

SOLE SOURCE DETERMINATION

The Purchasing Division has been requested to approve a sole source purchase for the commodity or service described below. Pursuant to West Virginia Code 5A-3-10c, the Purchasing Division is attempting to determine whether the commodity or service is a sole source procurement. If you believe your company meets the required experience and qualification criteria stated below, please e-mail the Purchasing Division at team@wvadmin.gov to express your interest in the project. Please forward any and all information that will support your company's compliance with required qualification and eligibility criteria along with any other pertinent information relative to this project to the Purchasing Division no later than November 15, 2007.

Requisition Number: DNR90065

Department/Agency: BOC/DNR-Wildlife

Detailed Description of Project:

The projects are to document impacts of radio collared coyotes on a herd of radio collared deer. Determine effects of localized management of white-tailed deer on a radio collared herd. Perform statistical analysis and consultations on various research projects.

Proposed Sole Source Vendor: West Virginia University/WVU Research Corp.

Specific Eligibility Criteria:

See below.

Specific Qualification Criteria:

Vendor must have professional wildlife staff able to guide students through research efforts described. Vendor must be able to travel to Meade-Westvaco Experimental Research Forest in Randolph County. Vendor must be experienced with wildlife research and research methods, able to collect data under various and often rigorous conditions, and an experienced writer able to analyze and report the results of the research. Statistician must be experienced with Wildlife Resources data bases, experienced statistical analysis and design, available for consultations on a consistent and frequent basis.
