

SOLE SOURCE DETERMINATION

The Purchasing Division has been requested to approve a sole source purchase for the commodity or service described below. Pursuant to West Virginia Code 5A-3-10c, the Purchasing Division is attempting to determine whether the commodity or service is a sole source procurement. If you believe your company meets the required experience and qualification criteria stated below, please e-mail the Purchasing Division Buyer at michael.d.austin@wv.gov with a copy to Karen.Q.Byrd@wv.gov to express your interest in the project. Please forward any and all information that will support your company's compliance with required qualification and eligibility criteria along with any other pertinent information relative to this project to the Purchasing Division no later than 04/11/2008.

Requisition Number: 02800237

Department/Agency: Highways

Detailed Description of Project: Replacement of cable dampers specified on requisition for 31st Street Bridge Huntington, WV.

Proposed Sole Source Vendor: Taylor Devices, Inc

Specific Eligibility Criteria: Specific dampers installed on cable support system wish to remain with same equipment so as not to have two different systems.

Specific Qualification Criteria: Vendor is original provider that installed cable damper system and can provide same equipment as original retro-fit.
