Responses to Questions from Vendors

**Question 1**

Is it the intention that the State utilize the October price index for Asphalt and Fuel as the Baseline index for these contracts. I'm inquiring since the November information will likely be available since the contract closes on Oct 31st, however since the contract is closing in October I assume the State would likely utilize the October one as the baseline.

**Answer 1**

Per Section 3.4 in the Contract Specifications, "The bidding index for asphalt and fuel will be listed on the Contract Administration website for Fuel, Asphalt and Cement Prices Adjustments listed for October 2023. Contract Base Price at time of bid will be based on October 2023."
