A valid order will reference Emergent Quote # Q-30935 and will incorporate the applicable terms and conditions by reference, for example: "The terms and conditions of Emergent Quote# Q-30935 are incorporated by reference."

By issuing an order referencing this Quote, Customer agrees:

- subscriptions are non-cancelable before their Order End Date
- Use of the Salesforce services and products are governed by the Quote terms, including the SFDC Terms of Use set forth at https://emergent360.com/wp-content/uploads/2025/07/SFDC-Terms-of-Use_06172025.pdf and corresponding Documentation ("Salesforce Terms"). Documentation can be found at: <https://www.salesforce.com/company/legal/>
- Customer is contracting solely with Reseller Prime Contractor Emergent, LLC, and is not entering a contractual relationship with SFDC, however the SFDC Terms of Use, product specific terms and quote specific terms are to the benefit and enforceable by SFDC as a third-party beneficiary.
- Please Note: References to the "MSA" or "Agreement" in the Product Special Terms or the Product Terms Directory shall be deemed to refer to the SFDC Terms of Use, unless Salesforce has entered into separate written agreements with Reseller and Customer, respectively.
- Notwithstanding anything to the contrary, subscriptions purchased pursuant to this quote shall not automatically renew.

Emergent is authorized to offer the following Warranty: Emergent warrants that during an applicable subscription term (a) this Agreement, the Order Forms and the Documentation will accurately describe the applicable administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Customer Data, (b) SFDC will not materially decrease the overall security of the Services, (c) the Services will perform materially in accordance with the applicable Documentation, and (d) subject to the "Integration with Non-SFDC Applications" section above, SFDC will not materially decrease the overall functionality of the Services. For any breach of a warranty above, Customer's exclusive remedies are those described in the "Termination" section above. EXCEPT AS EXPRESSLY PROVIDED HEREIN, NEITHER EMERGENT NOR SFDC MAKES ANY WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW. SERVICES PROVIDED FREE OF CHARGE, CONTENT AND BETA SERVICES ARE PROVIDED "AS IS," AND AS AVAILABLE EXCLUSIVE OF ANY WARRANTY WHATSOEVER.

Emergent is authorized to offer the following Indemnification: Emergent will defend Customer against any claim, demand, suit or proceeding made or brought against Customer by a third party alleging that

any Purchased Service infringes or misappropriates such third party's intellectual property rights (a "Claim Against Customer"), and will indemnify Customer from any damages, attorney fees and costs finally awarded against Customer as a result of, or for amounts paid by Customer under a settlement approved by SFDC in writing of, a Claim Against Customer, provided Customer manage the claim, demand, suit or proceeding with Emergent and subject to the following conditions: Customer (a) promptly gives Emergent or SFDC written notice of the Claim Against Customer, (b) gives SFDC sole control of the defense and settlement of the Claim Against Customer (except that SFDC may not settle any Claim Against Customer unless it unconditionally releases Customer of all liability), and (c) gives SFDC all reasonable assistance, at SFDC's expense. If SFDC receives information about an infringement or misappropriation claim related to a Service, SFDC via Reseller may in its discretion and at no cost to Customer (i) modify the Services so that they are no longer claimed to infringe or misappropriate, without breaching SFDC's warranties under "SFDC Warranties" above, (ii) obtain a license for Customer's continued use of that Service in accordance with this Agreement, or (iii) terminate Customer's subscriptions for that Service upon 30 days' written notice and refund Customer any prepaid fees covering the remainder of the term of the terminated subscriptions. The above defense and indemnification obligations do not apply if (I) the allegation does not state with specificity that the Services are the basis of the Claim Against Customer; (II) a Claim Against Customer arises from the use or combination of the Services or any part thereof with software, hardware, data, or processes not provided by SFDC, if the Services or use thereof would not infringe without such combination; (III) a Claim Against Customer arises from Services under an Order Form for which there is no charge; or (IV) a Claim against Customer arises from Content, a Non-SFDC Application or Customer's breach of this Agreement, or applicable Order Forms.

*If this quote is executed and/or returned to Emergent by Customer after the Order Start Date above, Emergent may adjust the Order Start Date and Order End Date, without increasing the Total Price, based on the date Salesforce activates the products and provided that the total term length does not change. Following activation, any adjustments to such Order Start Date and Order End Date may be confirmed by logging into Your Account, by reference to an order confirmation sent by Salesforce, and/or by contacting customer support. Prices shown above do not include any taxes that may apply. Any such taxes are the responsibility of Customer. This is not an invoice. For customers based in the United States, any applicable taxes will be determined based on the laws and regulations of the taxing authority(ies) governing the "Ship To" location provided by Customer on this quote.

Pricing Schedule

PRODUCT	MONTHLY UNIT PRICE	QUANTITY FOR
Tableau – Creator (Server)	USD 70.88	71+
Tableau – Embedded Analytics – Creator (Server)	USD 69.30	1+
Tableau – 8 Core (Server)	USD 15,120.00	1+
Tableau – Embedded Analytics – 8 Core (Server)	USD 11,340.00	1+
Tableau – Training – eLearning (Creator) (12 Month Access)	USD 9.24	10+

The pricing in the Pricing Schedule above ("Pricing Schedule") reflects the monthly per-subscription fees for the applicable Service. In the event the Pricing Schedule sets forth tiered pricing, any such tiered pricing levels are based upon the Aggregate Total Number of active subscriptions of the relevant Service purchased. "Aggregate Total Number" as it relates to a subscription, is the aggregate total number of active subscriptions, purchased by the Customer executing this quote, commencing on the Contract Start Date of this quote, as measured at the time of execution of the applicable quote. If a single additional order raises the aggregate number of subscriptions for any Service listed in the Pricing Schedule above the threshold limits specified therein, only those subscriptions exceeding the new threshold are entitled to the reduced pricing. Only additional orders by Customer that are associated with this quote, for purchase of subscriptions to the same Service and edition as set forth in the Pricing Schedule, during the period commencing on the Contract Start Date and ending on the Contract End Date of this quote, are eligible for the applicable volume pricing levels under the Pricing Schedule. For clarity, restricted use subscriptions (those subscriptions that either have the term "Restricted Use" in the Service name or are indicated as a Restricted Use Subscription in a Quote Special Term) are not included when determining the Aggregate Total Number of a full use subscription, and full use subscriptions are not included when determining the Aggregate Total Number of a restricted use subscription. Any price decreases shall have no effect on previously purchased subscriptions. Volume discounts do not accumulate across different Services or editions. Any renewals of the subscriptions purchased under this quote are not eligible for the Pricing Schedule unless expressly agreed to in writing between the parties in an applicable renewal quote.

Quote Special Terms

Additional information related to the Services, may be found in the Documentation at <https://sfdc.co/ptd>. For the avoidance of doubt, the terms and conditions set forth in this quote takes precedence over the Documentation.

In the event this quote reflects an early renewal of Customer's existing subscriptions purchased under applicable Order Forms under Contract No(s). 04377099, (as referenced in the corresponding invoice(s)), this quote shall replace such previous Customers Order Form(s) which is/are hereby terminated. Any credits applicable to fees paid in relation to such terminated Order Form(s) will first be applied to any outstanding balances due under such terminated order form(s) and any remaining credits (if applicable) shall be applied to this quote. In the event this quote reflects an on-time renewal of applicable Order Forms under Contract No(s). 04377099, the previous sentence about credits does not apply, and Order Forms related to such existing subscriptions shall be considered expired.

Unless otherwise provided in the applicable Agreement, any increase in subscription pricing for the first two renewal terms will not exceed 9% over the then-current subscription pricing in the immediately preceding term, provided that for each renewal (a) Customer renews its entire then-current subscription volume under this quote combined with any associated add-on Order Forms, and (b) the renewal term is the same duration as the Order Term of this quote or one year (whichever is longer). Thereafter, or upon the first such renewal that does not meet the aforementioned criteria for Customer to benefit from the above price cap, any increase in subscription and support pricing will be in accordance with SFDC's pricing and policies in effect at the time of the renewal or as otherwise agreed to by the parties.

Notwithstanding the foregoing, any consumption-based Services which are subject to a rate card as set forth in the product terms for the applicable Services and any support or resource-based Services are not subject to any price increase limitations.

Product Special Terms

Tableau Services

Tableau Software and/or Tableau Cloud Services are subject to the Order Form Supplement for Tableau Products available at www.tableau.com/ofs which is hereby made part of this quote.

ATTACHMENT A

Vendor Questions and Agency Response

Visual Data Analytics Software, Tableau or Equal

1. **What is the estimated budget or not-to-exceed amount allocated for this procurement?**

Agency Response: Per West Virginia State Code § 5A-3-11a, the maximum budgeted amount allocated for a procurement cannot be disclosed to any vendor prior to the formal award of the contract. Consequently, the state agency is legally prohibited from sharing the estimated budget or a not-to-exceed amount during the bidding phase.

2. **Please identify the current vendor or reseller providing the agency's existing Tableau licenses and support services.**

Agency Response: Requesting copies of previously awarded contracts, other solicitations, or documents related to previous contracts through the question and answer process included in this solicitation is not appropriate. Requests for documentation of this nature can be obtained by interested parties through a Freedom of Information Act request to purchasingfoia@wv.gov

3. **Is the current vendor eligible to compete for this opportunity?**

Agency Response: Yes. The current vendor is fully eligible to compete for this procurement opportunity, provided they remain in good standing with the state, maintain active business registration, and are not on the state's debarred vendors list.

4. **GenSigma LLC is a Virginia-licensed business. May we submit a bid before completing registration with the West Virginia Purchasing Division, provided the registration is completed before contract award?**

Agency Response: Yes, GenSigma LLC may submit its bid prior to completing registration. The West Virginia Vendor Registration Guide permits out-of-state vendors to respond to a solicitation before registering. However, full registration through the wvOASIS Vendor Self-Service portal must be successfully processed and finalized before a contract can be formally awarded.

5. **May the applicable \$125 West Virginia Purchasing Division registration fee be paid after notice of intended award but before the final contract award?**

Agency Response: Yes, the fee can be paid after the notice of intended award but before the final contract award. Under West Virginia Code of State Rules [§ 148-1-6], the \$125 annual registration fee must be paid prior to contract execution. Paying immediately after

receiving a notice of intent to award ensures compliance right before the state signs the final agreement.
