BID OPENING: 12/19/2006; 1:30 PM**

Scope of Work:

Conduct cave invertebrate surveys for terrestrial and aquatic invertebrates in the 60 caves listed below. Methods will include "hand collection" as well as the use of bait stations. Note: researchers must hold a US Fish and Wildlife Service permit to collect any federally listed species (i.e., Madison Cave isopod) and apply for and secure a WV Scientific Collecting permit.

Have the specimens collected and identified by taxonomic experts for each taxonomic group.

Deposit voucher specimens in a reputable museum collection (i.e., Smithsonian Institution).

Compile historic cave invertebrate data for WV caves from the literature, museum collections and other sources and compare historic and recent survey data to better understand the status of cave invertebrate populations.

Assist the WVDNR in populating its Biotics database with records of rare cave invertebrate species tracked by the Wildlife Diversity Program.

Provide the following deliverables.

For each cave surveyed:

Cave name

County

Topographic quadrangle

Coordinates

Owner information (minimally to include name(s) and contact information)

Dates surveyed

Threats to invertebrate communities noted

Final report including:

Description of field and laboratory methods used

Curriculum vita for each person conducting field and lab work

Curriculum vita for each expert who identified specimens in each taxonomic group.

Discussion of findings including status of cave invertebrate populations, potential threats, changes in faunal communities where there are previous data and conservation needs.

West Virginia Code §5A-3-10a states:

No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owned is an amount greater than one thousand dollars in the aggregate

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION:

The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

LICENSING:

Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY:

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.
