RFQ DNR 80053
Pre-Bid Meeting Summary
Date of Meeting: October 24, 2006**

- 1 A pre-bid meeting was held as scheduled for the above referenced project. Meeting began promptly at 1:00 PM.
- 2 Attendees signed a sheet indicating their attendance, a copy is attached.
- 3 The pre-bid meetings check list was used and a copy is attached.
- 4 A copy of the specified floor plan was given to Dan Hill of Dan Hill Construction.
- 5 Questions arose concerning the location of the site in relation to the Flood Levels. It is my understanding that the location is not within the 100 year flood plane as designated by Panel 0130D of the McDowell County Flood Insurance Rate Map. Therefore flood proofing of the residence other than measures indicated in the plan are not necessary. Should the McDowell County Redevelopment Authority require additional measures such as flood doors on the foundation wall, raising of the foundation wall above 7 courses above the footer, or other measures not indicated in the project manual, a change of conditions will exist.
- 6 A site visit was held after the meeting in the Superintendents Office and each contractor had an opportunity to view the site and ask questions.
- 7 It was agreed that if the DOH would not grant a permit for the driveway, the plan can be reversed to provide additional sight distance at the driveway. The contractor will be responsible for obtaining the driveway permit if one is necessary.
- 8 The DNR will make application for temporary electrical service on a properly installed temporary electrical service pole to be installed by the contractor.
