Mandatory Plan for Shift Coverage

1. Platform-Driven Scheduling & Dispatch

ShiftKey utilizes its marketplace scheduling interface to broadcast open shift requests provided by WVVNF schedulers. When WVVNF posts shift requirements (PRN or term assignments), the platform automatically alerts verified, pre-credentialed local professionals based on discipline (RN, LPN, HSW) and facility preferences.

- *2-Hour Confirmation Window: ShiftKey guarantees confirmation of required shift coverage at least two (2) hours prior to the start of any shift in compliance with Section 4.16.*
- *Call-Off Management & Immediate Backfill: In the event of a worker call-off, the ShiftKey platform automatically flags the shift as urgent and dispatches immediate notifications to local back-up personnel to fill the vacancy within two hours.*

2. Weekend, Holiday & Shift Coverage Strategy

Rather than relying on fixed individual worker rotations, ShiftKey utilizes a high-capacity marketplace model designed to maintain an expansive pool of credentialed local healthcare professionals (RNs, LPNs, HSWs).

- *On-Demand Capacity: ShiftKey's primary objective is to maintain a local provider network large enough to absorb facility demand across all shifts, eliminating the need to enforce rigid rotation schedules on individual workers.*
- *Weekend & Holiday Coverage: WVVNF posts weekend, night, and holiday requirements directly to the platform. By broadcasting these opportunities to a deep pool of local independent providers, WVVNF secures reliable coverage—even during high-demand or holiday periods—without risking single-worker burnout.*
- *Flexible Coverage Scaling: Because the talent pool is continuously maintained and pre-credentialed, WVVNF can scale shift requests up or down seamlessly based on census fluctuations and internal facility staffing needs.*

3. Facility Control & Policy Enforcement (DNR Process)

ShiftKey recognizes that WVVNF must maintain strict operational standards and clinical oversight within the facility.

- *Total Facility Discretion (Do Not Return / DNR): WVVNF retains full control over which providers are permitted to work inside the facility. If a worker exhibits attendance issues (such as a call-off or no-show) or fails to meet facility standards, WVVNF is not burdened with managing complex disciplinary tracks or collecting doctor's excuses.*
- *Instant DNR Execution: WVVNF management can exercise the Do Not Return (DNR) option directly through the platform interface. Placing a provider on DNR status immediately and permanently blocks that individual from viewing, requesting, or booking any future shifts at WVVNF.*
- *Chain of Command: While on site, all deployed personnel report directly through designated WVVNF leadership (LPN → RN Supervisor → Unit Manager → ADON → DON).*

Mandatory Recruiting Plan for Clarksburg, WV Area

(Submitted in compliance with Specification Section 3.6.2)

1. Targeted Regional Sourcing & Digital Recruitment

Vendor leverages dedicated digital recruitment infrastructure to continuously attract and engage credentialed healthcare workers within a 50-mile commuting radius of WVVNF (Clarksburg, WV), spanning Harrison, Marion, Lewis, Taylor, and Monongalia counties:

- **Geotargeted Digital Campaigns:** Executing localized recruitment campaigns across primary healthcare job networks and digital channels targeted specifically to professionals living near Clarksburg.
- **Proactive Local Outreach:** Direct engagement with licensed RNs, LPNs, and HSWs/CNAs in the region to build a deep, active pool of providers ready to cover shifts at WVVNF (1 Freedom Way, Clarksburg, WV 26301).

2. Talent Pool Building & Streamlined Compliance

Rather than relying on traditional agency pipelines, Vendor maintains a continuous marketplace presence that actively attracts local providers and moves them efficiently through compliance:

- **Streamlined Credentialing Pipeline:** Dedicated compliance specialists assist local applicants through the onboarding workflow—including WV CARES background processing, 10-panel drug screening, and required local certifications (such as the WV Food Handler Card)—minimizing time-to-placement.
- **Competitive Marketplace Rates & Provider Retention:** The ShiftKey platform provides competitive payout structures and complete schedule flexibility. This combination keeps local providers actively engaged on the platform, ensuring strong retention and consistent shift coverage for WVVNF without reliance on travel staff.

Credentialing & Pre-Placement Compliance Workflow

ShiftKey is actively registered with WV CARES. Prior to placing any professional at the West Virginia Veterans Nursing Facility (WV VNF), ShiftKey will provide the Director of Nursing (DON) with full personnel files at Vendor's expense:

- **WV CARES Background Check:** Full clearance through the West Virginia Clearance for Access: Registry & Employment Screening program.
- **10-Panel Drug Screening:** Passed test panel covering Amphetamines, Barbiturates, Benzodiazepines, Cocaine, Methadone, Opiates, PCP, Propoxyphene, THC, and Oxycodone.
- **Licensure Verification:** Active license/certification in good standing with the West Virginia Board of Nursing (RN/LPN) or West Virginia Nurse Aide Registry (HSW/CNA) with no substantiated investigations or pending disciplinary actions.
- **Certifications & Cards:** Active CPR card, valid West Virginia Food Handlers Card (enabling participation in meal pass duties), and High School Diploma/GED (for HSWs).
- **Health & Immunizations:** PPD/TB screening results and Hepatitis B vaccination series documentation.
- **Facility Orientation:** Completion of WV VNF facility orientation, PointClickCare (PCC) training, medication administration training, and 30 hours of mandatory Alzheimer's training.

Implementation & Onboarding Timeline (15-Day Roadmap)

(Demonstrates immediate readiness upon contract award)

- **Days 1–3: Account Setup & Scheduler Onboarding**
 - Execute contract and establish WVVNF account profile in the ShiftKey portal.
 - Conduct virtual or on-site platform training for WVVNF schedulers and DON leadership.
 - Establish direct escalation communication channels with Richard Goss and Kyle Kidwell.
- **Days 4–8: Regional Network Activation & Credentialing**
 - Broadcast targeted notifications to pre-credentialed local RNs, LPNs, and HSWs within a 50-mile radius of Clarksburg.

- **Days 9–12: Compliance Audit & Facility Specific Readiness**

CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

If funding becomes unavailable, then the State may terminate this Contract upon notice to the vendor. Non-appropriation or non-funding is not an event of default, and all work shall cease upon termination.
3. **TERMINATION FOR CONVENIENCE** – The State may terminate this Contract for convenience upon thirty (30) days written notice to the Vendor. This Contract is automatically terminated if the assignment is to a person or entity with whom the State is prohibited from doing business. In that circumstance, Vendor agrees to pay the State a pro-rata refund equal to the cost paid for the unused portion of the commodity or service provided. The State may assign this Contract to another State agency, board or commission upon thirty (30) days written notice to the Vendor.
9. **RENEWAL/MODIFICATION** – This Contract may be renewed, extended, amended, or modified only by written agreement signed by both parties and approved, as to form, by the Attorney General. Any automatic renewal or modification provision is deleted.

Before contract termination, the Vendor agrees to coordinate with the State, to either (1) destroy the Data or (2) return it to the State in the format requested by the State. This shall be done without further conditions, costs, or delays.

3. Obligations of Associate.

- a. **Stated Purposes Only.** The PHI may not be used by the Associate for any purpose other than as stated in this Addendum or as required or permitted by law.
- b. **Limited Disclosure.** The PHI is confidential and will not be disclosed by the Associate other than as stated in this Addendum or as required or permitted by law. Associate is prohibited from directly or indirectly receiving any remuneration in exchange for an individual's PHI unless Agency gives written approval and the individual provides a valid authorization. Associate will report to Agency any use or disclosure of the PHI, including any Security Incident not provided for by this Agreement of which it becomes aware.
- c. **Safeguards.** The Associate will use appropriate safeguards, and comply with Subpart C of 45 CFR Part 164 with respect to electronic protected health information, to prevent use or disclosure of the PHI, except as provided for in this Addendum. This shall include, but not be limited to:

 - ii. Appropriate notification and training of its workforce and agents in order to protect the PHI from unauthorized use and disclosure;
 - iii. Maintenance of a comprehensive, reasonable and appropriate written PHI privacy and security program that includes administrative, technical and physical safeguards appropriate to the size, nature, scope and complexity of the Associate's operations, in compliance with the Security Rule;
 - iv. In accordance with 45 CFR §§ 164.502(e)(1)(ii) and 164.308(b)(2), if applicable, ensure that any subcontractors that create, receive, maintain, or transmit protected health information on behalf of the business associate agree to the same restrictions, conditions, and requirements that apply to the business associate with respect to such information.
- d. **Compliance With Law.** The Associate will not use or disclose the PHI in a manner in violation of existing law and specifically not in violation of laws relating to confidentiality of PHI, including but not limited to, the Privacy and Security Rules.
- e. **Mitigation.** Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Associate of a use or disclosure of the PHI by Associate in violation of the requirements of this Addendum, and report its mitigation activity back to the Agency.

f. Support of Individual Rights.

- i. **Access to PHI.** Associate shall make the PHI maintained by Associate or its agents or subcontractors in Designated Record Sets available to Agency for inspection and copying, and in electronic format, if requested, within ten (10) days of a request by Agency to enable Agency to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 CFR § 164.524 and consistent with Section 13405 of the HITECH Act.
- ii. **Amendment of PHI.** Within ten (10) days of receipt of a request from Agency for an amendment of the PHI or a record about an individual contained in a Designated Record Set, Associate or its agents or subcontractors shall make such PHI available to Agency for amendment and incorporate any such amendment to enable Agency to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 CFR § 164.526.
- iii. **Accounting Rights.** Within ten (10) days of notice of a request for an accounting of disclosures of the PHI, Associate and its agents or subcontractors shall make available to Agency the documentation required to provide an accounting of disclosures to enable Agency to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 CFR § 164.528 and consistent with Section 13405 of the HITECH Act. Associate agrees to document disclosures of the PHI and information related to such disclosures as would be required for Agency to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR § 164.528. This should include a process that allows for an accounting to be collected and maintained by Associate and its agents or subcontractors for at least six (6) years from the date of disclosure, or longer if required by state law. At a minimum, such documentation shall include:
 - the date of disclosure;
 - the name of the entity or person who received the PHI, and if known, the address of the entity or person;
 - a brief description of the PHI disclosed; and
 - a brief statement of purposes of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure.
- iv. **Request for Restriction.** Under the direction of the Agency, abide by any individual's request to restrict the disclosure of PHI, consistent with the requirements of Section 13405 of the HITECH Act and 45 CFR § 164.522, when the Agency determines to do so (except as required by law) and if the disclosure is to a health plan for payment or health care operations and it pertains to a health care item or service for which the health care provider was paid in full "out-of-pocket."
- v. **Immediate Discontinuance of Use or Disclosure.** The Associate will immediately discontinue use or disclosure of Agency PHI pertaining to any individual when so requested by Agency. This includes, but is not limited to, cases in which an individual has withdrawn or modified an authorization to use or disclose PHI.

- g. **Retention of PHI.** Notwithstanding section 4.a. of this Addendum, Associate and its subcontractors or agents shall retain all PHI pursuant to state and federal law and shall continue to maintain the PHI required under Section 3.f. of this Addendum for a period of six (6) years after termination of the Agreement, or longer if required under state law.
- h. **Agent's, Subcontractor's Compliance.** The Associate shall notify the Agency of all subcontracts and agreements relating to the Agreement, where the subcontractor or agent receives PHI as described in section 2.a. of this Addendum. Such notification shall occur within 30 (thirty) calendar days of the execution of the subcontract and shall be delivered to the Agency Procurement Officer. The Associate will ensure that any of its subcontractors, to whom it provides any of the PHI it receives hereunder, or to whom it provides any PHI which the Associate creates or receives on behalf of the Agency, agree to the restrictions and conditions which apply to the Associate hereunder. The Agency may request copies of downstream subcontracts and agreements to determine whether all restrictions, terms and conditions have been flowed down. Failure to ensure that downstream contracts, subcontracts and agreements contain the required restrictions, terms and conditions may result in termination of the Agreement.
- j. **Federal and Agency Access.** The Associate shall make its internal practices, books, and records relating to the use and disclosure of PHI, as well as the PHI, received from, or created or received by the Associate on behalf of the Agency available to the U.S. Secretary of Health and Human Services consistent with 45 CFR § 164.504. The Associate shall also make these records available to Agency, or Agency's contractor, for periodic audit of Associate's compliance with the Privacy and Security Rules. Upon Agency's request, the Associate shall provide proof of compliance with HIPAA and HITECH data privacy/protection guidelines, certification of a secure network and other assurance relative to compliance with the Privacy and Security Rules. This section shall also apply to Associate's subcontractors, if any.
- k. **Security.** The Associate shall take all steps necessary to ensure the continuous security of all PHI and data systems containing PHI. In addition, compliance with 74 FR 19006 Guidance Specifying the Technologies and Methodologies That Render PHI Unusable, Unreadable, or Indecipherable to Unauthorized Individuals for Purposes of the Breach Notification Requirements under Section 13402 of Title XIII is required, to the extent practicable. If Associate chooses not to adopt such methodologies as defined in 74 FR 19006 to secure the PHI governed by this Addendum, it must submit such written rationale, including its Security Risk Analysis, to the Agency Procurement Officer for review prior to the execution of the Addendum. This review may take up to ten (10) days.
- l. **Notification of Breach.** During the term of this Addendum, the Associate shall notify the Agency and, unless otherwise directed by the Agency in writing, the WV Office of Technology immediately by e-mail or web form upon the discovery of any Breach of unsecured PHI; or within 24 hours by e-mail or web form of any suspected Security Incident, intrusion or unauthorized use or disclosure of PHI in violation of this Agreement and this Addendum, or potential loss of confidential data affecting this Agreement. Notification shall be provided to the Agency Procurement Officer at www.state.wv.us/admin/purchase/vrc/agencyli.htm and,

unless otherwise directed by the Agency in writing, the Office of Technology at incident@wv.gov or <https://apps.wv.gov/ot/ir/Default.aspx>.

The Associate shall immediately investigate such Security Incident, Breach, or unauthorized use or disclosure of PHI or confidential data. Within 72 hours of the discovery, the Associate shall notify the Agency Procurement Officer, and, unless otherwise directed by the Agency in writing, the Office of Technology of: (a) Date of discovery; (b) What data elements were involved and the extent of the data involved in the Breach; (c) A description of the unauthorized persons known or reasonably believed to have improperly used or disclosed PHI or confidential data; (d) A description of where the PHI or confidential data is believed to have been improperly transmitted, sent, or utilized; (e) A description of the probable causes of the improper use or disclosure; and (f) Whether any federal or state laws requiring individual notifications of Breaches are triggered.

Agency will coordinate with Associate to determine additional specific actions that will be required of the Associate for mitigation of the Breach, which may include notification to the individual or other authorities.

All associated costs shall be borne by the Associate. This may include, but not be limited to costs associated with notifying affected individuals.

If the Associate enters into a subcontract relating to the Agreement where the subcontractor or agent receives PHI as described in section 2.a. of this Addendum, all such subcontracts or downstream agreements shall contain the same incident notification requirements as contained herein, with reporting directly to the Agency Procurement Officer. Failure to include such requirement in any subcontract or agreement may result in the Agency's termination of the Agreement.

- m. **Assistance in Litigation or Administrative Proceedings.** The Associate shall make itself and any subcontractors, workforce or agents assisting Associate in the performance of its obligations under this Agreement, available to the Agency at no cost to the Agency to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against the Agency, its officers or employees based upon claimed violations of HIPAA, the HIPAA regulations or other laws relating to security and privacy, which involves inaction or actions by the Associate, except where Associate or its subcontractor, workforce or agent is a named as an adverse party.

4. Addendum Administration.

- a. **Term.** This Addendum shall terminate on termination of the underlying Agreement or on the date the Agency terminates for cause as authorized in paragraph (c) of this Section, whichever is sooner.
- b. **Duties at Termination.** Upon any termination of the underlying Agreement, the Associate shall return or destroy, at the Agency's option, all PHI received from, or created or received by the Associate on behalf of the Agency that the Associate still maintains in any form and retain no copies of such PHI or, if such return or destruction is not feasible, the Associate shall extend the protections of this Addendum to the PHI and limit further uses and disclosures to the purposes that make the return or destruction of the PHI infeasible. This shall also apply to all agents and subcontractors of Associate. The duty of the Associate and its agents

and subcontractors to assist the Agency with any HIPAA required accounting of disclosures survives the termination of the underlying Agreement.

- c. **Termination for Cause.** Associate authorizes termination of this Agreement by Agency, if Agency determines Associate has violated a material term of the Agreement. Agency may, at its sole discretion, allow Associate a reasonable period of time to cure the material breach before termination.
- d. **Judicial or Administrative Proceedings.** The Agency may terminate this Agreement if the Associate is found guilty of a criminal violation of HIPAA. The Agency may terminate this Agreement if a finding or stipulation that the Associate has violated any standard or requirement of HIPAA/HITECH, or other security or privacy laws is made in any administrative or civil proceeding in which the Associate is a party or has been joined. Associate shall be subject to prosecution by the Department of Justice for violations of HIPAA/HITECH and shall be responsible for any and all costs associated with prosecution.
- e. **Survival.** The respective rights and obligations of Associate under this Addendum shall survive the termination of the underlying Agreement.

5. General Provisions/Ownership of PHI.

- a. **Retention of Ownership.** Ownership of the PHI resides with the Agency and is to be returned on demand or destroyed at the Agency's option, at any time, and subject to the restrictions found within section 4.b. above.
- b. **Secondary PHI.** Any data or PHI generated from the PHI disclosed hereunder which would permit identification of an individual must be held confidential and is also the property of Agency.
- c. **Electronic Transmission.** Except as permitted by law or this Addendum, the PHI or any data generated from the PHI which would permit identification of an individual must not be transmitted to another party by electronic or other means for additional uses or disclosures not authorized by this Addendum or to another contractor, or allied agency, or affiliate without prior written approval of Agency.
- d. **No Sales.** Reports or data containing the PHI may not be sold without Agency's or the affected individual's written consent.
- e. **No Third-Party Beneficiaries.** Nothing express or implied in this Addendum is intended to confer, nor shall anything herein confer, upon any person other than Agency, Associate and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.
- f. **Interpretation.** The provisions of this Addendum shall prevail over any provisions in the Agreement that may conflict or appear inconsistent with any provisions in this Addendum. The interpretation of this Addendum shall be made under the laws of the state of West Virginia.
- g. **Amendment.** The parties agree that to the extent necessary to comply with applicable law they will agree to further amend this Addendum.
- h. **Additional Terms and Conditions.** Additional discretionary terms may be included in the release order or change order process.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3 (Form 1065). See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

SHIFTKEY SUPPLEMENTAL RIDER AND CLARIFICATION ADDENDUM

To CRFQ 0613 VNF2700000001 — Direct Care Staffing Services

West Virginia Veterans Nursing Facility, Clarksburg, WV

This Rider by ShiftKey, LLC (“ShiftKey”) supplements and, where applicable amends the terms of the document CRFQ 0613 VNF2700000001 issued by the West Virginia Department of Administration, Purchasing Division, on behalf of the WV Veterans Nursing Facility (the “Solicitation” or “Contract”). This Rider does not alter the West Virginia General Terms and Conditions or Specifications except as expressly stated below, and is intended to clarify ShiftKey’s role as a technology marketplace, not a traditional staffing agency or employer of record, for purposes of the resulting Contract. This Rider is effective and binding on the parties upon the earlier of: (a) signature by both parties below, or (b) Agency’s use of the ShiftKey Platform.

ARTICLE 1 — PLATFORM STATUS; NOT A STAFFING AGENCY

ShiftKey operates a technology platform (the “Platform”) that connects independently credentialed healthcare professionals (“Professionals”) with healthcare facilities that post open shifts. ShiftKey does not itself employ, dispatch, assign, or supervise Professionals. Professionals using the Platform are independent contractors who accept or decline posted shifts at their own discretion.

Any reference in the Contract to “Staffing Agency,” “Vendor’s employees,” or similar terms shall be understood, as between the Agency and ShiftKey, to mean ShiftKey in its capacity as operator of the Platform facilitating access to independently contracted Professionals, and not as an admission that ShiftKey directly employs, supervises, or controls the day-to-day clinical work of any Professional.

ARTICLE 2 — NO EMPLOYER-OF-RECORD STATUS

Notwithstanding General Terms and Conditions §35 (Vendor Relationship), ShiftKey does not act as the employer of record for Professionals placed through the Platform. Professionals are solely responsible for their own federal and state income tax obligations, self-employment tax, and any benefits elections. ShiftKey does not withhold payroll taxes, remit employer-side Social Security or Medicare contributions, or provide workers’ compensation coverage for Professionals as their employer. Neither Agency nor ShiftKey shall be deemed the employer of the Professionals by virtue of the Contract.

ShiftKey will maintain commercial general liability insurance and, where applicable, professional liability coverage consistent with its role as a marketplace operator, in the amounts set forth in General Terms and Conditions §8. Workers’ compensation coverage under General Terms and Conditions §9 shall apply only to ShiftKey’s own W-2 employees and not to independent contractor Professionals.

ARTICLE 3 — WORKER PERFORMANCE; DO-NOT-RETURN (DNR) PROCESS

In place of the guaranteed-fill and enforced-rotation obligations described in Specifications §4.17 and §4.27–§4.28, ShiftKey will use commercially reasonable efforts to promptly post or assist Agency to post any open or call-off shift to the Platform for acceptance by other credentialed Professionals. ShiftKey cannot guarantee that a specific Professional will accept a specific shift or adhere to a fixed rotation schedule, as Professionals retain sole discretion to accept or decline shifts.

If the Facility determines that a Professional's conduct or performance does not meet Facility standards, the Facility may notify ShiftKey using ShiftKey's standard Do-Not-Return ("DNR") process, and ShiftKey will remove that Professional's access to future shifts at the Facility. The Facility retains the right to direct a Professional to leave the premises for safety or conduct reasons at any time; any related discipline of the Professional as an individual (as opposed to removal from future Facility shifts) is between the Facility and the Professional directly, consistent with the Professional's status as an independent contractor and not a ShiftKey employee.

ARTICLE 4 — CREDENTIALING SCOPE LIMITATION

ShiftKey will facilitate collection of the credentialing items identified in Specifications §4.5 through §4.10 (including WV Cares background checks, drug screening, CPR certification, immunization records, and licensure confirmation) to the extent explicitly set forth in the Contract. ShiftKey's role is to verify that a Professional holds current, valid, independent credentials — not to independently investigate disciplinary history beyond what is publicly available through the applicable licensing board's disclosure systems. To the extent ShiftKey does not validate the credentialing items in Specifications §4.5 through §4.10, ShiftKey will assist Agency in configuring its account to require such items from the Professionals prior to such Professional's performance of services for Agency.

Facility-specific training obligations — including PCC (Point Click Care) training, Facility orientation, and the 30-hour Alzheimer's training (plus annual 8-hour recertification) described in Specifications §4.9–§4.10 — are not required for Professionals to register on the Platform but ShiftKey will assist the Agency to configure the Agency's Platform account to require such conditions for any Professional to accept shifts from Agency. Because the Professionals are not employees of ShiftKey, Sections 4.10.1 through 4.10.3 will be waived and the Agency will pay for any hours worked by Professionals, subject to Article 5 below.

ARTICLE 5 — SHIFT CANCELLATION NOTICE

Specifications §4.35 shall provide that if the Facility cancels a confirmed shift with less than four (4) hours' notice, the Facility will pay the Professional (through ShiftKey) for a minimum of two (2) hours at the applicable hourly rate, consistent with standard marketplace practice for confirmed-then-cancelled shifts. This provision is intended to preserve Professional participation and Platform reliability at the Facility, and does not modify the Facility's right to cancel a shift.

ARTICLE 6 — DISPUTE RESOLUTION FOR UNDISPUTED INVOICES

ShiftKey acknowledges General Terms and Conditions §23 (deleting all arbitration provisions) and §10 (Venue; WV Claims Commission) as mandatory terms of the Solicitation and does not propose to alter the Agency's or Purchasing Division's general dispute-resolution framework. For invoices that are undisputed and supported by a Facility-approved, signed timesheet under Specifications §7, the parties agree to a 15-business-day informal resolution period before either party is required to initiate a formal proceeding, to reduce administrative burden on both sides for routine, non-contested payment matters.

ARTICLE 7 — PAYMENT TERMS

ShiftKey requests that the Contract specify a payment term of Net 30 days from the Facility's approval of a Specifications §7 invoice (rather than an undefined payment timeline), and that, to the extent permitted under West Virginia law and Purchasing Division policy, invoices unpaid more than 30 days after Facility approval accrue interest at the statutory rate applicable to state contracts. ShiftKey will continue to submit weekly invoices in arrears, supported by signed timesheets, as required by Specifications §7.

ARTICLE 8 — GENERAL PROVISIONS

1. Precedence: In the event of a direct conflict between this Rider and the General Terms and Conditions or Specifications on a non-mandatory term, this Rider will govern; mandatory statutory or regulatory terms of the Solicitation control over this Rider in all required cases and in all terms that do not conflict with this Rider.
2. Severability: If any provision of this Rider is found invalid or unenforceable, the remaining provisions remain in full force and effect.
3. No Waiver: Nothing in this Rider waives ShiftKey's right to raise additional clarifications or exceptions through the Solicitation's official vendor-question process.
4. Entire Agreement: This Rider, together with the Contract, constitutes the entire agreement between the parties concerning the subject matter herein and supersedes any prior negotiations or understandings not reflected in the executed Contract.
