ADDITIONAL TERMS AND CONDITIONS

See attached document(s) for additional Terms and Conditions

TECHNIX LLC d/b/a TechNix

West Virginia Office of Technology

CRFQ 0231 OOT2700000006 - Temporary Technical Staffing Services

Section 3 - Vendor Qualifications and Relevant Staffing Experience

TechNix Qualifications at a Glance

- Approximately eleven years of IT staffing and consulting experience since 2015.
- Extensive public-sector staffing experience through prime/subcontracting and direct-client relationships.
- Experience supporting state agencies, cities, metropolitan and regional government organizations, and multiple departments.
- Full recruitment lifecycle capability from requirement analysis and sourcing through onboarding and consultant management.
- More than six documented placements supporting the WVOT Section 3.2 minimum qualification requirement.
- Technical staffing experience across application development, databases, cloud, cybersecurity, infrastructure, mainframe, enterprise applications, and related disciplines.

3.1 Vendor Experience

TechNix has provided information technology staffing and consulting services since 2015 (approximately eleven years) and exceeds the solicitation requirement for a minimum of five years of experience providing similar information technology services.

TechNix provides qualified information technology professionals to public-sector and private-sector organizations for short-term, long-term, project-based, and staff-augmentation requirements. TechNix supports government agencies and enterprise clients through both direct-client and subcontracting relationships.

TechNix staffing experience includes application development, business analysis, database administration, cloud and infrastructure services, network engineering, cybersecurity, mainframe technologies, quality assurance and testing, enterprise applications, architecture, and project/program management.

TechNix supports onsite, hybrid, and remote staffing requirements based on client needs and maintains established recruiting, technical screening, reference verification, background-screening coordination, onboarding, and consultant-management processes.

Public-Sector Staffing Experience

TechNix has approximately eleven years of experience supporting public-sector information technology staffing requirements, primarily through subcontracting and prime-partner relationships. TechNix has supported state agencies, cities, metropolitan and regional government organizations, and multiple departments across diverse public-sector programs.

This experience spans multiple states and government functions, including health, labor, education, corrections, commerce, information technology, public safety, licensing, and related agency environments. TechNix has supported onsite, hybrid, and remote assignments across varied technologies and staffing models.

For these engagements, TechNix performs the full recruitment and staffing lifecycle, including:

- Requirement review, position analysis, targeted sourcing, and candidate outreach.
- Recruiter screening, technical qualification review, resume/experience validation, and assignment-fit confirmation.
- Right-to-represent and submission coordination, interview scheduling, and candidate preparation, when required.
- Reference verification, background-screening coordination, onboarding, and compliance support.
- Ongoing consultant management and client/consultant coordination throughout the assignment.

TechNix public-sector staffing experience includes application development, business analysis, database administration, cloud and infrastructure engineering, cybersecurity, identity and access management,

Salesforce, mainframe technologies, quality assurance, architecture, project management, and other specialized IT functions. This experience has provided TechNix with practical familiarity with government responsiveness, documentation, screening, compliance, and delivery expectations.

This public-sector delivery experience positions TechNix to support WVOT's statewide, open-ended staffing model across both established and emerging technology classifications.

3.2 Evidence of Relevant Staffing Experience

For the minimum six-individual demonstration under Section 3.2, TechNix is presenting six documented public-sector IT staffing placements that align with WVOT-listed classifications. The examples below were selected based on recency, relevance to WVOT classifications, and availability of TechNix staffing, billing, and verification records. The WVOT Classification Match column identifies the solicitation classification most closely aligned with each consultant's actual position and experience.

Consultant	Actual Position	Public-Sector End Client	Assignment	WVOT Classification
Preethi Naidu Kolar Moses	Senior Business Analyst	State of Alabama - ADPH	Aug. 2021 - Present	Business Analyst
Pavan Reddy	Senior Business Analyst	State of Washington - LCB	Dec. 2021 - June 2026	Business Analyst
Varun Murdula	Senior Cyber Security Analyst	State of Maine- OIT	Sep 2023 - Present	Cloud Security Professional
Gopala Krishna Mannam	Senior ASP.NET Developer	State of Maine - DOE	Dec. 2018 - Present	Senior Web Application Analyst
Massih Orfanian Kaffash Tamizkar	Senior Business Analyst	State of Nevada - SOS	Aug. 2023 - Jul. 2026	Business Analyst
Sumeet Narang	Salesforce Architect	State of MN-OCM	Apr. 2026 - Present	CRM Application Analyst

Verification: Each of the six placements above was delivered through International Projects Consulting Services (IPCS) Inc. as prime/contracting partner and can be independently verified. TechNix is providing a redacted recent TechNix-to-IPCS invoice as supporting evidence of the ongoing/recent public-sector staffing relationship. The remaining completed assignments can be independently verified through IPCS and TechNix's historical staffing records upon request.

Primary Verification Contact - Public-Sector Placements

Organization	International Projects Consulting Services (IPCS) Inc.
Contact	Vivek Singh
Title	Manager - Government Accounts
Email / Phone	vivek@ipcs.net 612-493-2021
Relationship	Prime / contracting partner for TechNix public-sector staffing engagements

Additional Relevant Technical Staffing Experience

The following placements are presented separately to demonstrate the breadth of TechNix staffing experience across technical disciplines relevant to WVOT. These examples are not being counted among the six placements presented in Section 3.2 unless the State requests additional qualification documentation.

Consultant	Actual Position	Client / End Client	Assignment	Technical Area
Divya Arockiam	ASP.NET Developer	State of Alabama - Medicaid	Feb. 2019 - Present	Application development / .NET
Srujan Reddy	SQL Server DBA	MADS Consulting Group	2025 - Present	SQL Server database administration
Ganeshan Medireddy	Senior Mainframe Programmer	Bunger Steel Inc.	2023 - Dec. 2025	Mainframe technologies
Harsh Parmar	Cloud Engineer	Rensa Filtration	Dec. 2025 - Jul. 2026	Cloud engineering
Steve Mills	Network Engineer III	Lightspeed Networks LLC	Jun. 25, 2026 - Present	Network / infrastructure engineering

In-House Technology and SaaS Development Capability

In addition to providing information technology staffing services, TECHNIX LLC d/b/a TechNix maintains direct experience developing and managing in-house SaaS-based software solutions. This internal development capability provides TechNix with practical exposure to modern application development, cloud architecture, database design, integrations, security, workflow automation, artificial intelligence, quality assurance, and software delivery practices.

TechNix's involvement in software development strengthens its staffing delivery capability by giving its recruiting and technical-screening teams a practical understanding of the technologies, responsibilities, and skill combinations required for modern IT roles. This experience helps TechNix evaluate candidates beyond resume keywords and better assess whether their technical background aligns with an agency's actual operating environment.

TechNix's internal technology initiatives involve collaboration among software developers, project management, quality assurance, UI/UX, database, cloud, and technical architecture functions. This hands-on delivery experience complements TechNix's public-sector staffing background and supports its ability to recruit professionals for both traditional enterprise environments and emerging cloud and digital-transformation initiatives.

Additional Enterprise Staffing References

The following contacts are provided so the State may independently verify additional TechNix staffing relationships and relevant technical placements.

Organization	Contact	Phone	Email	Representative Experience
Bunger Steel Inc.	Sarah Sailee, Program Manager	602-618-6380	sarah@bungersteel.com	Ganeshan Medireddy - Senior Mainframe Programmer; additional technical staffing support

Rensa Filtration	Saurabh Chopra, Program Manager	202-631-7889	schopra@rensafiltration.com	Harsh Parmar - Cloud Engineer; application/cloud staffing

Staffing Delivery Capability

TechNix utilizes a structured recruiting, screening, and qualification process designed to identify consultants who meet client-specific technical and operational requirements. The process includes:

- Requirement analysis and targeted candidate sourcing.
- Recruiter screening and technical qualification review.
- Resume and experience validation before submission.
- Availability and assignment-fit confirmation.
- Reference verification and background-screening coordination.
- Onboarding support and ongoing consultant/client support.

Statement of Qualification and Compliance

TECHNIX LLC d/b/a TechNix confirms that it meets the vendor experience requirements of the solicitation and has the recruiting and delivery capability to support WVOT technical staffing requirements.

- Approximately eleven years of IT staffing and consulting experience since 2015.
- More than six documented IT staffing placements during the preceding five years.
- Public-sector and private-sector staffing experience across multiple technical disciplines.
- Named contacts available for independent verification of relevant staffing relationships.
- Established recruiting, screening, onboarding, compliance, and consultant-management processes.

- Commitment to submit candidates who meet the specific mandatory qualifications applicable to each WVOT staffing request.
- Current candidate resumes and qualification documentation will be provided when TechNix presents candidates in response to WVOT staffing requests, as required by the solicitation.
- Commitment to comply with staffing-request, candidate-submission, onboarding, security, timesheet, and replacement requirements of the resulting contract.

Supporting Documentation

TechNix will include a redacted recent IPCS invoice as supporting evidence of its public-sector staffing relationship and recent placements identified in Section 3.2. Additional historical placement documentation for completed assignments is available upon request. Commercial rates, invoice amounts, totals, and other confidential commercial terms have been redacted.

ADDENDUM ACKNOWLEDGEMENT FORM
SOLICITATION NO.: CRFQ OOT27*006

Instructions: Please acknowledge receipt of all addenda issued with this solicitation by completing this addendum acknowledgment form. Check the box next to each addendum received and sign below. Failure to acknowledge addenda may result in bid disqualification.

Acknowledgment: I hereby acknowledge receipt of the following addenda and have made the necessary revisions to my proposal, plans and/or specification, etc.

Addendum Numbers Received:

(Check the box next to each addendum received)
