3.2.2 Mobilization:

To meet the immediate needs of the WVDOH, when a Vendor is required to deliver lease/rental equipment, Vendors shall deliver needed lease/rental equipment upon notice by the WV DOH, per Section 6.1 of these specifications, assembled and ready to operate to any location or locations as designated by the WVDOH on a Delivery Order. Delivery/Mobilization fees shall be calculated and paid one-way only, by the WVDOH, from the Vendor's storage location to the WVDOH project site. The WVDOH will calculate the in-state delivery route mileage from the equipment owner's location to the WVDOH job site using the WVDOH Straight Line Diagrams. The WVDOH will determine the route to be taken due to bridge and/or road restrictions. Out-of-state delivery route mileage will be calculated by the WVDOH using "google maps" or a similar source for routing from the equipment owner's location to the WV state line, at which time, the Straight Line Diagrams will be sourced to the WVDOH job site.

The date of official receipt of leased/rented equipment by the WVDON shall be considered the first day of lease/rental. The day immediately preceding the date on which the leased/rented equipment is officially returned to the owner shall be considered the last day of lease. A day or days used by the Vendor solely for travel to the site, set-up or breakdown of the leased/rented equipment shall not be considered as a lease/rental day.

3.2.4.2 NOTE: The WVDOH does not dictate the requirements of the Vendors' daily/weekly checklist. Any minor and/or major needed repairs discovered during the operator's daily/weekly inspection shall be noted on the maintenance and operational checklist. The WVDOH shall contact the Vendor before the

leased/rented equipment is placed into service by the WVDOH.

3.2.5 Repair or Replacement Parts:

3.2.5.1 The WVDOH shall reimburse the Vendor for the repair or replacement of any part of the leased/rented equipment which shall be destroyed, damaged or made inoperative because of ordinary negligence, abuse or improper operation by its personnel. The WVDOH shall not be responsible for any such replacement or repair caused by a defect existing in such leased/rented equipment at the time of delivery by the Vendor to the WVDOH or if the need for such repair or replacement resulted from normal usage.

3.2.6 Down Time:

3.2.6.1 All leased/rented equipment inoperable due to the necessity of replacement of parts or repair of damage for a period greater than four hours shall be considered by the WVDOH as "down" and no payment shall be made by the WVDOH for the use of the leased/rented equipment for such periods unless "down time" is due to the negligence or lack of reasonable care by the WVDOH.

3.2.7 Risk of Loss:

3.2.7.1 Damage, Destruction or Theft: While in the possession or under the control of the WVDOH, due to or caused by the ordinary negligence of the WVDOH or its personnel or by the failure of the WVDOH or its personnel to exercise ordinary care for the protection of such leased/rented equipment, the responsibility shall be by the WVDOH from and after the delivery of such leased/rented equipment by the Vendor to the location designated by the Delivery Order and its acceptance by the WVDOH according to Section 6.1.1 of these contract specifications and the terms and conditions hereinafter set forth. The

REQUEST FOR QUOTATION

WVDOH shall reimburse the Vendor for the repair or replacement of any part of said leased/rented equipment which shall become lost, stolen or damaged due to the failure of the WVDOH and its personnel to use ordinary care for the protection of such leased/rented equipment.

The Vendor shall be responsible for any loss, damage, destruction or theft, partial or complete, caused by a defect in such leased/rented equipment existing at the time of delivery thereof by the Vendor to the WVDOH. (See 3.2.2.1)

The total or partial loss of use or possession of any leased/rented equipment shall not abate any payments required to be made by the WVDOH to the Vendor if such loss of use or possession is caused by the ordinary negligence or the lack of ordinary care of such leased/rented equipment by the WVDOH or its personnel.

The leased/rented equipment shall be deemed a total loss due to its disappearance or if it has sustained physical damage and the estimated cost of repairs is determined to exceed 75% of the market value of such leased/rented equipment. If a claim is made by the Vendor against the WVDOH for the loss or damage to such leased/rented equipment, the Commissioner of the WVDOH shall review such claim and if after review the Commissioner shall determine that a sum of money is due the Vendor and acceptable to the Vendor, issue a requisition to the Auditor of the State of WV for the payment of such agreed sum to the Vendor. Reference WV Code 517-3-4.

<http://www.legis.state.wv.us>

If, prior to the payment of any claim to the Vendor by the WVDOH, the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation, any such sum of money shall be deducted by the WVDOH from any claim to be paid by it to the Vendor. The same shall be with the Vendor. If the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation a sum of money after payment from the WVDOH has been received, the Vendor shall

REQUEST FOR QUOTATION
**Equipment Rental Without Operator -
Excavator with 360° Rotating Log Grapple**

reimburse the WVDOH the amount received or such part received that equals the amount WVDOH has paid to the Vendor. The Vendor may at its choice proceed to the WV Court of Claims as to any claim it may have against the WVDOH for such loss, damage, destruction or theft of said equipment.

3.2.8 Accident Inspection:

3.2.8.1 If leased/rented equipment is damaged or requires repair because of a mechanical failure, prior to being placed back into service for use by the WVDOH, a thorough inspection shall be performed by the Vendor to ensure the mechanical function and safety condition of the unit. Damaged leased/rented equipment such as, but not limited to, Aerial Bucket Truck, Aerial Platform Truck, Crane, Manlift and Under bridge Platform Inspection Units shall receive inspections and tests to be in full compliance meeting all manufacturer's, State and Federal rules and regulations before being placed back into service for use by the WVDOH.

3 CONTRACT AWARD:

- 3.23 Contract Award:** The Contract is intended to provide Agencies with a purchase price on all Contract Items. The Contract shall be awarded to the Vendor that provides the Contract Items meeting the required specifications for the lowest overall total cost as shown on the Pricing Pages.
- 3.24 Pricing Pages:** Vendor should complete the Pricing Pages by providing cost per day/week/month, make, model and serial number (if applicable) of lease/rental equipment, cost for first mile and additional miles. Vendor should complete the Pricing Pages in their entirety as failure to do so may result in Vendor's bids being disqualified.

The Pricing Pages contain a list of the Contract Items and estimated purchase volume. The estimated purchase volume for each item represents the approximate volume of anticipated purchases only. No future use of the Contract or any individual item is guaranteed or implied.

REQUEST FOR QUOTATION
Equipment Rental Without Operator -
Excavator with 360° Rotating Log Grapple

Vendor should electronically enter the information into the Pricing Pages through wvOASIS, if available, or as an electronic document. In most cases, the Vendor can request an electronic copy of the Pricing Pages for bid purposes by sending an email request to the following address: dotprocurement@wv.gov

4 ORDERING AND PAYMENT:

5.1 Ordering: Vendor shall accept orders through wvOASIS, regular mail, facsimile, e-mail, or any other written form of communication. Vendor may, but is not required to, accept on-line orders through a secure internet ordering portal/website. If Vendor has the ability to accept on-line orders, it should include in its response a brief description of how Agencies may utilize the on-line ordering system. Vendor shall ensure that its on-line ordering system is properly secured prior to processing Agency orders on-line.

An example: Lease/Rental of an Aerial Bucket Truck for three days, at

\$ 100.00/day with a 10-mile delivery at \$1.00/1st mile and \$.50/each additional mile. To calculate lease/rental: \$100.00/day x 3 days = \$300.00 for lease/rental of the equipment only. To calculate mobilization: \$1.00/ 1st mile plus \$.50/each additional mile x 9 miles = \$5.50 for mobilization of equipment only. Add \$300.00 for equipment and \$5.50 for mobilization for a total of \$305.50 lease/rental for three days.

Proximity of the leased/rented equipment to the WVDOT job site shall be a factor in determination of each Delivery Order. As explained in the preceding paragraphs, the Delivery Order will be issued to the lowest awarded Vendor; however, it is understood between the WVDOT and all awarded Vendors, if the low awarded Vendor for any given job is unable to perform, the Delivery Order will be cancelled and given to the next lowest awarded Vendor. If a Vendor cannot be found to perform the duties and obligations under this contract, the Delivery Order may be cancelled and the lease/rental for the needed equipment may be bid on the open market.

NOTE: Due to unforeseen circumstances when delivery by the Vendor is not feasible to meet the immediate need, the WVDOT shall have the option of picking up the

REQUEST FOR QUOTATION
Equipment Rental Without Operator -
Excavator with 360° Rotating Log Grapple

leased/rented equipment from a Vendor's base location. If the WVDOH chooses the pickup option, the Vendor's cost of delivery is not calculated into the cost.

5.2 Invoicing:

Invoicing shall be at a minimum of no less than one lease/rental day.

Equipment lease/rented for one lease/rental day shall equal four or more hours as described in Section 3.2.3 of this contract.

Equipment leased/rented for one lease/rental week shall be invoiced at the weekly lease/rental rate or the number of lease/rental days times the daily lease/rental rate, whichever is less.

Equipment leased/rented for more than one lease/rental week, but less than one lease/rental month shall be invoiced at the monthly lease/rental rate or the number of lease/rental weeks times the weekly lease/rental rate including any period less than a multiple of seven days, whichever is less.

Equipment leased/rented for one lease/rental month or more shall be invoiced at the monthly rate. If the lease/rental period is not a multiple of thirty lease/rental days, each day more than the multiple shall be evaluated as one-thirtieth of a lease/rental month.

An invoice submitted to the WVDOH shall include the following:

The beginning date and the date on which invoice period ends.

The number of lease/rental days in the invoicing period.

The number of lease/rental equipment downtime days in the invoicing period.

The make, model and serial number of the leased/rented equipment being invoiced as identified on the Vendor's contract.

The total owed to the Vendor and the method of calculation.

NOTE 1: The WVDOH will supply the equipment owner with the downtime days in any calendar month within ten days following the end of the calendar month or within two days following termination of a lease/rental, whichever is appropriate. The owner may obtain this information sooner by calling the WVDOH District that is leasing/renting the equipment.

REQUEST FOR QUOTATION
Equipment Rental Without Operator -
Excavator with 360° Rotating Log Grapple

NOTE 2: The period of need for leased/rented equipment as specified on the Delivery Order is only an estimate of need and shall not be used for invoicing purposes. Payment shall only be made for actual leased/rented days.

5.1 Payment: Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia, which includes registration to accept payments via EFT (electronic fund transfer).

6 DELIVERY AND RETURN:

All submissions are subject to public disclosure without notice.

32. LICENSING: In accordance with West Virginia Code of State Rules § 148-1-6.1.e, Vendor must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agency or political subdivision. Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Upon request, the Vendor must provide all necessary releases to obtain information to enable the Purchasing Division Director or the Agency to verify that the Vendor is licensed and in good standing with the above entities.

35. VENDOR RELATIONSHIP: The relationship of the Vendor to the State shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by this Contract. ☐ Quarterly reports detailing the total quantity of purchases in units and dollars, along with a listing of purchases by agency. Quarterly reports should be delivered to the Purchasing Division via email at purchasing.division@wv.gov.

40. BACKGROUND CHECK: In accordance with W. Va. Code § 15-2D-3, the State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check. Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

41. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open hearth, basic oxygen, electric furnace, Bessemer or other steel making process.
- c. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
 1. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
 2. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

42. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

43. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE: W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$1 million, the Vendor must submit to the Agency a disclosure of interested parties prior to beginning work under this Contract. Additionally, the Vendor must submit a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-work interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.
