4.4.1 Decision of the Architect. Claims, including

those alleging an error or omission of the Architect but excluding those arising under Paragraphs 10.3 through 10.5, shall be referred initially to the Architect for decision. An initial decision by the Architect shall be required as a condition precedent to litigation of all Claims between the Contractor and Owner arising prior to the date final payment is due, unless 30 days have passed after the Claim has been referred to the Architect with no decision having been rendered by the Architect. The Architect shall not decide disputes between the Contractor and persons or entities other than the Owner.

The West Virginia Legislature, recognizing that certain Claims against the State may constitute a moral obligation of the State and should be heard, has established the West Virginia Court of Claims for this purpose. Not

withstanding any provision to the contrary in the Contract Documents, all references to mediation and arbitration are hereby deleted and all Claims of the Contractor for monetary relief, and only of the Contractor, arising out of or related to this Contract shall be decided by the West Virginia Court of Claims. The following Subparagraphs have been rewritten to bring them into conformance with the foregoing.

4.5.2 Claims by the Owner may be brought against the Contractor in the Circuit Court of Kanawha County, West Virginia, or in any other court that has jurisdiction, as the Owner may elect.
