REQUEST FOR QUOTE

(WORKFORCE West Virginia - and RFQ# BEP07057)

PART 1 GENERAL INFORMATION

1.1 Purpose:

The Acquisition and Contract Administration Section of the Purchasing Division "State" on behalf of WORKFORCE West Virginia, which consists of the Bureau of Employment Programs and the Governor's Workforce Investment Division is requesting quotes to provide the special audit procedures of subrecipients for WORKFORCE West Virginia. WORKFORCE West Virginia must have a professional accounting firm available on an as needed basis to provide subrecipient special audit procedures and management advisory services on accounting issues to meet the needs of management or United States Department of Labor (DOL) requirements.

Only single vendor proposals will be considered. The successful vendor must accept engagements in all defined seven state regions (Attachment B).

1.2 Project:

The mission or purpose of the project is to perform the special audits in accordance with generally accepted auditing standards and other applicable laws and regulations. The auditors will be required to render opinions in a number of financial and federal compliance areas including opinions regarding certain allowable and allocable program charges and federal program expenditures, which are presented fairly in grant reports and are supported by the accounting records of the subrecipient. The firm would also be available to provide advice on accounting issues to the management of WORKFORCE West Virginia and to provide the application of agreed upon procedures to federal or state subrecipient contract recipients on an as needed basis. The firm may also be asked to provide technical assistance to subrecipients on financial issues at the request of WORKFORCE West Virginia.

1.3 RFQ Format:

This RFQ has four parts. "Part 1" contains informational sections, "Part 2" describes the background and working environment of the project, "Part 3" is a statement of the specifications for the services requested pursuant to this RFQ, contractual requirements, and general terms/conditions and explains the required format of the Bidder's response to the RFQ.

1.4 Inquiries:

Additional information inquiries regarding specifications of this RFQ must be submitted in writing to the State Buyer with the exception of questions regarding Quote submission, which may be oral. The deadline for written inquiries is identified in the Schedule of Events, Section 1.16. All inquiries of specification clarification must be addressed to:

Krista Ferrell, Buyer
Purchasing Division
2019 Washington Street, East
P.O. Box 50130
Charleston, WV 25305-0130
Fax: (304) 558-4115
E-Mail: kferrell@wvadmin.gov

Absolutely NO contact shall be made by the vendor with the requesting agency. Violation of this clause may result in rejection of the bid. The State Buyer named above is the sole contact for any and all inquiries after this RFQ has been released.

1.5 Vendor Registration:

Bidders participating in this process should complete and file a *Vendor Registration and Disclosure Statement* (Form WV-1) and remit the registration fee. Bidder is not required to be a registered Vendor in order to submit a quote, but the **successful bidder must** register and pay the fee prior to the award of an actual purchase order/contract. The Vendor Registration and Disclosure Statement can be downloaded at the following State web site: www.state.wv.us/admin/purchase/vrc/pforms.htm.

1.6 Oral Statements or Commitments:

Bidders must clearly understand that any verbal representations made or assumed to be made during any oral discussions held between the bidder's representatives and any state personnel are **not** binding. Only that information issued in writing via official addendum is binding.

1.7 Economy of Preparation:

Response to this RFQ should be prepared simply and economically, providing a straightforward, concise description of bidder's abilities to satisfy the requirements of the RFQ. Emphasis should be placed on completeness and clarity of content.

1.8 Labeling of RFQ Sections:

The sections within this RFQ contain instructions governing how the bidder's response is to be arranged, submitted and to identify the material to be included therein.

1.8.1 Mandatory Requirements.

The mandatory sections included in Part 3 require a response, and they describe the minimum requirements requested in this RFQ. Any specification or statement containing the word **must**, **shall**, or **will** are mandatory. The bidder is required to meet the intent of the mandatory specifications in order to be eligible for consideration. **A simple "yes" or "no" response to these sections is not adequate.** Failure to meet mandatory items shall result in disqualification of the bidder's response. Decisions regarding compliance with the intent of a mandatory item shall be at the sole discretion of the State.

1.8.2 Contract Terms and Conditions:

Section 3 details the contractual terms and conditions under which the State of West Virginia

will enter into a contract.

1.8.3 *Informational Sections:*

All information specifications do not require a response from the vendor. They are intended to aid the vendor in structuring an effective bid capable of meeting the needs of the issuing agency, WORKFORCE West Virginia.

1.9 **Quote Format and Submission:**

1.9.1 Bidders must comply to all mandatory specifications in order to be considered. No other arrangement or distribution of the quote information may be made by the bidder. The State reserves the right to request any information not provided and any needed clarification and the vendor must respond with 48 hours. The State reserves the right to waive any informalities and minor irregularities in the quote format.

1.9.2 State law requires that the original bid be submitted to the State. All bids must be submitted **prior** to the date and time stipulated in the RFQ as the opening date. All bids will be date and time stamped in each office to verify official time and date of receipt.

1.9.3 Bidders mailing bids should allow sufficient time for mail delivery to ensure timely arrival. The Purchasing Division can waive or excuse late receipt of a bid which is delayed and late for any reason according to State Code 5A-3-11. Any bid received after the bid opening date and time will be immediately disqualified in accordance with State law and the administrative rules and regulations.

Submit:

Purchasing Division
2019 Washington Street, East
P.O. Box 50130

1.10 **Rejection of Bids:**

The State reserves the right to accept or reject any or all bids, in part or in whole at its discretion. The State reserves the right to withdraw this RFQ at any time and for any reason. Submission of, or receipt by the State of bids confers no rights upon the bidder nor obligates the State in any manner.

A contract, based on this RFQ and the bidder's response, may or may not be awarded. Any

contract resulting in an award from this RFQ is not valid until properly approved and executed by the Purchasing Division and the Attorney General's Office.

1.11 **Incurring Costs:** The State and any of its employees or officers shall not be held liable for any expenses incurred by any bidder responding to this RFQ for expenses to prepare or deliver the bid.

1.12 **Addenda:**
If it becomes necessary to revise any part of this RFQ, an official written addendum will be issued by the State to all bidders of record.

1.13 **Independent Price Determination:**
A bid will not be considered for award if the price in the bid was not arrived at independently without collusion, consultation, communication, or agreement as to any matter relating to such prices with any other offer or with any competitor.

1.14 **Price Quotations:**
The price(s) quoted in the bidder's response will not be subject to any increase and will be considered firm for the life of the contract unless specific provisions have been provided for adjustment in the original contract.

1.15 **Public Record:**
1.15.1 All documents submitted to the State Purchasing Division related to purchase orders/contracts are considered public records. All bids, or offers submitted by bidders shall become public information and are available for inspection during normal official business hours in the Purchasing Division Records and Distribution center after the documents have been microfilmed.

1.15.2 All public information may be released with or without a Freedom of Information request; however, only a written request will be acted upon with duplication fees paid in advance. Duplication fees shall apply to all requests for copies of any document. Currently the fees are \$0.50/page, or a minimum of \$10.00 per request, which ever is greatest.

1.15.3 The only exemptions to disclosure of information are listed in West Virginia Code 29B-1-4. Primarily, only trade secrets as submitted by a bidder are the only exemption to public disclosure. The submission of any information to the State by a Vendor puts the risk of disclosure on the Vendor. The State will make a reasonable effort not to disclose information that is within the guidelines of 29B-1-4 and is properly labeled "proprietary information not for public disclosure". The State does not guarantee non-disclosure of any information to the public.

3.4.1 *Conflict of Interest:*

Vendor affirms that its officers, members, or employees presently have no interest and shall not acquire any interest, direct or indirect, which would conflict or compromise in any manner or degree with the performance or its services hereunder. The Vendor further covenants that, in the performance of the contract, the Vendor shall periodically inquire of its officers, members, and employees concerning such interests. Any such interests discovered shall be promptly presented in detail to WORKFORCE West Virginia.

3.4.2 *Prohibition Against Gratuities:*

Vendor warrants that it has not employed any company or person other than a bona fide employee working solely for the Vendor or a company regularly employed as its marketing agent to solicit or secure the contract and that it has not paid or agreed to pay any company or person any fee, commission, percentage, brokerage fee, gifts or any other consideration contingent upon or resulting from the award of the contract.

For breach or violation of this warranty, the State shall have the right to annul this contract without liability at its discretion, and/or to pursue any other remedies available under this contract or by law.

3.4.3 *Certifications Related to Lobbying:*

Vendor certifies that no federal appropriated funds have been paid or will be paid, by or on behalf of the company or an employee thereof, to any person for purposes of influencing or attempting to influence an officer or employee of any Federal entity, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan, or cooperative agreement.

If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee or any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Vendor shall complete and submit a disclosure form to report the lobbying.

Vendor agrees that this language of certification shall be included in the award documents for

all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this contract was made and entered into.

3.4.4 *Vendor Relationship:*

The relationship of the Vendor to the State will be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by the parties to this contract. The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents.

Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this RFQ and resulting contract. Neither the Vendor nor any employees or contractors of the Vendor shall be deemed to be employees of the State for any purposes whatsoever.

Vendor shall be exclusively responsible for the payment to his/her employees and contractors of all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension or other deferred compensation plans, including but not limited to Workers' Compensation and Social Security obligations, and licensing fees, etc. and the filing of all necessary documents, forms and returns pertinent to all of the foregoing.

Vendor shall hold harmless the State, and shall provide the State and WORKFORCE West Virginia with a defense against any and all claims including but not limited to the foregoing payments, withholdings, contributions, taxes, social security taxes and employer income tax returns.

The Vendor shall not assign, convey, transfer or delegate any of its responsibilities and obligations under this contract to any person, corporation, partnership, association or entity without expressed written consent of WORKFORCE West Virginia.

3.4.5 *Indemnification:*

The Vendor agrees to indemnify, defend and hold harmless the State and WORKFORCE West Virginia, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the contract in a manner not authorized by the contract, or by Federal or State statutes or regulations; (3) Any failure of the Vendor, its officers, employees, or subcontractors to observe State and Federal laws, including but not limited to labor and wage laws.

3.4.6 *Contract Provisions:*

After the successful Vendor is selected, a formal contract document will be executed between the State and the Vendor. In addition, the RFQ and the Vendor's response will be included as part of the contract by reference. The order of precedence is the contract, the RFQ, and the Vendor's Quote in response to the RFQ.

3.4.7 *Governing Laws & Compliance:*

This contract shall be governed by the laws of the State of West Virginia. The Vendor further agrees to comply with the Civil Rights Act of 1964 and all other applicable Federal, State, and local Government regulations.

3.4.8 *Compliance with Laws and Regulations:*

The contractor shall procure all necessary permits and licenses to comply with all applicable laws, Federal, State, or municipal, along with all regulations and ordinances of any regulating body.

The Vendor shall pay any applicable sales, use, or personal property taxes arising out of this contract and the transactions contemplated thereby. Any other taxes levied upon this contract, the transaction, or the equipment, or services delivered pursuant hereto shall be borne by the contractor. It is clearly understood that the State of West Virginia is exempt from any taxes regarding performance of the scope of work of this contract.

3.4.9 *Subcontracts/Joint Ventures:*

The Vendor is solely responsible for all work performed under the contract and shall assume prime contractor responsibility for all services offered and products to be delivered under the terms of this contract. The State will consider the Vendor to be the sole point of contact with regard to all contractual matters. The Vendor may, with the prior written consent of the State, enter into written subcontracts for performance of work under this contract; however, the vendor is totally responsible for payment of the subcontractor.

3.4.10 *Term of Contract & Renewals:*

This contract will be effective (date set upon award) and shall extend for the period of one (1) year, at which time the contract may, upon mutual consent, be renewed. Such renewals are for a period of up to one (1) year, with a maximum of two (2) one year renewals, or until such reasonable time thereafter as is necessary to obtain a new contract. The reasonable time period shall not exceed twelve (12) months. During the "reasonable time" period the vendor may terminate the contract for any reason upon giving WORKFORCE West Virginia ninety (90) days written notice. Notice by Vendor of intent to terminate will not relieve Vendor of the obligation to continue to provide services pursuant to the terms of the contract.

Any change in Federal or State law, or court actions which constitute binding precedent in West Virginia, and which significantly alters the Vendor's required activities or any change in the availability of funds, shall be viewed as binding and shall warrant good faith re-negotiation of the compensation paid to the Vendor by WORKFORCE West Virginia and of such other provisions of the contract that are affected. If renewal of this contract for services in subsequent years occurs, the contract change order will contain the delivery dates for the renewal period as specified in Attachment B. If such re-negotiation proves unsuccessful, the contract may be terminated by the State upon written notice to the Vendor at least thirty (30) days prior to termination of this contract.

3.4.11 *Non-Appropriation of Funds:*

If WORKFORCE West Virginia is not allotted funds in any succeeding fiscal year for the continued use of the service covered by this contract by the West Virginia Legislature, WORKFORCE West Virginia may terminate the contract at the end of the affected current fiscal period without further charge or penalty. WORKFORCE West Virginia shall give the vendor written notice of such non-allocation of funds as soon as possible after WORKFORCE West Virginia receives notice. No penalty shall accrue to WORKFORCE West Virginia in the event this provision is exercised.

3.4.12 *Contract Termination:*

The State may terminate any contract resulting from this RFQ immediately at any time the Vendor fails to carry out its responsibilities or to make substantial progress under the terms of this RFQ and resulting contract. The State shall provide the Vendor with advance notice of performance conditions, which are endangering the contract's continuation. If after such notice the Vendor fails to remedy the conditions contained in the notice, within the time period contained in the notice, the State shall issue the Vendor an order to cease any and all work immediately. The State shall be obligated only for services rendered and accepted prior to the date of the notice of termination.

The contract may also be terminated upon mutual agreement of the parties with thirty (30) days prior notice.

3.4.13 *Changes:*

If changes in scope of the original contract become necessary, a formal contract change order will be negotiated by the State, WORKFORCE West Virginia, and the Vendor, to address changes to the terms and conditions, costs of, or scope of work included under the contract. An approved contract change order is defined as one approved by the State and the West Virginia Attorney General's Office prior to the effective date of such amendment. An approved contract change order is required whenever the change affects the payment provision and/or the scope of the work. New and amended Federal and State regulations and requirements may necessitate such changes. (No changes in scope are to be implemented except with the approval of the State.)

As soon as possible after receipt of a written change request from WORKFORCE West Virginia, but in no event more than thirty (30) days thereafter, the Vendor shall determine if there is an impact on price with the change requested and provide WORKFORCE West Virginia a written statement to identify any price impact on the contract or to state that there is no impact. In the event that price will be impacted by the scope change, the Vendor shall provide a description of the price increase or decrease involved in implementing the requested change.

NO CHANGE SHALL BE IMPLEMENTED BY THE VENDOR UNTIL SUCH TIME AS THE VENDOR RECEIVES AN APPROVED WRITTEN CHANGE ORDER.

THE VENDOR SHALL IMPLEMENT NO CHANGES IN SCOPE UNTIL SUCH TIME AS THE VENDOR RECEIVES AN APPROVED WRITTEN CHANGE ORDER. TO PROCEED ON VERBAL APPROVAL ONLY IS TO DO SO AT THE VENDORS OWN RISK.

3.4.14 *Invoices, & Progress Payments,:*

The Vendor shall submit invoices, in arrears, to WORKFORCE West Virginia at the address on the face of the purchase order labeled Invoice To pursuant to the terms of the contract. Progress payments may be made at the option of WORKFORCE West Virginia on the basis of percentage of work completed if so defined in the detailed engagement plan.

Progress payments are permitted. Vendor is required to identify points in the work plan at which compensation would be appropriate. Progress reports must be submitted to WORKFORCE West Virginia with the invoice detailing progress completed or any deliverables identified. Payment will be made only upon approval of acceptable progress or deliverables as documented in the Vendor's report. Invoices may not be submitted more than once monthly and State law forbids payment of invoices prior to receipt of services

3.4.15 *Liquidated Damages:*

According to West Virginia State Code 5A-3-4(8), Vendor agrees that liquidated damages shall be imposed at the rate of \$ 2,500.00 per day for failure to provide the audit report by the delivery date as specified in the delivery schedule agreed to in the pre-engagement meeting for each individual engagement for reasons attributable to the Vendor. Vendor will not be subject to liquidated damages if the reasons for the failure are attributable to WORKFORCE West Virginia. This clause shall in no way be considered exclusive and shall not limit the State or WORKFORCE West Virginia's right to pursue to any other additional remedy to which the State or WORKFORCE West Virginia may have legal cause for action including further damages and penalties against the Vendor.

3.4.16 *Record Retention (Access & Confidentiality):*

Vendor shall comply with all applicable Federal and State of West Virginia rules and regulations, and requirements governing the maintenance of documentation to verify any cost of services or commodities rendered under this contract by Vendor. Vendor shall maintain such records a minimum of five (5) years and make available all records to WORKFORCE West Virginia personnel at Vendor's location during normal business hours upon written request by WORKFORCE West Virginia within 10 days after receipt of the request. Vendor shall have access to private and confidential data maintained by WORKFORCE West Virginia to the extent required for Vendor to carry out the duties and responsibilities defined in this contract. Vendor agrees to maintain confidentiality and security of the data made available and shall indemnify and hold harmless the State and WORKFORCE West Virginia against any and all claims brought by any party attributed to actions of breach of confidentiality by the Vendor, subcontractors, or individuals permitted access by Vendor.

3.5 **Bid Requirements:**

Mandatory Requirements

a. Independence

Governmental auditing standards as required by the governmental accounting office define independence in the second general standard for governmental auditing as follows:

“In all matters related to the audit work, the audit organization and the individual auditors, whether government or public, should be free from personal and external impairments to independence, should be organizationally independent, and should maintain an independent attitude and appearance.”

Furthermore, for purposes of this agreement, the firm will not be considered independent if they have provided accounting, auditing, or consulting services to any of the local workforce investment boards listed in attachment C.

The firm must provide an affirmative statement that it is independent of WORKFORCE West Virginia, the local workforce investment board listed on attachment C, and related systems as defined by general accepted auditing standards and the aforementioned governmental auditing standards as promulgated by United States General Accounting Offices. The firm must also provide an affirmative statement that it is independent of the State of West Virginia and any other component units of that entity as defined by those same standards.

In addition, the firm will provide an affirmative statement that it will review the independence of all personnel within the firm assigned to this engagement to ensure that they are independent of WORKFORCE West Virginia and the State of West Virginia and its component entities.

In addition, the firm shall give WORKFORCE West Virginia written notice of any professional relationships entered into during the period of the agreement with any major contractors as defined in WV § 29.22.23. The firm will also notify WORKFORCE West Virginia in writing if any other matters come to its attention during the engagement, which may impair its independence.

b. License to Practice in West Virginia

The firm and all assigned key professional personnel and all associated and subcontracted firms must be licensed to practice in West Virginia. In addition, the firm and all associated and subcontracted firms are in good standing with the Unemployment Compensation Division of the State of West Virginia.

c. Quality Control

The fourth general standard as set forth in governmental auditing standards is promulgated by the United States Governmental Accounting Office states that “each audit organization conducting audits in accordance with these standards should have an appropriate internal control system in place and undergo an external quality control review.”

The firm and all associated and sub-contracted firms have in place an internal quality control system to provide reasonable assurance that an adequate quality standard will be maintained during the engagement. In addition, copies of the firm or firms internal control document should be attached to the RFQ as well as a copy of the most recent external quality control review or made available within 48 hours upon request of the agency. Should the written report of the most recent external

quality control review disclose significant matters that would leave doubts as to the ability of the firm to maintain quality control, a written explanation should be attached to say what steps have been taken by the firm to improve their quality control procedures. The quality control review should have included a review of specific governmental engagements.

The firm should provide with the bid or make available within 48 hours request from the agency information on the results of any federal or state desk reviews or field reviews of its audits during the past three years.

Section I Firm Qualifications and Experience

The firm must have been in business in West Virginia at least 10 years and have at least 5 years experience conducting governmental audits and audits under the Single Audit Act. The firm must currently have on staff at least 10 accounting professionals with at least half of those holding a CPA in West Virginia or similar certification. In addition, the firm should incorporate into the bid a list of those specific clients and engagements which they have performed within the last three years that are similar in nature to WORKFORCE West Virginia, including contact names and numbers where available and appropriate. The state of West Virginia reserves the right to contact these clients.

Should the firm intend to include any subcontracted firms the firm must provide the information for each subcontracted firm as for the primary firm; however, the primary firm will still be responsible for the results and deliverables of the contract.

Section II Personnel Qualifications and Experience

The firm must identify the managing partner of the office from which the engagement will be performed. The contact information for the managing partner must include the name of the managing partner, their address, their direct dial telephone number, fax number, and email address. This information is intended for use in the unlikely event that WORKFORCE West Virginia is unable to obtain satisfactory responses from the audit team and need to have direct contact with management.

The firm must identify the principal supervisory and management personnel to be included in the engagement including the engagement partner, reviewing partners, managers, other supervisors and specialists. All personnel must hold a license to practice as a Certified Public

Accountant in West Virginia.

The vendor must provide for each of the aforementioned personnel a resume outlining the qualifications and experience including years of experience in the auditing field and in the governmental sectors. Resumes should be attached to the bid response or made available within 48 hours upon request of the agency. As a minimum, each resume must include the following:

- **Number of years of total experience**
- **Numbers of years of experience in specific specialties and a description of each specialty**
- **General certifications and qualifications obtained**
- **Listing of relevant continuing professional education courses within the last three years**
- **A list of those clients similar to WORKFORCE West Virginia for which the person has performed a significant amount of work within the last three years**

A chief concern of WORKFORCE West Virginia is the ability of the successful firm to maintain the quality of staff assigned to the engagement over the term of agreement. The firm must clearly state what steps will be taken in order to ensure the quality of staff over the term of the agreement.

All personnel assigned to the engagement must have at least one year of auditing experience in public accounting or a similar environment.

Subcontracted and jointly associated firms can only be added, dropped, or changed with the expressed written permission of WORKFORCE West Virginia, which retained the right to approve and reject these changes. Personnel assigned to the engagement by subcontracted or jointly associated firms must go through the same approval process as the primary firm's personnel discussed above. Any changes regarding a subcontractor must be made via a contract change order and subject to approval of the State Purchasing Division.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. EXCEPTION:

The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.
