The maximum section length for delivery to a specific site shall be specified in the State Contract Order (SCO).

The Vendor shall furnish joint sealant material conforming to the requirements of AASHTO Destination M198-94, Type B for each box section delivered.

2. BIDDING INSTRUCTIONS

The purpose of this contract is to establish unit prices for purchase and delivery of Pre-cast Concrete Box Sections throughout all ten districts.

Vendors shall bid on all box sections they propose to furnish.

It is intended that the box beam sections may be the final roadway wearing surface for the structure.

Any qualification of bids or modification of the specifications, design or conditions governing the bids may be cause to reject bids.

3. DETERMINATION OF LOW BID

State Contract Orders (SCO's) will be issued for delivery of required box sections to a specified delivery site.

4. CONTRACT AWARD

The qualified vendor who submits the valid low bid "F.O.B. Division of Highways' Delivery Site" for the specified box dimensions will be awarded the contract.

In the event a Vendor fails to conform to the requirements set out in this contract document, the State Contract Order or the governing specifications, the Contract may be cancelled and awarded to the next lowest bidder.

5. ACCEPTANCE

Cracks developing in a box may be cause for rejection of the box. Cracks that are not detrimental to the structural integrity of the box section, as determined by the Division of Highways, may be accepted under the following conditions:

- 1) Cracks of 0.004 inch or less shall be treated with a second coat of a Division of Highways approved concrete sealer.
- 2) Cracks of greater than 0.004 inch shall be treated by a Division of Highways approved epoxy injection method.

All concrete sealer and epoxy injection required for acceptance shall be performed at no additional cost to the Division of Highways.

6. DELIVERY

Upon receipt of a State Contract Order (SCO), the Vendor shall submit shop drawings on Concrete Box Sections with a span or rise of 12 feet or less to the District Engineer/Manager issuing the SCO within twenty (20) calendar days. Shop drawings must be approved by the Division of Highways prior to the manufacture of any box sections.

All box sections shall be delivered to the specified delivery site within ninety (90) calendar days after Vendor's receipt of approved shop drawings.

The Division of Highways may require that a minimum of forty-eight lineal feet of box sections be delivered to a designated job site in a single calendar day. Upon receipt of a State Contract Order (SCO) specifying a minimum daily delivery requirement, the Vendor must notify the District Engineer/Manager within ten (10) calendar days if the required delivery can not be accomplished. To meet minimum delivery requirements the SCO may be cancelled and the box section obtained by alternate means.

Should the Vendor fail to meet the above delivery schedule, liquidated damages will be assessed in accordance with Section 108.7 of the current Division of Highways Standard Specifications Roads and Bridges.

Sites for delivery of box sections under this contract shall be accessible to equipment that is normally and customarily used for transportation of box sections. AFFIDAVIT

West Virginia Code §5A-3-10a states:

No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owned is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions.

"Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION:

The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

LICENSING:

The vendor must be licensed in accordance with any and all state requirements to do business with the state of West Virginia.

CONFIDENTIALITY:

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and are in compliance with the requirements as stated.
