## INTRODUCTION

The Purchasing Division is broadly charged with the development and oversight of the procurement functions of state spending units under its authority. That authority is found in Chapter 5A, Article 3 of the West Virginia Code, and Title 148, Series 1, of the West Virginia Code of State Rules. That mandate requires that the Purchasing Division “appoint inspectors to review and audit spending unit requests and purchases and other transactions and performance.” W. Va. CSR § 148-1-4.14. The Purchasing Division’s Inspection Services Unit performs this function by regularly conducting inspections of all spending units subject to Purchasing Division oversight.

The Purchasing Division Inspection Services Unit conducted an onsite inspection of the Health Services, Bureau of Children and Families, Children and Adult Services for the period of July 1, 2018 – June 30, 2019. Notice of the inspection was provided on February 11, 2020, and the inspection commenced on February 26, 2020. The results of the inspection are contained within this report.

## SCOPE

The scope of the inspection was focused on determining whether the Health Services, Bureau of Children and Families, Children and Adult Service's procurement transactions for the period of July 1, 2018 – June 30, 2019 were, in all material respects, in compliance with applicable provisions of the West Virginia Code, the Code of State Rules and the Purchasing Division Procedures Handbook in effect during that time period.

Inspectors utilized spending unit payment transactions to identify potential violations with a primary focus on those transactions processed at the spending unit level without Purchasing Division involvement. Those transactions included, but were not limited to, agency delegated procurements, Section 9 procurements, agency delivery orders, General Accounting Expenditure ("GAX") payments, and P-Card payments. Notwithstanding this general focus, however, Inspectors can review any transaction or internal procurement operating procedures that they deem relevant.

As noted above, the transaction review was conducted to ensure compliance with applicable provisions of the West Virginia Code, the Code of State Rules and the Purchasing Division Procedures Handbook. More specifically, the scope of the inspection included, but was not limited to, an examination to determine if any of the following infractions had been committed:

- (1) Failure to bid at central level (Stringing)[Required to be reported to the Legislature twice annually]
- (2) Internal resources not utilized,
- (3) Statewide contract not utilized,
- (4) Failure to bid at delegated level,
- (5) Vendor registration unverified and wrong vendor fee exemption code utilized
- (6) Failure to verify compliance checks
  - a. Unemployment
  - b. Workers' compensation
  - c. Vendor status with Secretary of State's office
  - d. Debarred vendor list
- (7) Failure to include notarized Purchasing Affidavit,
- (8) Failure to issue wvOASIS procurement award document,
- (9) Lack of compliance with fixed asset requirements (asset tags),
- (10) Failure to include Certification of Non-Conflict of Interest form,
- (11) Miscellaneous Issues
  - a. Improper award (Unjustified award to other than lowest responsible bidder meeting specifications),
  - b. Leases exceeding six months not processed centrally
  - c. Other as needed

## SUMMARY

During the period under review, the spending unit processed 4,897 procurement transactions with a value of \$3,722,004.03. (These amounts are approximate, subject to reporting limitations from wvOASIS (including possible data entry error) and errors caused by elimination of duplicate results). Of those transactions, the Inspector selected 196 for review which represents approximately 4% of the total. This inspection of 196 selected transactions yielded 3 findings associated with 3 of the selected transactions. This means that approximately 1.5% of the transactions reviewed had one or more instances of noncompliance with applicable provisions of the West Virginia Code, the Code of State Rules and the Purchasing Division Procedures Handbook. The findings are further illustrated in the attached Findings Grid and Grading Sheet.

Based on the findings contained in this report, the Purchasing Division recommends the spending unit work to improve any areas of noncompliance. Given that the agency received a score of 99.2% A on the inspection and there was not a pattern of findings or one or more case of stringing, a formal Corrective Action plan is not required

## EXHIBIT A: DETAILED INSPECTION FINDINGS

---

### Issue 1: Failure to bid at central level (Stringing)

**Authority:** W. Va. Code § 5A-3-10; Procedures Handbook Section 6

**Explanation:** State law mandates that the Purchasing Division competitively bid for the purchase of commodities and services estimated to exceed twenty-five thousand dollars. The law also prohibits a spending unit from issuing a series of requisitions or divide or plan procurements to circumvent this twenty-five thousand dollar threshold. The transactions listed below violated this legal mandate and will be reported to the West Virginia Legislature as required by law.

**Transactions in Violation: (0 Instances)**

#### **Purchasing Division Recommendation:**

1. The Purchasing Division recommends that the spending unit establish central contracts through the Purchasing Division for each of the items included above and any other commodities or services that will exceed \$25,000 in a rolling 12 month period.
2. The Purchasing Division recommends that the spending unit utilize wvOASIS to create reports that will allow the spending unit to track spend and determine when spending is closing to exceeding the \$25,000 limit.
3. The Purchasing Division recommends that the spending unit forecast future needs for its commodities and services to determine in advance what should be procured at the central level.
4. The Purchasing Division recommends that the spending unit's procurement officer participate in training on this topic offered by the Purchasing Division and ensure that all procurement staff understand how to comply with this requirement moving forward.

## **Issue 2: Internal Resource Not Utilized**

**Authority:** W. Va. Code §§ 25-7-5 and 5A-3-10; Procedures Handbook Section 3.6.1

**Explanation:** State law mandates that certain social welfare programs be utilized prior to a spending unit obtaining commodities and services in the open market. Those programs include the Sheltered Workshops established to assist disabled individuals in finding employment, and the Correctional Industries program that provides prison inmates with meaningful work. The transactions listed below should have been obtained from one of these programs, or a waiver should have been obtained. The inspection revealed that the transactions were outside of the internal programs and no waiver was granted.

**Transactions in Violation: (0 Instances)**

### **Purchasing Division Recommendation:**

1. The Purchasing Division recommends that the spending unit personnel become familiar with what is available from internal sources and either procure those commodities and services from internal sources or obtain a waiver from the Purchasing Division.
2. The Purchasing Division recommends that the spending unit's procurement officer participate in training on this topic offered by the Purchasing Division and ensure that all procurement staff understand how to comply with this requirement moving forward.

### **Issue 3: Statewide Contract Not Utilized**

**Authority:** W. Va. CSR § 148-1-7.4.c.; Procedures Handbook Section 3.6.2

**Explanation:** The Purchasing Division has authority to establish contracts at a statewide level to secure economies of scale that would not be possible on an agency by agency basis. Once established, the Purchasing Division can mandate that spending units utilize those statewide contracts. For the transactions listed below, the spending unit has obtained the commodity or service in question outside of an available statewide contract without a valid waiver.

**Transactions in Violation: (0 Instances)**

#### **Purchasing Division Recommendation:**

1. The Purchasing Division recommends that the spending unit personnel become familiar with what is available from statewide contracts and either procure those commodities and services from statewide contracts or obtain a waiver from the Purchasing Division.
2. The Purchasing Division recommends that the spending unit's procurement officer participate in training on this topic offered by the Purchasing Division and ensure that all procurement staff understand how to comply with this requirement moving forward.

**Issue 4: Failure to bid at delegated level**

**Authority:** W. Va. Code § 5A-3-11(a); W. Va. CSR § 148-1-7.2; Procedures Handbook Section 5

**Explanation:** The Purchasing Division has established competitive bidding requirements that spending units must follow when procuring commodities and services below \$25,000, and above \$2,500.01. For those transactions listed below, the spending unit has failed to obtain and document competitive bids as required.

**Transactions in Violation: (0 Instances)**

**Purchasing Division Recommendation:**

1. The Purchasing Division recommends that the spending unit follow the requirements associated with each delegated spending limit.
2. The Purchasing Division recommends that the spending unit utilize wvOASIS to create reports that will allow the spending unit to track spend and determine when spending is closing to exceeding spending limits.
3. The Purchasing Division recommends that the spending unit forecast future needs for its commodities and services to determine in advance what should be competitively bid at delegated verbal and written bid levels.
4. The Purchasing Division recommends that the spending unit's procurement officer participate in training on this topic offered by the Purchasing Division and ensure that all procurement staff understand how to comply with this requirement moving forward.

## **Issue 5: Vendor Registration Unverified/Wrong Vendor Fee Exemption Code Utilized**

**Authority:** W. Va. CSR § 148-1-6.1; Procedures Handbook Section 4

**Explanation:** The agency must verify that the vendor is registered, and the registration fee paid, if applicable. The registration process includes having the proper disclosure of information in the wvOASIS vendor/customer account. Certain vendors are exempted from paying the vendor registration fee mandated by the authority referenced above. wvOASIS has created fee exemption codes that allow the spending unit to designate the appropriate exemption code on a transactional basis.

**Transactions in Violation: (0 Instances)**

### **Purchasing Division Recommendation:**

1. The Purchase Division recommends that the spending unit only utilize vendor fee exemption codes for transactions that would allow a vendor to avoid paying the vendor registration fee.
2. The Purchasing Division recommends that the spending unit's procurement officer participate in training on this topic offered by the Purchasing Division and ensure that all procurement staff understand how to comply with this requirement moving forward.
3. The Purchasing Division recommends that the spending unit contact the Vendor Registration section within the Purchasing Division if there is uncertainty about when and how to apply a vendor fee exemption code.

**Issue 6: Failure to Verify Compliance Checks**

**(Workers Comp, Unemployment, Sec. of State, Debarment)**

**Authority:** W. Va. CSR § 148-1-6.1.e.; Procedures Handbook Section 5.2.3.

**Explanation:** The authority cited above requires that a vendor be licensed and in good standing in accordance with all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or other state agencies or political subdivisions prior to being awarded a contract. The mandated compliance checks were not included in the transactions listed below.

**Transactions in Violation: (0 Instances)**

**Purchasing Division Recommendation:**

1. The Purchasing Division recommends that the spending unit perform all compliance checks mandated by the Handbook and properly document those compliance checks in the contract file.
2. The Purchasing Division recommends that the spending unit's procurement officer participate in training on this topic offered by the Purchasing Division and ensure that all procurement staff understand how to comply with this requirement moving forward.

### **Issue 7: Purchasing Affidavit Not Included**

**Authority:** W. Va. Code §§ 5A-3-10a and 5-22-1; Procedures Handbook Section 5.2.3.

**Explanation:** West Virginia law has several restrictions against awarding a contract to a vendor that owes a debt to the State or its political subdivisions. The Purchasing Affidavit must be signed by the vendor prior to contract award to obtain assurance that the vendor is in compliance with the statutory mandates.

**Transactions in Violation: (0 Instances).**

#### **Purchasing Division Recommendation:**

1. The Purchasing Division recommends that the spending unit obtain a properly completed Purchasing Affidavit and maintain a copy in the contract file for all transactions exceeding \$10,000.00 (the threshold for obtaining written bids).
2. The Purchasing Division recommends that the spending unit's procurement officer participate in training on this topic offered by the Purchasing Division and ensure that all procurement staff understand how to comply with this requirement moving forward.

### **Issue 8: wvOASIS Award Document Not Issued**

**Authority:** Procedures Handbook Section 5.1.2

**Explanation:** The Purchasing Division Procedures Handbook requires that a procurement award document be issued for all purchases exceeding \$2,500 in value. This requirement ensures that the transaction is recorded in wvOASIS in a way that allows it to be easily identified and tracked and helps to prevent spending in violation of procurement laws, rules, and procedures.

**Transactions in Violation: (0 Instances)**

#### **Purchasing Division Recommendation:**

1. The Purchasing Division recommends that the spending unit issue a purchase order through wvOASIS and maintain a copy in the contract file for all transactions exceeding \$2,500.01 (the threshold for obtaining verbal bids).
2. The Purchasing Division recommends that the spending unit's procurement officer participate in training on this topic offered by the Purchasing Division and ensure that all procurement staff understand how to comply with this requirement moving forward.

### **Issue 9: Asset Tag Not Affixed**

**Authority:** W. Va. Code § 5A-3-34; Surplus Property Operations Manual, Part II, Section 1.4

**Explanation:** The Surplus Property Operations Manual requires that all reportable assets must have a numbered identification tag affixed to the asset. Agencies are responsible for obtaining and placing the proper tags on the assets. This method of tagging assets helps to easily identify state assets during physical inspection and to guard against asset theft.

**Transactions in Violation: (0 Instances)**

#### **Purchasing Division Recommendation:**

1. The Purchasing Division recommends that the spending unit obtain a properly affix asset tags to all reportable assets. In conjunction with this, the spending unit must maintain accurate inventory records in wvOASIS.
2. The Purchasing Division recommends that the spending unit's procurement officer participate in training on this topic offered by the Purchasing Division and ensure that all procurement staff understand how to comply with this requirement moving forward.

### **Issue 10: Cert. of Non-Conflict Not Included**

**Authority:** W. Va. Code §§ 5A-3-31 and 6B-2-5; Procedures Handbook Section 3.7.1.5.2

**Explanation:** The Purchasing Division requires all evaluators, advisors, and the agency procurement officer, despite the type of transaction, to sign a Certification of Non-Conflict of Interest form prior to contract award to ensure compliance with W. Va. Code § 5A-3-31 and § 6B-2-5 by affirming that they do not have a conflict of interest and did not communicate with the vendor during the solicitation, evaluation, and award period.

**Transactions in Violation: (0 Instances)**

#### **Purchasing Division Recommendation:**

1. The Purchasing Division recommends that the spending unit include a properly completed Certification of Non-Conflict of Interest form prior to contract award for all transactions exceeding \$2,500.01 and maintain a copy in the contract file.
2. The Purchasing Division recommends that the spending unit's procurement officer participate in training on this topic offered by the Purchasing Division and ensure that all procurement staff understand how to comply with this requirement moving forward.

## Issue 11: Miscellaneous

**Authority: Various**

**Explanation:** The Purchasing Division Procedures Handbook requires that a delivery order must be issued for all statewide contracts and agency open-end contracts unless otherwise stated in the contract ordering instructions. This requirement is a written order to the contractor against a master agreement authorizing quantities of commodities and/or services to be delivered all in accordance with the terms, conditions and prices stipulated in other original contract.

### **Transactions in Violation: (3 Instances)**

09/21/18	Mailing machines	Pitney Bowes PI	\$359.10	PRCC,19*26467

### **Purchasing Division Recommendation:**

1. The Purchasing Division recommends that the agency should always refer to the ordering instructions, if present, on all open-end or statewide contracts for proper instructions prior to attempting to issue a delivery order.
2. The Purchasing Division recommends the agency process an Agency Delivery Order (ADO) directly to the vendor to obtain goods or services in the amount of \$250,000 or less from these contracts, unless ordering instructions contained in the contract require Purchasing Division approval.
3. The Purchasing Division recommends the agency process a delivery order on an existing Central Master Agreement (i.e. open-end contract) that exceeds \$250,000 as a *Central Delivery Order (CDO)*.
4. The Purchasing Division recommends that the spending unit's procurement officer participate in training on the topics listed herein that are offered by the Purchasing Division and ensure that all procurement staff understand how to comply with this requirement moving forward.

This review resulted in 5 findings associated with 17 of the selected transactions. This indicated that 7% of the transactions reviewed during the inspection had one or more problems of potential nonconformity with Purchasing Division laws, rules, and/or regulations. When comparing the statistics from 2009 to the current 2019 inspection, below is a summary of the issues identified during the 2009 inspection, as compared to the findings from the current inspection.
