Answers to Vendor Questions

Q1 - Ink Specifications

The solicitation states that the document may be printed using any standard printing method that produces clear, clean, and sharp text. Please confirm whether the MV-1 schedule and cover letter are to be printed in black ink only or if color printing is required or acceptable.

A1 - Color printing is required.

Q2 - Paper Stock

Section 3.1.1.2 identifies the document as two 8.5" x 11" sheets but does not specify paper weight. Please confirm the required paper stock (e.g., 20 lb. white bond) for both sheets.

A2 - 20lb paper is acceptable

Q3 - Lowest Possible Postage Rate

Section 3.1.3.2 requires the vendor to provide mailing services using a method that provides the Tax Division with the "lowest possible postage rate." Please clarify:

- **Is the State expecting USPS Marketing Mail, First-Class Presort, or another specific mail class?**
- **May the vendor utilize commingling, co-mailing, postal optimization, or other USPS-approved methods to achieve the lowest available postage rate?**

A3 - The selected vendor is allowed to use any method they deem appropriate in order to obtain the best available postage discount(s).

Q4 - Instruction Sheet Processing

Section 3.1.1.2 states that Page 2 consists of the instructions with a blank reverse side. Please confirm whether the instruction sheet may be produced and inserted as a separate insert during the mailing process, provided all content requirements are met.

A4 - The WV Tax Division will provide the selected vendor with a PDF file(s) that will contain all of the MV-1 records, which will include both pages as described in the RFQ.

Q5 - Mail Release Date

Section 3.1.3.2 states that the schedules are to be released for mailing on a date specified by the West Virginia Tax Division between January 2, 2027, and January 16, 2027. Please clarify:

- **How will the specific mail date be determined?**
- **How much advance notice will the successful vendor receive regarding the selected release date?**

A5 - The mail release date will be determined once the WV Tax Division has all data, and has worked with the selected vendor on the mail printing and processing. Once we get closer towards the end of the year, we will be able to better determine the mailing date.

Q6 - Production Start Date

Following proof approval and receipt of the Agency Delivery Order, when does the Agency anticipate providing the PDF data files and authorizing production to begin?

A6 - This will be determined based on receipt of data from the Counties, processing time for that data, and working with the selected vendor on transferring the files, testing, and proof creation.

Q7 - Mailing Window and Distribution Schedule

The solicitation requires mailing standard orders within 14 calendar days after letter files are received. Please clarify:

- **Will the approximately 800,000 pieces be released as a single mailing project, or in multiple batches?**
- **If mailed in multiple batches, what is the anticipated mailing schedule and volume range for each release?**
- **Is there a required completion period for all mail to enter the USPS system after the designated release date?**

A7 - There will be one main mailing, containing the majority of the files, with possible much smaller subsequent mailing(s). All mailings have to be in the USPS system no later than 1/31/27.

Q8 - Can a sample of the current MV-1 Motor Vehicle Property letter be provided?

A8 - Yes, we can provide a sample MV-1

Q9 - Can a sample of the current printed envelope be provided?

A9 - The envelope is up to the vendor's discretion, based on the requirements set forth in the RFQ.

Q10 - Has an addendum been issued for this bid?

A10 – No.

Q11 - Where can we find any released addenda?

A11 - N/A

Our records indicate that you have paid personal property taxes on one or more vehicles in West Virginia and may be eligible for the Motor Vehicle Property Tax Adjustment Credit. The enclosed MV-1 Credit Certificate states the amount that you are entitled to claim as a tax credit on your 2025 West Virginia income taxes. The amount of tax credit is listed on the MV-1 under Eligible Amount Paid on Time.

You may be eligible for the tax credit if:

1. You paid West Virginia personal property taxes on a Class A, B, G, H, T, V or X vehicle or an all-terrain vehicle, and
2. You paid your personal property taxes on your vehicle timely. That means the first half of the assessment was paid before October 1st and the second half was paid before April 1st.

The credit is only available for the actual tax paid. If an early payment discount is applied, the credit is limited to the amount actually paid after deduction of the discount. If you have paid personal property taxes on vehicles in multiple counties, you will receive a letter and MV-1 Credit Certificate from the Tax Division for each county.

Automobile dealerships and rental car companies are not eligible to claim the Motor Vehicle Property Tax Adjustment Credit. If you are an automobile dealership or a rental car company and have received this letter, please disregard.

Please review the instructions included with this letter on how to properly file and claim the Motor Vehicle Tax Adjustment Credit. You may visit www.tax.wv.gov for more information about how to file or submit your claim. For more information on how to file, eligibility, or submitting your claim, contact Taxpayer Services at (304) 558-3333, (800) 982-8297, or via email at TaxHelp@wv.gov.

B 5 4 0 3 2 6 0 1 A

You must follow the instructions listed below in order to claim this credit. Failure to follow the instructions and complete necessary documentation will result in denial of your credit claim.

Answer the question “Are you required to file a federal return?”

- **"Yes":** If you are required to file a federal tax return, you are required to file a WV Tax Return. You must submit the MV-1 with your WV Tax Return. If you are claiming any other credits, you must complete those additional credit schedules as well and submit them with your WV Tax Return. **Failure to submit a tax return and the necessary schedules and supporting documentation when required will result in denial of claims.**
- **Paper Filers:** Enter your social security number (SSN) on the MV-1 certificate where indicated. If filing a joint return, you must also enter your spouse's SSN. If filing as a business, use your EIN. You must submit the MV-1 certificate with your paper filing. If you are trying to claim any additional amounts you believe should be eligible, submit your paper receipts as well for consideration.
- **Electronic Filers:** You must include the credit claim number, noted in red on your MV-1 Certificate, with your electronic filing. If you are trying to claim any additional amounts you believe should be eligible, submit attachments of your paper receipts as well for consideration.
- **"No":** If you are not required to file a federal personal income tax return and are not claiming any other credits with your MV-1 credit other than the Senior Citizen Tax Credit (SCTC), you can file a claim for your refund by using the Tax Division's web portal at <https://mytaxes.wvtax.gov>. Select the online service “Claim The Motor Vehicle and/or Senior Citizen Property Tax Credit(s)” and follow the on-screen instructions.
- If you are not required to file an WV Tax Return but unable to submit through our online portal, you must follow the instructions under “Yes” and submit a completed WV Tax Return along with the MV-1 in order to claim your credit. **DO NOT SEND AN MV-1 CERTIFICATE OR SCTC IN WITHOUT A COMPLETED WV INCOME TAX RETURN. IT WILL BE DENIED.**
- If it is later determined that you are required to file a WV Tax Return, the return **MUST** be marked and completed as an amended return. Be sure to enter the amount of Motor Vehicle Tax Credit refund originally received.

“Vehicle Eligibility”

The Vehicle Eligibility section of your MV-1 Certificate provides some detailed information on the eligibility of the vehicles on your ticket(s). Based on the records available, each row should show:

- the type of vehicle,
- the class of the vehicle,
- if the ticket for that vehicle was paid on time or not, and
- total amount of the ticket attributable to that vehicle.

Some vehicles may be marked as “Ineligible” if:

- the class of the vehicle was not covered or unknown; or
- the ticket was associated with an ineligible business activity, such as a car dealership, taxi service, or rental car company.

For taxpayers with more vehicles than could be displayed on the letter or that need another copy of their letter, please visit our MyTaxes MV-1 letter portal.

25. WAIVER: The failure of either party to insist upon a strict performance of any of the terms or provision of this Contract, or to exercise any option, right, or remedy herein contained, shall not be construed as a waiver or a relinquishment for the future of such term, provision, option, right, or remedy, but the same shall continue in full force and effect. Any waiver must be expressly stated in writing and signed by the waiving party.

26. SUBSEQUENT FORMS: The terms and conditions contained in this Contract shall supersede any and all subsequent terms and conditions which may appear on any form documents submitted by Vendor to the Agency or Purchasing Division such as price lists, order forms, invoices, sales agreements, or maintenance agreements, and includes internet websites or other electronic documents. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.

39. REPORTS: Vendor shall provide the Agency and/or the Purchasing Division with the following reports identified by a checked box below:

☐ Such reports as the Agency and/or the Purchasing Division may request. Requested reports may include, but are not limited to, quantities purchased, agencies utilizing the contract, total contract expenditures by agency, etc.

☐ Quarterly reports detailing the total quantity of purchases in units and dollars, along with a listing of purchases by agency. Quarterly reports should be delivered to the Purchasing Division via email at purchasing.division@wv.gov.

40. BACKGROUND CHECK: In accordance with W. Va. Code § 15-2D-3, the State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check. Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

41. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open hearth, basic oxygen, electric furnace, Bessemer or other steel making process.
- c. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
 1. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
 2. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

42. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a “substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

43. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE: W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$1 million, the Vendor must submit to the Agency a disclosure of interested parties prior to beginning work under this Contract. Additionally, the Vendor must submit a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-work interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.

44. PROHIBITION AGAINST USED OR REFURBISHED: Unless expressly permitted in the solicitation published by the State, Vendor must provide new, unused commodities, and is prohibited from supplying used or refurbished commodities, in fulfilling its responsibilities under this Contract.

45. VOID CONTRACT CLAUSES: This Contract is subject to the provisions of West Virginia Code § 5A-3-62, which automatically voids certain contract clauses that violate State law.

46. ISRAEL BOYCOTT: Bidder understands and agrees that, pursuant to W. Va. Code § 5A-3-63, it is prohibited from engaging in a boycott of Israel during the term of this contract.

DESIGNATED CONTACT: Vendor appoints the individual identified in this Section as the Contract Administrator and the initial point of contact for matters relating to this Contract.

Authorized users may sign in to select approved print, mail, and fulfillment items; enter order details; upload mailing data or other required files; review visual proofs and applicable costs; and submit orders for processing.

The system can also provide order confirmations, automated notifications, production and delivery status, inventory visibility, and storefront usage reporting. Agency-specific catalogs, workflows, approval requirements, and user permissions can be configured during implementation.
