Requisition Number : COR61341

Department/Agency: Mt Olive Correctional Center

### Detailed Description of Project:

Provide upgrade to the current Simplex Fire Alarm Monitoring and Control System for the total facility, to include an upgrade to the Tectone Model NC30011 Nurse Call System. The current Simplex 2120 system is becoming obsolete necessitating refurbishing parts and the upgrade to the Simplex 4100U- state of the art system- will provide fiber optic connection to reduce the possibility of system failure that we have experienced with lightning strikes. This upgrade will accommodate future expansion of the facility should this occur.

Provide all Fire Alarm hardware upgrade, software upgrade, technical installation support, and tie in of all fiber to the external panel locations,

### Specific Eligibility Criteria/Specific Qualification Criteria:

Vendor must be able to supply like equipment for system upgrade.

Working knowledge of above specific equipment and system; written authorization from Simplex for emulation and program software and access to service system and replace boards with like boards. Respondent must be willing to agree to the terms and conditions set forth in WV96; Agreement Addendum for the State of WV.
