**Addendum #1 - Questions During Pre-Bid Meeting
For DEP 14250
Gilmer "B" Project**

The following questions were identified from the Pre-Bid Conference. The answers provided herein take precedence over verbal answers at the PBC should there be any conflicts between the two.

- 1.) **Q.** Where is the borrow area?
A. The borrow area was pointed out during the walk over of the site.
- 2.) **Q.** Is the low water crossing temporary?
A. It's a Ford Crossing, not a low water crossing. Therefore there is nothing to construct.
- 3.) **Q.** Does the power line stay?
A. Yes.
- 4.) **Q.** Is there enough borrow in the borrow site?
A. If not, the contractor will have to import soil material.
- 5.) **Q.** Can the contractor prospect for soil borrow on-site?
A. As long as he stays within the construction limits.
- 6.) **Q.** Will the railroad require a flagman?
A. You will have to contact the railroad for that answer.
- 7.) **Q.** Where do the ditches go?
A. The channel locations were pointed out during the walk over of the site.
- 8.) **Q.** What all gets stockpiled from the railroad track removal?
A. Just the rails.
- 9.) **Q.** What about burning?
A. Railroad ties cannot be burned. You will need two burning permits for burning cleared and grubbed material; one from Forestry and one from Air Quality.
- 10.) **Q.** What ditches get grouted?
A. The ditches that get grouted were pointed out during the walk over of the site.
- 11.) **Q.** Stockpile the rails for the owner or the railroad?
A. The railroad is the owner.
- 12.) **Q.** What if someone comes in and steals the rails after they've been stockpiled?
A. Notify the railroad as soon as you have stockpiled the rails and then it is their responsibility.

Addendum #1 – Questions & Answers
Gilmer “B” Project – DEP 14250
Page Two

- 13.) **Q.** Are there any restrictions on the length of the rails that are removed?
A. No, they may be cut if necessary.
- 14.) **Q.** What about the trees in the borrow area?
A. They are to be saw cut and stockpiled for the property owner.
- 15.) **Q.** What about the sink hole between the portal closures?
A. It is not to be addressed.
- 16.) **Q.** What about the concrete wall?
A. It is identified on the Plans to be removed.
- 17.) **Q.** What about access to the portals?
A. The access is the way we walked up to the portals.
