Commissioner

December 16, 2005

David Pentz, Chief of REAP
WV Department of Environmental Protection
Rehabilitation Environmental Action Plan
601 57th Street
Charleston, West Virginia 25305

Dear Mr. Pentz:

I am in receipt of your correspondence dated December 15, 2005, in which you have requested written verification that the West Virginia Prevailing wage rates do not apply to the type of work you've described in your letter and to me on December 14, 2005.

As you explained, the work you refer to is clean-up such as picking up trash, tires and debris along our waterways, streams, roads, valleys and right-of-ways. You also stated this work is not being performed in connection with any type of construction or highway projects.

Therefore, since the work you describe does not fall within the definition of construction as defined in §21-5A-1.2 of the WV Code, prevailing wage rates do not apply.

Sincerely,

James R. Lewis
Commissioner
