#### Question 2

The next question is for the Emulsion. Can I assume that's for tack coat. If so what type? Standard or non-tracking tack coat ?

#### Response 2

This question is not specific to a certain section of the contract and there is not an Emulsion section nor an emulsion contract item. The Tack items are for the vendor to apply – tack is not sold to WVDOH as a stand-alone product under this contract.

**3.2.10 Asphalt Material for Tack Coat - Contract Item 47:** Shall be furnished and applied in accordance with Standard Specs Section 408, as amended, and as directed by the WVDOH District Engineer or their designee.

Per section 6.1 of the Contract Specifications: **Bidding Vendor must provide both material and laydown services within the same bid; bids received for material only or laydown services only will be disqualified.**

#### Question 3

The final question is are these products to be quoted as delivery or pickup from the supplier ?

**Response 3**

The Asphalt Materials, Delivery & Labor by Vendor ARFQ DOT26\*19 allows for the application and laydown of materials; no stand-alone product purchases are allowed.

The Asphalt Pick Up by Agency CRFQ DOT26\*13 allows for the pick up of asphalt from approved sources only.
