHED:** Unless expressly permitted in the solicitation published by the State, Vendor must provide new, unused commodities, and is prohibited from supplying used or refurbished commodities, in fulfilling its responsibilities under this Contract.

**45. VOID CONTRACT CLAUSES:** This Contract is subject to the provisions of West Virginia Code § 5A-3-62, which automatically voids certain contract clauses that violate State law.

**46. ISRAEL BOYCOTT:** Bidder understands and agrees that, pursuant to W. Va. Code § 5A-3-63, it is prohibited from engaging in a boycott of Israel during the term of this contract.

**DESIGNATED CONTACT:** Vendor appoints the individual identified in this Section as the Contract Administrator and the initial point of contact for matters relating to this Contract.

## **ADDENDUM NO. 1- CRFQ-ADJ2300000023**

**RE:** WVNG Joint Forces Headquarters Lawn Care Services

**TO:** Prospective Bidders

**FROM:** West Virginia Adjutant General's Office

**NOTE:** This Addendum forms a part of the Contract Documents and modifies the original Bidding Documents.

### **PART 1 – PRE-BID SIGN-IN SHEETS**

To issue Pre-Bid Sign-In Sheets.

### **PART 2 – VENDOR QUESTIONS AND RESPONSES**

**Question No. 1: Contract as it relates to Davis Bacon Act. At Ennis Brothers LLC we pay fairly close to the prevailing wage, however our employees being seasonal and part time in nature, we don't normally pay for additional benefits. Can you clarify the following:**

- **What is the prevailing wage for Charleston WV for groundskeepers including "fringe benefits"? Or simply put, what would I be required to pay my employees working on this contract to be compliant with Davis Bacon? Will the other Vendors be given this information?**
- **How will you enforce the Davis Bacon Act? I am concerned that you will receive at least one bid not factoring in wages necessary to be compliant with the Davis Bacon Act.**

**DEPARTMENT OF THE ARMY  
ADJUTANT GENERAL'S OFFICE  
JOINT FORCES HEADQUARTERS WEST VIRGINIA  
1707 COONSKIN DRIVE  
CHARLESTON, WEST VIRGINIA 25311-1026**

**Response No. 1:** Davis Bacon Wage Rates are NOT required for this solicitation. The agency made a mistake by including that in the RFQ, terms and conditions, and speaking about it at the Pre-Bid Meeting. Davis Bacon Wages are only required on contracts using Federal money for construction, alteration or repairs of public buildings or public works.

**Question No. 2:** There appears to be a link for a form. That link is dead. There is no form number. Can you send me the form or give me the number to the form for requesting preference being a Veteran owned company?

**Response No. 2:** This is the link to the WV-1 Form for vendors wishing to claim a preference in accordance with Law and Rule. (See Section 4: B – Other Federal Designations – Veteran Small Business Ownership): <http://www.state.wv.us/admin/purchase/VRC/WV1.pdf>

**Question No. 3:** The bid indicates the winning bid will be the lowest bid. Ennis Brothers LLC being a Veteran owned company, do we need to be the lowest bid to be the winning bid or just be a competitive bid? It was my understanding in the past that the winning bid did not necessarily have to be the lowest bid if it could be justified, i.e., the winning bid was the second lowest bid, however it was from a veteran owned company.

**Response No. 3:** A competitive bid. An award will be made to the lowest, responsible bidder meeting the mandatory specifications and requirements.

Due to the nature of the contract (lawn care services), none of the following vendor preference types would apply in this case: reciprocal preference, preference for the purchase of motor vehicles and construction and maintenance equipment and machinery, or SWAM preference. This can be further explained in W. Va. Code §5A-3-37(c)(2)(E) and §5A-3-37(c)(2)(F).

**Question No. 4:** As I understood from the meeting, previous bid submissions as it relates to past awards or past bid submissions could be found on the Oasis website. Can you please direct me more specifically to where I can find them on the Oasis website? I am unable to do so.

**Response No. 4:** For awarded contracts over \$50,000.00, this is the link on the WV Purchasing Division's website to find past awards: <http://www.state.wv.us/admin/purchase/Awards/awarded.html>

For awarded contracts under \$50,000.00, you may go to VSS wvOasis (<https://prd311.wvoasis.gov/PRDVSS1X1ERP/Advantage4>) and use the search function to search by a keyword, the solicitation, or awarded contracts. On the solicitation, there is a tab called "Notice of Award" where you can find information about a contract award.
