

DOCUMENTS REQUIRED FROM AGENCY FOR AN EMERGENCY PURCHASE

Emergency Purchase: A purchase made when unforeseen circumstances arise, including delays by contractors, delays in transportation and unanticipated volume of work. A report of any such purchase, together with a record of competitive bids upon which it was based, is to be submitted to the Purchasing Director. Emergency purchases are not used for hardship resulting from neglect, poor planning or lack of organization by the spending unit. Failure to plan does not make it an emergency situation.

The information below is a checklist of agency responsibilities in processing an Emergency Purchase. Please note that while this information is accurate in most cases, there may be occasion where additional information may be needed or required.
