It is one that is free of foreign material, lumps, skins, sags, holidays, misses, strike-through, or insufficient coverage. It is a surface that is free of drips, spatters, spills, or over spray which the contractor's workforce causes. Compliance to meeting the criteria of a "properly painted surface" shall be determined when viewed without magnification at a distance of five feet or more under normal lighting conditions and from a normal viewing position.

We will invoice every 15 days from commencement of our scope, and expect to be paid within 15 days of invoicing. We will invoice based upon significant completion per area, room, or unit.
