RE: PTR250000006 ADA Compliant Lowered Floor Minivans

Dear Mr. Estep,

Rohrer Bus Sales appreciates the opportunity to submit a proposal for RFQ PTR25\*6 ADA Lowered Floor Minivans. Our offerings are 2024/2025 Chrysler Voyager LX with a Braun Side Entry Manual Ramp conversion and a Stowaway Ramp conversion.

Conversion location will be BraunAbility in Winimac, IN.

Our contact there is Scott Alexander with field representation by Kevin Shidler. Our offering meets the intent and letter of your specifications along with approved addendums.

## **Table of Contents**

Enclosure 1	Exhibit A Pricing Page, Flooring choices and Memo of Understanding concerning training
Enclosure 2	Signed Bid Forms and Bid Documents
Enclosure 3	Addendum Acknowledgement and No Debt Affidavit
Enclosure 4	Additional Technical Documentation and Proposed Warranty
As requested, a list of five (5) users names, addresses, emails and telephone numbers who have been provided similar equipment	

### **REFERENCE #1: Pennsylvania Department of General Services**

Rohrer Bus Sales has held the state contract for Pennsylvania since 2007 and currently holds a contract. This contract contains shuttle bus products from 21' – 31' in length and includes Ford, Chevrolet and Freightliner chassis. This contract also includes wheelchair minivan conversions. We used a senior manager in PennDOT as our reference

Contact: John Levitsky, Program Manager  
Department of General Services  
Bureau of Procurement  
555 Walnut Street, 6<sup>th</sup> Floor Forum Place  
Harrisburg, PA 17101  
717-787-1206  
[jlevitsky@pa.gov](mailto:jlevitsky@pa.gov)

### **REFERENCE #2 - UPMC**

Operates a fleet of 60+ shuttle buses including passenger and paratransit conversions. They typically complete CNG conversions on their buses.

Contact: Tom Abel, Fleet Manager.

REQUIRED BID FOR TO BE SUBMITTED WITH BID

CERTIFICATION OF PRIMARY PARTICIPANT REGARDING  
DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

The Primary Participant (applicant for an FTA grant or cooperative agreement, or potential contractor for a major third party contract),  
Rohrer Enterprises, LLC. DBA Rohrer Bus Sales (COMPANY NAME) certifies to the best of its knowledge and belief, that it and its principals:

1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
2. Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.
3. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (2) of this certification; and
4. Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

If the primary participant (applicant for an FTA grant, or cooperative agreement, or potential third party contractor) is unable to certify to any of the statements in this certification, the participant shall attach an explanation to this certification.)

THE PRIMARY PARTICIPANT (APPLICANT FOR AN FTA GRANT OR COOPERATIVE AGREEMENT, OR POTENTIAL CONTRACTOR FOR A MAJOR THIRD PARTY CONTRACT),  
Rohrer Enterprises, LLC. DBA Rohrer Bus Sales, CERTIFIES OR AFFIRMS THE TRUTHFULNESS AND ACCURACY OF THE CONTENTS OF THE STATEMENTS SUBMITTED ON OR WITH THIS CERTIFICATION AND UNDERSTANDS THAT THE PROVISIONS OF 31 U.S.C. SECTIONS 3801 ET SEQ. ARE APPLICABLE THERETO.

CERTIFICATION OF RESTRICTIONS ON LOBBYING

The undersigned (Vendor, Contractor) certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influence or attempt to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress regarding the award of a Federal grant, loan (including a line of credit), cooperative agreement, loan guarantee, or loan insurance, or the extension, continuation, renewal, amendment, or modification of any Federal grant, loan (including a line of credit), cooperative agreement, loan guarantee, or loan insurance.
2. If any funds other than Federal appropriated funds have been or will be paid to any person to influence or attempt to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or any employee of a Member of Congress in connection with any application for a Federal grant, loan (including a line of credit), cooperative agreement, loan guarantee, or loan insurance, the undersigned assures that it will complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," Rev. 7-97; and
3. The undersigned understands that the language of this certification shall be included in the award documents for all sub awards at all tiers (including subcontracts, sub grants, sub agreements, and contracts under grants, loans (including a line of credit), cooperative agreements, loan guarantees, and loan insurance.

Undersigned understands that this certification is a material representation of fact upon which reliance is placed by the Federal government and that submission of this certification is a prerequisite for providing a Federal grant, loan (including a line of credit), cooperative agreement, loan guarantee, or loan insurance for a transaction covered by 31 U.S.C. 1352. The undersigned also understands that any person who fails to file a required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The (Vendor, Contractor) Rohrer Enterprises, LLC. DBA Rohrer Bus Sales, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the (Vendor, Contractor) understands and agrees that the provisions of 31 U.S.C. §§ 3801, et seq., apply to this certification and disclosure.

Bid Opening remains 04/16/2025 at 1:30pm

### **Terms and Conditions:**

1. All provisions of the Solicitation and other addenda not modified herein shall remain in full force and effect.
2. Vendor should acknowledge receipt of all addenda issued for this Solicitation by completing an Addendum Acknowledgment, a copy of which is included herewith. Failure to acknowledge addenda may result in bid disqualification. The addendum acknowledgement should be submitted with the bid to expedite document processing.

Listed below are the responses to the questions.

The following are approved equal/question/clarification requests for the West Virginia bid opening

4/16/2025, with AE's due on 3/31/2025.

o 3.1.1.9 Water Test – The Braun Corporation requests approval of our current testing system in lieu of the method currently called by specification: Water test combines two procedures in detecting leaks; Ultrasonic Sound Testing and high-pressure wash bay rinse. The high pressure rise cycle shall be utilized to completely drench each vehicle with water from top, front, back, both sides, and the under-frame area. Each vehicle shall be exposed to this high-pressure water spray for a continuous period of fifteen (15) minutes. Spray nozzles shall be arranged to ensure water spray on the roof, all doors, all windows, rear wall, windshield and in the wheel well areas under the frame. All leaks found as a result of this test shall be repaired and the vehicles shall be retested until no water leaks exist.

It is approved.

o 3.14.7 OEM side slide doors – It should be noted that the Voyager LX will be equipped with OEM power side slide doors, in lieu of manual side slide doors as currently called by specification.

It is approved.

o 3.18.8 Hooded exterior light – Please note that the Braun conversion utilizes an interior mounted light to illuminate the area immediately around the passenger side slide door; it does not include a “hooded exterior door light”

It is approved.

o 3.29.1 Wheelchair Ramp – Please request a specification change to either eliminate the vertical stow ramp or update it to vertical stow ramp with swing-out feature. Due to Buy America compliance we might have to bid the In-floor ramp as standard.

It is updated to the vertical stow ramp with the swing-out feature.

o 3.31.5 Angel Trax – The Braun Corporation requests approved equal status for the following described Angel Trax camera system. Mounted to the inside of the vehicle’s windshield, the Vulcan Series VX4AI All-In-One MDVR features two built-in HD cameras: one capturing an exterior view through the windshield, the other an interior view of the cab, driver and passengers. This powerful device’s built-in AI processor helps capture a definitive account of what really happens on the road by detecting certain driving events and can automatically upload to a secure server for review. The VX4AI’s privacy feature can be activated to turn off the interior camera and microphone when the vehicle is at 0MPH. Please see attached brochure for more information.

This is an approved equal.

--

**ADDENDUM ACKNOWLEDGEMENT FORM**  
**SOLICITATION NO.: CRFQ DOT2500000006**

**Instructions:** Please acknowledge receipt of all addenda issued with this solicitation by completing this addendum acknowledgment form. Check the box next to each addendum received and sign below. Failure to acknowledge addenda may result in bid disqualification.

**Acknowledgment:** I hereby acknowledge receipt of the following addenda and have made the necessary revisions to my proposal, plans and/or specification, etc.

**Addendum Numbers Received:**

(Check the box next to each addendum received)

<input checked="" type="checkbox"/> Addendum No. 1	<input type="checkbox"/> Addendum No. 6
<input type="checkbox"/> Addendum No. 2	<input type="checkbox"/> Addendum No. 7

## PURCHASING AFFIDAVIT

**CONSTRUCTION CONTRACTS:** Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

**ALL CONTRACTS:** Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

**EXCEPTION:** The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

### DEFINITIONS:

**"Debt"** means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

**"Employer default"** means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

**"Related party"** means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

**AFFIRMATION:** By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

School & Commercial Bus Sales

April 15, 2025

Statement for record - Foldout ramp vans (Category A and C) as proposed meet or exceed WV specifications. All A and C vans include a double foldaway seat as shown below and were built in the prior model year. Ramp vans can deliver in approx. 45 days at lesser cost than the Under-floor.

The Under-floor ramp vans require the 2025 Model Year to meet Buy America. The under-floor ramp vans will take 150-180 days total to order chassis, to complete conversion and to complete WV Inspect/ PDI for final delivery.

Thanks for your consideration,  
David

BraunAbility Commercial Side-Entry Foldout built on: ►  
2022-2025 Chrysler Voyager LX  
2022-2025 Chrysler Pacifica 27W  
2022-2025 Chrysler Grand Caravan (Canada)

See back of this guide for vehicle requirements.

- ADA, FMVSS, CMVSS Compliant
- FTA Buy America Compliant Option Available
- Meets or Exceeds Altoona Test Requirements
- CARB Compliant
- ADA Compliant Interlock
- ADA Compliant Ramp & Door Entrance Lighting

## ◀ Lowered Floor 3.19.2

The floor is lowered from the toe pan to the rear axle and provides multiple wheelchair securement positions. Premium vinyl flooring with 3/8" underlayment comes standard.

## ◀ OEM Power Door

ADA-compliant passenger sliding OEM power door with 56" vertical opening and 31" wide clear opening (excluding grab handle).

## ◀ Manual Folding Ramp with Swing-Out Feature 3.29

The low-angle 30" wide aluminum foldout ramp (1,000 lb capacity) makes it easy to load and unload wheelchair users. The swing-out feature allows ambulatory passengers to exit directly to curbs and sidewalks, away from the flow of traffic.

## ◀ Driver and Passenger Seating ► 3.22

The driver seat is stationary and has a storage area underneath for optional DOT items. The passenger seat can be easily removed to provide a wheelchair securement position in the front of the vehicle. An optional 2nd row 2 passenger folding bench seat is also available.

## ◀ Fold-Down Rear Seat Footrest

Adds comfort for backseat passengers.

## Emergency Rear Hatch Release

## ◀ ADA-Compliant Ramp and Door Entrance Lighting

## Q'STRAIN Wheelchair/Occupant Securement System ►

One standard belt system included for use with the floor-mounted tracks.

# Commercial Side-Entry Foldout

E4

The Chrysler Commercial Side-Entry Foldout wheelchair accessible vehicle has been a cost-effective, workhorse product for paratransit providers and transportation services. Leveraging over 50 years of experience in mobility transportation solutions, BraunAbility introduces with the newest addition to the Commercial fleet, the Chrysler Voyager. The side-entry foldout has all the ADA-compliant features of the Dodge Grand Caravan but with 15% more cabin space for easier maneuverability, more seating positions, plus enhanced space at the toe pan for wheelchair footrests. The new conversion also features the much more durable thermoplastic (TPO) front, side and rear flares to absorb minor impacts while protecting the exterior look of the vehicle. An LED spotlight package for the ramp and cabin as well as an easy access footrest for rear seating adds to the overall ease of use for both operators and passengers.

The Chrysler Commercial Side-Entry Foldout comes standard with an easily removable front passenger seat with wheelchair securement positions in the front and midrow. The optional aftermarket midrow folding seat increases the seating capacity when needed.

Safety has always been a top priority at BraunAbility. The Chrysler Commercial Side-Entry Foldout has been crash tested and certified to meet or exceed all applicable requirements of the Federal Motor Vehicle Safety Standards (FMVSS) and is backed by our three-year limited warranty.

- **Seating for up to 7 ambulatory\*; up to 2 wheelchair positions**
- **Added space at front for wheelchair passenger footrests**
- **Hard-wearing TPO front, side and rear flares to absorb minor impacts**
- **Reinforced, heavy-duty swing-out ramp and latch**
- **Enhanced ADA lighting package**
- **Option for BuyAmerica compliant conversion is available**

## Standard Features

- ADA, FMVSS and CMVSS Compliant
- CARB approved
- 7-passenger vehicle (with optional aftermarket 2nd row 2-passenger folding bench seat)
- Lowered floor from toepan to rear axle
- 60" floor-to-ceiling at center of van
- 30" wide manual ramp with 1,000 lb capacity and swing out feature for ambulatory access
- Multiple wheelchair securement locations
- One wheelchair securement system - Q'STRAIT
- OEM driver and passenger side power sliding door providing 56" vertical opening (ADA compliant), passenger door provides clear opening width of 31" (excluding OEM grab handle)
- Step-and-Roll removable front passenger seat
- 3-passenger bench seat at rear with folding footrest
- Front passenger floor tracks for wheelchair securement, with 60" floor-to-ceiling height
- TPO plastic lower body panels with integrated steps
- Vinyl flooring with 3/8" underlayment, a thermoplastic honeycomb panel subfloor
- ADA-compliant park interlock
- ADA-compliant ramp and door entrance lighting
- Priority seating and wheelchair securement location decals
- Auxiliary wiring harnesses include fused circuits
- Emergency rear hatch release
- Easy maintenance interior trim package
- 19 gallon OEM fuel tank

## Optional Features

- Aftermarket 2nd row 2-passenger folding bench seat
- DOT kit
- Additional set of tie-downs
- High Conspicuity Ramp Tape Kit

\* With optional aftermarket 2nd row 2-passenger folding bench seat

**Description of final assembly activities:**

1. Braun's Final Assembly manufacturing processes consist of the following:
  - (a) "Seat Installation": Installation of seats in the first, second, and third seating rows in the vehicle.
  - (b) "Subsystem Installation": Installation of new lines for rear brake, fuel, heat, and air conditioning components.
  - (c) "Fuel Tank System Installation": Installed the fuel tank. Installation and interconnection of the new fuel fill pipe assembly to meet the relocated and rotated OEM fuel tank.
  - (d) "Exhaust Installation & Interconnection": Installing a new exhaust pipe, hanger brackets, and the OEM muffler.
  - (e) "Engine/Transmission/Front Suspension Assembly Modifications": Disconnecting the engine, transmission, and front suspension assembly in order to raise the body to accommodate the lowered floor. Modifications are made to the engine, transmission, and front suspension assembly, involve adding various types of spacing brackets, custom steering shaft extension, and two engine cradle safety bracket tube extensions, and reconnecting the engine, transmission, and front suspension assembly.
  - (f) "Slide Door Installation": Doors are installed and tested to verify proper travel and function.
  - (g) "Rear Axle & Suspension Installation & Interconnection": Installation of the rear axle, addition of brake line extensions, and rear brake lines fastened.
  - (h) "Flooring & Walls Installation": Installation of flooring substrate and covering and carpet or plastic panels with carpeted inserts. Walls are covered with new interior panels and trims.
  - (i) "Rear Bumper Installation": Installation of the reinforced rear bumper.
  - (j) "Wiring Installation": Installation of new and reroute existing wiring to accommodate the new seating systems, airbag systems, wheelchair ramp system, slide door operation, and other accessibility modifications such as kneeling function.
  - (k) "Ramp Installation & Interconnection": Installation and interconnection of the wheelchair ramp.
  - (l) "Undercoating": Newly installed components are coated, and the entire floor is undercoated.
  - (m) "Inspection & Certification": The vehicle is inspected, weighed, road tested, identified repairs completed if required, and recertified to all applicable FMVSS by Braun in preparation of the vehicles for delivery.

## PRE-AWARD FMVSS COMPLIANCE CERTIFICATION

As required by 49 CFR part 663 - Subpart D, WV - E4 - 2 (the recipient) certifies that it received, at the pre-award stage, a copy of The Braun Corporation's (the manufacturer) self-certification information stating that the vehicles, 2025 Chrysler Voyager LX- 27E Side-Entry , will comply with the relevant Federal Motor Vehicle Safety Standard issued by the National Highway Traffic Safety Administration in 49 CFR part 571.

## JOB RATING

## 2025 Chrysler Voyager

### Passenger Van LX (RUC153)

Performance predictions in this report represent an estimate of vehicle performance based on standard operating conditions. Variations in customer equipment, load configuration, ambient conditions, and/or operator driving techniques can cause significant variations in vehicle performance. These values are not representative of results that may be shown in actual dynamometer tests. This report should therefore be used as a guide for comparative vehicle performance.

### Gross Vehicle Weight

Number of Passengers:	7
Weight of passengers:	1,050.00 lbs
Cargo length:	0 Inches
Cargo width:	0 Inches
Cargo height:	0 Inches
Cargo weight:	0 lbs
Weight of hitch:	0 lbs
Tongue weight:	0 lbs
Payload weight:	1,050.00 lbs
Curb Weight:	4,330.00 lbs
Gross Vehicle Weight:	5,380.00 lbs
Gross vehicle weight rating:	6,055.00 lbs
GVW vs. GVWR:	5,380.00 lbs<6,055.00 lbs

### Gross Combined Weight

## MATERIAL SAFETY DATA SHEET

MANUFACTURED BY:

**Pure Asphalt Co.**

**3300 W. 31<sup>st</sup> St.**

**Chicago, IL. 60623**

### Technical Product Information:

1-773-247-7030

### Emergency Spill and Health Information

1-800-424-9300 (CHEMTREC)

Date Prepared: 08-07-07

Supersedes MSDS: 05-28-07

### Section I - Product Identification

Product Name/Number: #770 Undercoating / Sound Deadener

Description: Black, Solvent Based Undercoating and Sound Deadener

### Section 2 – Composition/Information on Ingredients

Chemical Family:

Petroleum Mixture

CAS Number: Mixture

Unassigned

Petroleum Distillates (Stoddard Solvent) CAS # 8052-41-3 Percentage by weight: 45-50%

Petroleum Hydrocarbon - CAS #8052-42-4; Percentage by wt. – 35-45%

Exposure Limits: PEL: 100 PPM; ACGIH TLV: 100 ppm; ACGIH STEL: 200 ppm

Listed in NTP, IARC or OSHA 1910 (z): NO

HMIS: 2-2-O-H

### Section 3 – Hazard Identification

Primary routes of entry:

Inhalation, skin contact

Effects of overexposure

Mild depression, convulsions and loss of consciousness. Skin contact causes burning,

(acute and chronic)

Irritation, defatting and dermatitis.

Exposure limits:

Petroleum distillates (Stoddard Solvent):

TLV 100 PPM

PEL 100 PPM

Oxidized Asphalt Fumes: 5 MG/M3

Eye irritation, Draize test: Moderate

Irritancy of product

Not available

Sensitization of product:

No

Carcinogen:

No

Teratogen:

No

Reproductive toxicity:

No

Mutagen:

No

Synergistic products:

Not applicable

### Section 4 - First Aid Measures

Skin contact:

Remove and launder contaminated clothing before reuse. Discard shoes if severely contaminated. Wash skin with soap and water.

Eyes:

Flush with water for 15 minutes lifting upper and lower lids. Contact physician.

Inhalation:

Remove to fresh air, give oxygen if breathing is difficult. Contact physician.

Ingestion:

Do not induce vomiting, give white mineral oil. Contact physician. Do not attempt to give anything by mouth to an unconscious person.

## EXECUTIVE SUMMARY

### TEST HIGHLIGHTS

The information in this report pertains only to this specific bus, as received from the manufacturer for testing.

The Check-In section of the report provides a description of the bus and specifies its major components. The following table gives the salient specifications.

<b>Manufacturer</b>	The Braun Corporation / BraunAbility
<b>Model</b>	2022 Chrysler Pacifica / Voyager ADA w/Side Entry Manual Infloor Ramp
<b>Chassis Make/Model</b>	FCA US, LLC / Voyager LX
<b>Chassis Modified</b>	Yes
<b>Overall Length</b>	16 feet, 11.5 inches
<b>Fuel</b>	Gasoline
<b>Service Life</b>	4 Year / 100,000 miles
<b>Number of Seats (including driver)</b>	5 and 1 wheelchair position
<b>Manufacturer-Designated Standing Passenger Capacity</b>	0
<b>Gross Vehicle Weight used for testing</b>	6,050 lb.
<b>Gross Vehicle Weight Rating</b>	6,055 lb.
<b>Mileage at Delivery</b>	419 miles
<b>Test Start Date</b>	September 7, 2023
<b>Test Completion Date</b>	October 23, 2023
<b>Report Issuance Date</b>	November 13, 2023

The measured curb weight was 2,550 lb. for the front axle and 2,170 lb. for the rear axle. These combined weights provided a total measured curb weight of 4,720 lb. There are 5 seats including the driver and one wheelchair position, bringing the potential total passenger capacity to 6. This type of vehicle does not have any free floor space for standing passengers. Therefore, the gross load represents seated passengers only, for a total of 6 passengers. Gross load is calculated as  $(150 \text{ lb.} \times 5) + (600 \text{ lb.} \times 1) = 1,350 \text{ lb.}$  At full declared capacity, the measured gross vehicle weight was 6,055 lb.

This test vehicle has a modified chassis. The chassis was modified by dropping the original floor structure from the bottom of the firewall (at front of driver and passenger footwell area) to the front of the rearmost seats to accommodate the wheelchair space and the infloor ADA ramp.

### BUS TESTING BACKGROUND

On August 1, 2016, FTA announced a final rule for bus testing for improving the process of ensuring the safety and reliability of new transit buses. The rule satisfies requirements in MAP-21 to establish minimum performance standards, a standardized scoring system, and a pass-fail threshold based on the score.

FTA's Bus Testing Program (often referred to as "Altoona Testing" due to the location of the main testing center) tests new transit bus models for:

- Maintainability
- Reliability
- Safety
- Performance (including Braking Performance)
- Structural Integrity (including Structural Durability)
- Fuel Economy (Energy Efficiency and Range, for electric buses)
- Noise
- Emissions

Bus models that fail to meet one or more minimum performance standards will "fail" their test and thus be ineligible for purchase with FTA funds until the failures are resolved and validated through further testing. FTA will use this authority to make sure defects are corrected before a bus model can be acquired with FTA funding.

In each application to FTA for the purchase or lease of any new bus model, or any bus model with a major change in configuration or components to be acquired or leased with funds obligated by the FTA, the recipient shall certify that it has received the appropriate full Bus Testing Report and any applicable partial testing report(s) before final acceptance of the first vehicle. In dealing with a bus manufacturer or dealer, the recipient shall be responsible for determining whether a vehicle to be acquired requires full testing or partial testing or has already satisfied the requirements of this part. A bus manufacturer or recipient may request guidance from FTA in making these determinations.

The purpose of the testing is intended to set a "Pass/Fail" standard and grade the performance of the buses in order to provide performance information to the transit authorities that can be used in their purchase or lease decisions. The intent of this report is to provide the grantee a relative measure of the performance of a particular model of transit bus against a standard of performance. The passing of this test should ensure a vehicle has a high probability of meeting its service life in the category it was tested.

The data included in this test report and other applicable reports should be reviewed to choose the most suitable bus for a grantee's operation. A higher scoring bus is not necessarily the best bus for a given application. For example, a bus with a powerful engine may score well because of its performance and gradeability, but another bus with a smaller and more fuel-efficient engine could be a better choice for applications in mostly flat areas. It is the responsibility of the grantee to ensure the proper test report or applicable partial report is in their possession and has been thoroughly reviewed.

The score sheet for the subject vehicle of this test report is provided below. **This bus passed the Altoona test, with an aggregate score of 92.6.**

# VX4AI

Vulcan™ Series All-In-One Mobile DVR

## DRIVER DATA AND 5MP VIDEO IN ONE SYSTEM ▼

Reduce operating costs and mitigate liability for your entire fleet with high-definition video and driver behavior data recorded in one system. Gain valuable insight from video verification of G-Force events and what causes them: road conditions, driver error or other motorists.

## VX4AI FEATURES ▼

- 2 Built-in HD Cameras + 2 Additional Channels with Optional Cable (1 IP + 1 HD)
- Dual microSD Card Slots, Up to 1TB Total Storage
- Built-in GPS and G-Force Sensor
- Built-in Wi-Fi and Cellular Modules
- 8 LEDs to Indicate Status
- Audible Alarm
- Built-in Microphone with Privacy Option
- Panic Button
- H.264/H.265 Compression

## CAMERA FEATURES ▼

### Interior:

- 2MP 1/2.8" CMOS sensor
- 2.1mm focal length
- Infrared
- Privacy option

### Exterior:

- 5MP 1/2.7" CMOS sensor
- 2.8mm focal length for greater depth of field

## AI FEATURES ▼

- Phone Detection
- Following Too Closely
- Seatbelt Detection
- Collision Warning

## LED INDICATORS ▼

- Recording
- Server Status
- GPS
- G-Force Sensor
- Fatigue
- Distraction
- Front Collision
- Lane Departure

## MULTI-FUNCTION BUTTON ▼

### Panic Event

- Equips driver to mark video and trigger panic button alarm

### Privacy Mode

- Deactivates microphone and interior camera for driver privacy
- Effective only when vehicle speed is 0MPH

### Wi-Fi Switch

- Enables recording unit's Wi-Fi to switch to AP mode for system configuration and maintenance

## CAMERA PLACEMENT ▼

## ALL-IN-ONE MOBILE DVR FEATURES ▼

Mounted to the inside of the vehicle's windshield, the Vulcan Series VX4AI All-In-One MDVR features two built-in HD cameras: one capturing an exterior view through the windshield, the other an interior view of the cab, driver and passengers. This powerful device's built-in AI processor helps capture a definitive account of what really happens on the road by detecting certain driving events and can automatically upload to a secure server for review. The VX4AI's privacy feature can be activated to turn off the interior camera and microphone when the vehicle is at 0MPH.

## SUPERVISOR ALERTS

Triggered events, indicating driver distress, G-Force or dangerous driving, are marked in the recording for supervisor review, and authorized personnel can receive alerts instantly via MotoTrax™, an online surveillance management tool by AngelTrax.

## ANGELTRAX SUPPORT

Reliable and efficient, our specialized team of engineers and technicians resolve most product issues during the initial phone call or email conversation. All customer service is conducted by AngelTrax and not outsourced to a third party. From first contact to warranty fulfillment, AngelTrax provides unparalleled customer service and support.

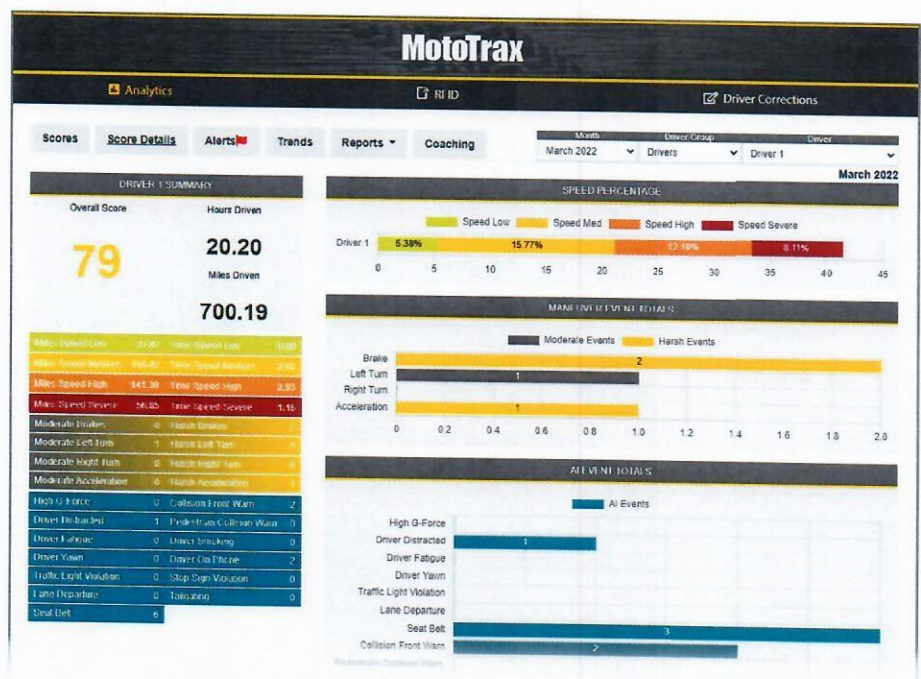

## PRO8CMS

FlexPlay Pro 8™ playback software is included with the purchase of every Vulcan Series MDVR or HCNVR. Upgrade to Pro 8 Central Management System™ for live view, live tracking and real-time system health and panic button alerts. Find out more at [www.angeltrax.com/pro8cms](http://www.angeltrax.com/pro8cms).

## MOTOTRAX DRIVER BEHAVIOR

The VX4AI is an objective eyewitness to defend your driver and your fleet from frivolous legal claims and show the context of the situation such as changing weather conditions or the dangerous actions of others. Using MotoTrax Driver Behavior, your organization can realize greater savings and safer drivers with solutions based on real data, trends, reports and video clips. For more information on MotoTrax Driver Behavior, contact your sales executive today at [www.angeltrax.com/contact](http://www.angeltrax.com/contact).

## **IMPORTANT**

This booklet contains BraunAbility® limited warranties.  
It should be kept in your vehicle and presented to your  
dealer if any warranty service is needed.

---

Examine your vehicle for any damage. Should any damage have occurred during delivery, notify the carrier at once with any claims.

Review the service agreement, delivery checklist and warranty registration form with your sales representative. The form must be signed by the consumer and retailer. A hard copy is available upon request.

The warranty registration form must be processed electronically by the sales representative to activate the warranty. This Warranty Booklet contains detailed terms and provisions applicable to this vehicle.

Record the last eight digits of the vehicle identification number (VIN) in the space provided for future reference. This information must be provided when filing a warranty claim or ordering parts.

[illegible]

Page 1

## **LIMITED WARRANTY**

---

### **WARRANTY COVERAGE AND WARRANTY COVERAGE TIME PERIODS**

The BraunAbility® (“Braun”) warranty covers Braun’s modifications and alterations for associated parts for three (3) years or the first thirty six thousand (36,000) miles, whichever occurs first. In addition, the corrosion protection portion of this warranty applies to covered parts (see below) for 5 years or 100,000 miles, whichever occurs first. The 3 year/36,000 mile limited warranty covers substantial defects in materials and workmanship attributable to Braun of the conversion van frame, floor structural components, ramp, door and associated structural components, electrical components, including but not limited to switches, wires, connectors and the controller and interior appearance items such as floor covering and the lower door extension assemblies. The corrosion warranty covers substantial defects in materials and workmanship attributable to Braun of the metal fabrication on or of the frame, floor and lower door extensions. These warranty periods begin on the date that the product is delivered to the first retail purchaser by an independent, authorized dealer of Braun, or, if the dealer places the product into any type of service prior to retail sale, on the date the dealer first places the product in such service.

This limited warranty applies to the first consumer purchaser, and the next subsequent owner, only. This limited warranty may be transferred once during the warranty period. However, the subsequent owner must submit a warranty transfer form to Braun to make the warranty transfer effective. All rights and limitations within this warranty are applicable to the original and subsequent owner of the product. The subsequent owner’s warranty coverage period is the remaining balance of the warranty coverage period that the prior owner was entitled to under this limited warranty. Warranty transfer forms can be obtained from any independent, authorized dealer, which must be submitted to Braun within thirty (30) days from the subsequent owner’s purchase, and proof of the purchase date must be supplied with the form.

**WHAT BRAUN WILL DO TO CORRECT PROBLEMS**

In the event that a substantial defect in material or workmanship, attributable to Braun, is found to exist during the warranty coverage periods, it will be repaired or replaced, at Braun's option, without charge to the owner, in accordance with the terms, conditions and limitations of this limited warranty.

Braun's obligation to repair or replace defective materials or workmanship is the sole obligation of Braun under this limited warranty. Braun reserves the right to use new or remanufactured parts of similar quality to complete any work, and to make parts and design changes from time to time without notice to anyone. Braun reserves the right to make changes in the design or material of its products without incurring any obligation to incorporate such changes in any previously manufactured product. Braun makes no warranty as to the future performance of this product, and this limited warranty is not intended to extend to the future performance of the product. In addition, the owner's obligation to notify Braun, or one of its authorized, independent dealers, of a claimed defect does not modify any obligation placed on the owner to contact Braun directly when attempting to pursue remedies under state or federal law.

## LIMITED WARRANTY

---

### LIMITATIONS, EXCLUSIONS AND DISCLAIMER OF IMPLIED WARRANTIES

**ANY IMPLIED WARRANTY THAT IS FOUND TO ARISE BY WAY OF STATE OR FEDERAL LAW, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR ANY IMPLIED WARRANTY OF FITNESS, IS LIMITED IN DURATION TO THE TERMS OF THIS LIMITED WARRANTY AND IS LIMITED IN SCOPE OF COVERAGE TO THE SCOPE OF COVERAGE OF THIS LIMITED WARRANTY.** Braun disclaims any express or implied warranty, including any implied warranty of fitness or merchantability, on items excluded from coverage as set forth in this limited warranty. Braun makes no warranty of any nature beyond that contained in this limited warranty. No one has authority to enlarge, amend or modify this limited warranty, and Braun does not authorize anyone to create any other obligation for it regarding this product. Braun is not responsible for any representation, promise or warranty made by any independent dealer or other person beyond what is expressly stated in this limited warranty. Any selling or servicing dealer is not Braun's agent, but an independent entity.

**BRAUN SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES THAT MAY RESULT FROM BREACH OF THIS LIMITED WARRANTY OR ANY IMPLIED WARRANTY. THIS EXCLUSION OF CONSEQUENTIAL AND INCIDENTAL DAMAGES SHALL BE INDEPENDENT OF ANY FAILURE OF THE ESSENTIAL PURPOSE OF ANY WARRANTY, AND THIS EXCLUSION SHALL SURVIVE ANY DETERMINATION THAT THIS LIMITED WARRANTY OR ANY IMPLIED WARRANTY HAS FAILED OF ITS ESSENTIAL PURPOSE.** This warranty does not cover, and in no event shall Braun be liable for towing charges, travel, lodging, or any other expense incurred due to the loss of use of the product or other reason.

Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

## **HOW TO GET SERVICE**

To obtain warranty service the owner must do all of the following:

1. Notify an authorized service center, of the claimed defect attributable to Braun, within the warranty coverage period designated above;
2. Provide the notification mentioned in (1), above, within ten (10) days of when the owner discovered, or should have discovered, the claimed defect;
3. Promptly schedule an appointment with and take the product to an authorized service center for service; and
4. Pay any transportation costs and all expenses associated with obtaining warranty service.

Since Braun does not control the scheduling of service work at the independent dealerships you may encounter some delay in scheduling or completion of work. If you need assistance you may contact Braun, at 631 West 11th Street, Winamac, Indiana 46996; Customer Experience Group 1-800-488-0359.

If two (2) or more service attempts have been made to correct any covered defect that you believe impairs the value, use or safety of the product, or if it has taken longer than thirty (30) days for repairs to be completed, you must, to the extent permitted by law, notify Braun directly, in writing, at the above address, of the unsuccessful repair(s) of the alleged defect(s) so that Braun can become directly involved in providing service pursuant to the terms of this limited warranty.

## LIMITED WARRANTY

---

### WHAT IS NOT COVERED

This Limited Warranty does not cover any of the following: defects in materials, components or parts of the product not attributable to Braun, any material, component or part of the product that is warranted by another entity (Note: the written warranty provided by the manufacturer of the material, component or part is the direct responsibility of that manufacturer); items that are added or changed after the product leaves Braun's possession; additional items installed at any dealership, or other place of business, or by any other party, other than Braun; normal wear, tear, usage, maintenance, service, periodic adjustments, the effects of condensation or moisture from condensation; mold or any damage caused by mold; imperfections that do not affect the product for its intended purpose; items that are working as designed but that you are unhappy with; problems related to mis-operation, misuse, mishandling, neglect or abuse, including failure to maintain the product in accordance with the owner's manual, or other routine maintenance such as inspections, lubricating, adjustments, tightening of screws, sealing, wheel alignments or rotating tires; damage due to accident or collision, including any acts of weather or damage or corrosion due to the environment; theft, vandalism, fire, or other intervening acts not attributable to Braun; damage resulting from tire wear or tire failure; defacing, scratches, dents or chips on any interior or exterior surface of the product, including those caused by rocks or other road hazards, damage caused by off road use, overloading or alteration of the product, or any of its components or parts;

Defects and/or damage to interior and exterior surfaces and other appearance items may occur at the factory or when the product is in transit to a dealer. These items are usually detected and corrected at the factory or by the selling dealer prior to delivery to the retail customer. You must inspect the product for this type of damage when you take delivery. If you find any such defect or damage you must notify the selling dealer, or Braun, at the time of delivery to have these items covered by this limited warranty and to have work performed on the items at no cost to you as provided by this limited warranty.

**EVENTS DISCHARGING BRAUN FROM OBLIGATION UNDER WARRANTY**

The following shall completely discharge Braun from any express or implied warranty obligation to repair or replace anything and void this warranty: (as defined in this warranty), misuse, neglect, collision, accidents, failure to provide routine maintenance (See Owner's Manual), unauthorized alteration, off road use, damage from weather or the environment, theft, vandalism, tampering, fire, explosions, overloading the product and odometer tampering.

**LEGAL REMEDIES**

Any action to enforce any portion of this limited warranty, or any implied warranty, must be commenced within six (6) months after expiration of the warranty coverage period designated above or the action will be barred because of the passage of time. Any performance of repairs shall not suspend this limitation period from expiring. Any performance of repairs after the warranty coverage period has expired, or performance of repairs regarding any thing excluded from coverage under this limited warranty shall be considered "good will" repairs, and they will not alter the terms of this limited warranty, or extend any warranty coverage period or the filing limitation period in this paragraph. In addition, since it is reasonable to expect that the product will need some service during the warranty period, this warranty does not extend to future performance. It only sets forth what Braun will do and does not guarantee anything about the product for any time period. Nothing in this warranty, or any action of Braun, or any agent of Braun, shall be interpreted as an extension of any warranty period or the filing limitation period in this paragraph. Some states do not allow a reduction in the statute of limitations, so this reduction may not apply to you.

## **LIMITED WARRANTY**

---

### **WARRANTY REGISTRATION and MISCELLANEOUS**

Your warranty registration records should be completed and delivered to the appropriate companies, including the Braun Delivery Checklist & Warranty form. That form must be returned to Braun within twenty (20) days of purchase. The Braun warranty will not be registered unless this warranty registration is completed and received by Braun. Failure to file this warranty registration with Braun will not affect your rights under this limited warranty as long as you can present proof of purchase, but it can cause delays in obtaining the benefits of this limited warranty, and it changes the start date of the warranty to the date of final assembly of the product by Braun.

Braun agrees to repair or replace any of its factory installed parts found to have substantial defects within the appropriate warranty period designated above, provided that the repair is authorized by Braun and carried out by an authorized service center (a Braun labor schedule determines the cost allowance for repairs). Braun will not honor any warranty claim for repairs or replacement of parts unless the claim is submitted with the appropriate paperwork, and the work is completed by an independent, factory authorized service center. The appropriate paperwork can be obtained by written or phone contact with Braun at the contact information in this warranty.

Braun reserves the right to designate where any warranty work can be performed. Braun also reserves the right to examine any defective workmanship or part prior to giving any authorization for warranty work. Braun's return authorization procedure must be adhered to in order to process any warranty claims.

**THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE.**

# MATERIAL SAFETY DATA SHEET

MANUFACTURED BY:

**Pure Asphalt Co.**  
**3300 W. 31<sup>st</sup> St.**  
**Chicago, IL. 60623**

## Technical Product Information:

1-773-247-7030

## Emergency Spill and Health Information

1-800-424-9300 (CHEMTREC)

Date Prepared: 08-07-07

Supersedes MSDS: 05-28-07

## Section I - Product Identification

Product Name/Number: #770 Undercoating / Sound Deadener

Description: Black, Solvent Based Undercoating and Sound Deadener

## Section 2 – Composition/Information on Ingredients

Chemical Family:

Petroleum Mixture

CAS Number: Mixture

Unassigned

Petroleum Distillates (Stoddard Solvent) CAS # 8052-41-3 Percentage by weight: 45-50%

Petroleum Hydrocarbon - CAS #8052-42-4; Percentage by wt. – 35-45%

Exposure Limits: PEL: 100 PPM; ACGIH TLV: 100 ppm; ACGIH STEL: 200 ppm

Listed in NTP, IARC or OSHA 1910 (z): NO

HMIS: 2-2-O-H

## Section 3 – Hazard Identification

Primary routes of entry:

Inhalation, skin contact

Effects of overexposure  
 (acute and chronic)

Mild depression, convulsions and loss of consciousness. Skin contact causes burning, irritation, defatting and dermatitis.

Exposure limits:

Petroleum distillates (Stoddard Solvent):

TLV 100 PPM

PEL 100 PPM

Oxidized Asphalt Fumes: 5 MG/M3

Irritancy of product

Eye irritation, Draize test: Moderate

Sensitization of product:

Not available

Carcinogen:

No

Teratogen:

No

Reproductive toxicity:

No

Mutagen:

No

Synergistic products:

Not applicable

## Section 4 - First Aid Measures

Skin contact:

Remove and launder contaminated clothing before reuse. Discard shoes if severely contaminated. Wash skin with soap and water.

Eyes:

Flush with water for 15 minutes lifting upper and lower lids. Contact physician.

Inhalation:

Remove to fresh air, give oxygen if breathing is difficult. Contact physician.

Ingestion:

Do not induce vomiting, give white mineral oil. Contact physician. Do not attempt to give anything by mouth to an unconscious person.

## Section 5 – Firefighting

Auto ignition :	>410 F (>210 C)
Flash point :	105F (41C), PMCC
Lower Explosive	0.8%
Upper Explosive Limit :	6.0%
Extinguishing Media:	Foam, dry chemical, water fog, CO2
Sensitive to impact:	No
Sensitive to static discharge	Not available
Hazardous combustion products:	Oxides of carbon
Fire fighting procedures:	Use self contained breathing apparatus. Remove all sources of ignition. Cool exposed drums with water spray. Vapors are heavier than air and may flow to distant ignition sources.
Fire and explosion hazard:	

## Section 6 – Spill or Accidental Release Procedures

Leak and spill procedures:	Remove all sources of ignition, provide adequate ventilation, absorb with vermiculite or other absorbent.
Waste disposal method:	Refer to local, state and federal EPA regulations.
Cercia reportable quantity:	Not listed
RCRA hazardous waste num.:	None (40 CFR 261.33)

## Section 7 – Handling & Storage

Storage requirements:	Store in cool, well ventilated area away from All sources of ignition.
Handling procedures:	Prevent prolonged/repeated skin contact and avoid breathing vapors.

## Section 8 – Exposure Controls/Personal Protection Information

Respiratory protection:	Use air purifying respirator with organic vapor cartridge>TLV if limits are exceeded.
Protective gloves:	Buna-N-Rubber
Eye protection:	Safety glasses goggles
Ventilation:	Explosion proof local exhaust is recommended. Maintain adequate air transfer velocity to remove vapors.
Clothing requirements:	Standard industrial hygiene should be practiced.

## Section 9 – Physical & Chemical Properties

Physical Form:	Liquid
Appearance and Odor:	Black with petroleum odor
pH:	Not available
Boiling point: F (C):	>350 (>177)
Freezing point;F (C):	Not Determined
Vapor pressure (mm Hg)	<10
Vapor Density (AIR=1):	4.8
Solubility in water:	Slight
Specific gravity (water=1):	1.01
Evaporation rate (ether = 1):	36
Percent volatiles – volume:	50-60%
Percent solids – weight:	53 - 56
Volatile organic compounds:	3.87 lb./gal. (minus water), 442 G/L

## Section 10 – Stability & Reactivity Data

Chemical stability:	Yes
Materials to avoid:	Strong oxidizing agents
Hazardous decomposition products:	Oxides of carbon, nitrogen and sulfur
Hazardous polymerization:	Will not occur

## Section 11 - Toxicology Information

Petroleum Distillates:	LD50, Oral-Rat,>5GM/KG LC50, 4 Hour-Rat,>5500 MG/M3
------------------------	--

Oxidized Asphalt:	LD50, Not available LC50, Not available
-------------------	--

## Section 12 – Ecological Information

Ecotoxicity – This mixture contains components that are potentially toxic to freshwater and saltwater ecosystems.

Environmental Fate: This material may be harmful to aquatic organisms and may cause long term adverse effects in the aquatic environment.

## Section 13 – Disposal Considerations

Hazard characteristic and regulatory waste classification can change with product use. Accordingly, it is the responsibility of the user to determine the proper handling and disposition for disposal according to local, state and federal regulations. (40 CFR 260 through 271)

## Section 14 – Transport Information (49 CFR 172.101)

For Industrial / Professional Use Only – Keep out of reach of Children

U. S. and Canada ground freight...combustible liquid, N.O.S. (Stoddard solvent), NA 1993, PGIII, No label required. NFMCM50315

Airfreight and International ocean...petroleum distillates, N.O.S. (Stoddard solvent) 3, UN 1268, PGIII, Flammable 3 label required.  
IMDG 3375

## Section 15 – Regulatory Information

TSCA: All components are on the TSCA inventory.

Sara Title III, Section 313. This product contains (or is) a toxic chemical for routine annual toxic chemical release reporting under Section 313: No, None

Sara Title III, Sections 311 and 312. This product contains a chemical substance (s) that is considered, under applicable definitions, to meet the following categories: a fire hazard.

## Section 16 – Other Information

Creation date:	8-07-07
Supersedes:	5-28-07
Reason for revision	Data Update

### Additional Information

The information and recommendations contained herein are based upon data believed to be correct. However, no guarantee or warranty of any kind expressed or implied is made with respect to the information contained herein.
