SAT07 Specifications

Scope

This contract is to provide Satellite Transponder time for use by the West Virginia Educational Network. Simultaneous transponders must be on the same satellite (we have two transmitters with dual feed horn). All satellite time can be in (15) fifteen minute increments. It is the intent of this contract to cover current product applications and any new product applications as they become available. This bid shall be a Request for Quotation (RFQ); a single award will be issued to the lowest responsible bidder, whose products meet the minimum quality defined herein.

General Information

1. Bidders shall complete the pricing on "SAT07 Pricing Spreadsheet". Bidders should complete all columns and information requested. Quantities for each item represent an approximate volume. No future use of contract is guaranteed or implied. The "price shown" must be the final price that will be charged to the State of West Virginia. The lowest cost bid whose products meet or exceeds the specifications, shall be awarded a contract.
2. Estimated Quantity amounts are shown for informational purposes only and should not be construed as a guarantee of any future contract usage.
3. The Satellite orientation: A satellite location East of 69 degrees and West of 120 degrees cannot be received at many downlink sites due to mountainous terrain, and is not eligible for an award.
4. Internet Access - Vendor should be able to provide internet ordering access. If vendor has such capabilities, this should be so noted in their quotation and describe the process for setting up such ordering for state agencies. Internet access is not a requirement for bidding.
5. The customer has right to cancel reservation for satellite time without penalty upon fourteen (14) days advance notice.

Reminders to Bidders:

Prior to submitting bids, bidders are cautioned to comply with all mandatory bid requirements.

Requirements:

1. Simultaneous transponders must be on the same satellite.
2. All satellite time shall be ordered in fifteen minute increments.
3. Date and time conversion to other time zones may be provided as a courtesy, but all services must be clocked on a 24-hour basis, calculated in Greenwich Mean Time ("GMT").
4. All C-Band time shall be on the same domestic fixed satellite, same polarity, consistently on the same respective transponder.
5. All KuBand time must be available to purchased on "call up" or ad hoc time on available basis.
6. Must list the tentative satellite to be used for C-Band Service:

7. **TERM:** One (1) Year with up to four (4) Six-Month Renewals.
8. **ESTIMATED USAGE:**

West Virginia Code §5A-3-10a states:

No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owned is an amount greater than one thousand dollars in the aggregate

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION:

The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

LICENSING:

Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY:

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and are in compliance with the requirements as stated.
