Thank you for your registration with the West Virginia Purchasing Division (expiring **8/21/2027**). As a state vendor, the enclosed hard copy of the *West Virginia Purchasing Bulletin* is a courtesy mailing from our agency to inform your business of current opportunities in the State of West Virginia's public procurement process. Originally published in 1989, the *West Virginia Purchasing Bulletin* is now updated continuously in the Vendor Self-Service portal at wvOASIS.gov and contains bid opportunities expected to exceed \$20,000. However, state agencies may also use the portal to advertise opportunities of any estimated value. **Full solicitation documents are available for download in the VSS portal at wvOASIS.gov under "View Published Solicitations."**

It is important to note that the enclosed document includes two types of state procurement opportunities, distinguished by an "A" or "C" prefix under "Doc Cd," indicating whether the solicitation is being administered by an agency or the central Purchasing Division. Critically, prior to the date and time of the bid opening, vendor responses to agency-level solicitations must be returned to the specific state office indicated within, and responses to centralized solicitations must be returned to the Purchasing Division office at 2019 Washington Street, E., Charleston, WV 25305.

To receive electronic notification of solicitation opportunities, specific guidance for updating your procurement record, [wvOASIS](http://wvOASIS.gov) vendor # 000000208866, to receive commodity-based email alerts can be found in the enclosed instructions. Currently, the individual with permission to access your account and make changes is MELISA BAKER. If this person is no longer the appropriate contact with your organization, please update the information.
