Commodity Line Comments: Repair and rebuild will be completed with in 90 days of commitment weather permitting
Do to the nature of the job some tasks require no rain so the sealant can be applied to the external surface of the forage units which can make completion dates a challenge to meet
Job may be completed with in 30 to 60 days if the weather is workable
Any Rental equipment needed including but not limited to 150 ft boom lift shall be supplied by the buyer
Repair and rebuild will be done in a safe and timely manner

Extended Description:
See attached documentation for further details.
