2. Model number: #1MIA, Mission club arm chair
3. Product Line: Mission
4. Important shipping and delivery information from manufacturer:
 - a. If order is not shipping via U.P.S., it will be routed via private trucking company, such as Roadway Express, and it should be understood that normal delivery is "curb side." If an "inside delivery" is required, meaning the items need to be brought to the back or put in a storage area, this must be clearly requested in writing on confirming order, and it will necessitate additional freight handling charges. We must also be informed before shipment if the delivery address is inaccessible by large trucks, difficult to find, or may otherwise be problematic. Truck drivers will not unpack, assemble or remove empty cartons.
 - b. All items are inspected prior to packing. All items must be thoroughly inspected at the time of delivery. It is the customer's responsibility to note any damages or shortages found on the carriers bill of lading. All merchandise should be promptly opened and inspected upon delivery. The appearance of an "accordioned" end or corner to the carton – no matter how small - means that the carton has been dropped and the contents may have sustained damage. If it is not possible to inspect all items on delivery, the carrier's bill of lading (your delivery receipt) must be signed "pending inspection." No claim for "hidden" damages or shortages can be reported if more that 48 hours have passed. The manufacturer will assist the customer in settling a freight claim, but will not be responsible for damage in transit or storage.
5. Fabric selections

- **Schedule:** The schedule for receipt of these items shall be no earlier than August 1st 2006 and no later than September 15th 2006, and shall be subject to a specific delivery date and on – site location established with the administrator or his designee. A pre-delivery meeting will be scheduled if needed. Pre-delivery meeting(s) will visit and confirm the drop off point and the date and delivery of these items and any other clarification required.

4. Important shipping and delivery information from manufacturer:
 - a. If order is not shipping via U.P.S., it will be routed via private trucking company, such as Roadway Express, and it should be understood that normal delivery is "curb side." If an "inside delivery" is required, meaning the items need to be brought to the back or put in a storage area, this must be clearly requested in writing on confirming order, and it will necessitate additional freight handling charges. We must also be informed before shipment if the delivery address is inaccessible by large trucks, difficult to find, or may otherwise be problematic. Truck drivers will not unpack, assemble or remove empty cartons.
 - b. All items are inspected prior to packing. All items must be thoroughly inspected at the time of delivery. It is the customer's responsibility to note any damages or shortages found on the carriers bill of lading. All merchandise should be promptly opened and inspected upon delivery. The appearance of an "accordioned" end or corner to the carton – no matter how small - means that the carton has been dropped and the contents may have sustained damage. If it is not possible to inspect all items on delivery, the carrier's bill of lading (your delivery receipt) must be signed "pending inspection." No claim for "hidden" damages or shortages can be reported if more that 48 hours have passed. The manufacturer will assist the customer in settling a freight claim, but will not be responsible for damage in transit or storage.
