

SOLE SOURCE DETERMINATION

The Purchasing Division has been requested to approve a sole source purchase for the commodity or service described below. Pursuant to West Virginia Code 5A-3-10c, the Purchasing Division is attempting to determine whether the commodity or service is a sole source procurement. If you believe your company meets the required experience and qualification criteria stated below, please e-mail the Purchasing Division at team@wvadmin.gov to express your interest in the project. Please forward any and all information that will support your company's compliance with required qualification and eligibility criteria along with any other pertinent information relative to this project to the Purchasing Division no later than 8/18/06.

MEMORANDUM

TO: Dave Tincher, Director
West Virginia Purchasing Division

FROM: Lt. Jon Cogar
DNR Law Enforcement Section

DATE: June 7, 2006

SUBJECT: Purchasing Sole Source

The DNR Law Enforcement Section is requesting sole source purchasing of the attached radio equipment because:

- Equipment must be compatible with existing mobile, portable radio and control station equipment. The attached repeater specifications matches the DNR existing equipment therefore compatibility issues will not be a problem.
- Equipment must match the Homeland Grant requirements regarding new radio equipment purchased with Homeland grant monies. The listed equipment meets the homeland grant standards and written requirements for radio purchases.
- Equipment must be compatible with DNR existing software regarding programming repeaters and police radios. The listed equipment is the only equipment that's compatible with DNR programming software.
