SPECIFICATIONS

General Information

Currently, the West Virginia State Police utilizes a random drug testing program. The object of this program is to insure that critical Agency employees are not abusing controlled substances, thereby jeopardizing the safety of themselves, other Agency personnel, and the general public.

In essence, the program consists of the random collection and analysis of urine samples from one-third of the designated employee pool over the course of each year, with samples collected on a monthly basis. The designated employee pool consists of both sworn and civilian personnel located throughout West Virginia (see attached listing).

The Agency Head (hereafter "*Superintendent*") may also direct individual for cause tests to be conducted on an incidental basis.

Agency Responsibilities

The Agency will provide the successful Vendor with a listing of all personnel who are to be included within the testing pool, along with their geographic location, and any other relevant personal identifiers.

All samples will be collected at Agency facilities, with the exception of any personnel within the Agency pool whose post of duty is within a reasonable driving distance of any Vendor facility where collections take place on a routine basis.

Employees chosen at random by the Vendor will be made available to Vendor personnel, during normal working hours at either their assigned work location or a Vendor facility.

Vendor Responsibilities

The successful Vendor is responsible for the following:

1. Generating a random list of personnel to be tested on a monthly basis.
2. Collection of all samples, at Agency facilities throughout West Virginia, inclusive of any travel costs associated with the collection of these samples. (Any travel costs associated with sample collection are to be encompassed within the per test fee.)
3. Conducting sample collection activity during normal working hours. (Normal working hours for the purposes of this contract are 8:00 AM to 5:00 PM, Monday through Friday, excluding any state or federal holidays, or special holidays declared by the Governor.)

4. **Standard Testing:** Shall consist of analyzing samples collected to ascertain the presence or absence of the following SIX (6) substances in the concentrations specified:

- a) Concentrations of a drug at or above the following levels shall be considered a positive test regarding the initial immunoassay drug-screening test:

1- Cocaine Metabolite	300 ng/ml
2 - Marijuana Metabolite	50 ng/ml
3 - Opiate Metabolite	300 ng/ml
4 - Amphetamines	1000 ng/ml
5 - Benzodiazepines	300 ng/ml
6 - OxyContin	300 ng/ml

- b) Concentrations of a drug at or above the following levels shall be considered a positive test regarding the confirmatory gas chromatography/mass spectrometry (GC/MS) test:

1- Cocaine Metabolite	150 ng/ml
2 - Marijuana Metabolite	15 ng/ml
3 - Opiate Metabolite	300 ng/ml
4 - Amphetamines	500 ng/ml
5 - Benzodiazepines	300 ng/ml
6 - OxyContin	300 ng/ml

Note: The *COST per Test Administered* referred to at the end of this request for quotations refers to testing for the above listed six (6) substances only.

Vendors are also required to provide pricing for additional OPTIONAL Testing for the substances listed within item number 5 below. This cost is to be quoted on a per substance, per test basis. It is estimated that this type of testing will not be required more than twenty times per year.

5. **Optional Testing:** On certain occasions, the Agency may wish to test for other substances in addition to the five listed above. Optional Testing shall consist of analyzing samples collected to ascertain the presence or absence of the following substances in the concentrations specified:

- a.) Concentrations of a drug at or above the following levels shall be considered a positive test regarding the initial immunoassay drug-screening test:

Barbiturates	300 ng/ml
PCP	25 ng/ml
Steroids	to be specified at time of test (may be one or more)

b.) Concentrations of a drug at or above the following levels shall be considered a positive test regarding the confirmatory gas chromatography/mass spectrometry (GC/MS) test:

Barbiturates	300 ng/ml
PCP	25 ng/ml
Steroids	to be specified at time of test (may be one or more)

6. Providing a written report to the Superintendent or his designee, on a monthly basis, which details the results of all tests.

Note: All reports provided by the Vendor will be addressed as follows:

Office of the Superintendent
 West Virginia State Police
 725 Jefferson Road
 South Charleston, WV 25309-1698

The exterior of the package containing the report will be conspicuously marked "*CONFIDENTIAL*" in large red letters on both the front and rear surfaces.

7. Insuring the security, integrity, and confidentiality of the program.

9. Providing any follow-up testing or analysis required to either confirm a policy violation or eliminate a false positive. (The cost of such follow-up work to be included within the per test fee quoted pursuant to this contract.)
10. Providing any necessary expert testimony required at any deposition, disciplinary or judicial proceeding which arises as a result of this program.
11. All labor, materials, transportation, blind samples, and any other costs associated with operation of the program are to be covered by the basic, per test fee, inclusive of any one time administrative fee associated with establishing the program. The only separate costs which will be honored are those associated with Expert Testimony when required.
12. BLANK

13. The Vendor is to provide pricing which shall be inclusive of all necessary collection and identification supplies and sample transportation costs from the collection site to a laboratory certified by the Substance Abuse and Mental Health Services Administration (SAMHSA), National Institute of Drug Abuse (NIDA).

The employee is to be billed for these services and charges will not be the fiscal responsibility of the Agency. The vendor is authorized by the agency to demand payment in advance for this test.
16. The Vendor will retain positive specimens for one year by following the current SAMHSA/NIDA methodology, unless instructed otherwise by Agency.
17. The Vendor will not charge for specimen adulteration assays.
18. The Vendor will not charge for handling of rejected specimens or those otherwise unfit for testing.
19. BLANK
20. BLANK
21. The Vendor will provide the Superintendent or his designee with notification of negative drug test results within the time frames established by the U.S. Department of Transportation/Federal Highway Administration. In the event of a positive preliminary test (immunoassay drug screen), the following requirements/time limits apply:
 - The secondary test (gas chromatography/mass spectrometry GC/MS) will be conducted within 48 hours.
 - If the secondary test is also positive, the case will immediately be referred to the Vendor's Medical Review Officer.

If the Medical Review Officer determines the tests to be true positive (i.e. there is no acceptable medical explanation for the presence of the substance) the final written report of the Medical Review Officer must be in the hands of the Superintendent or his/her designee within 5 business days. In addition, the Medical Review officer will also report his findings verbally to the Superintendent or his designee within 24 hours. (the Agency will provide an emergency telephone number and procedure to facilitate the verbal report.)

NOTE: IF THE INDIVIDUAL TESTED OPTS TO DEMAND THE SPLIT SPECIMEN/CHALLENGE TEST, SUCH DEMAND DOES NOT AFFECT OR DELAY THE VENDORS REPORTING OBLIGATIONS AS SET FORTH ABOVE.

22. The Vendor will ensure that strict rules of confidentiality, issued by or through the U.S. Department of Transportation, will be maintained at all times. All test results and material acquired will become the property of the Agency. Any test results shall not be released without prior express written consent of the West Virginia State Police.
23. The Vendor is to identify their subcontractor(s) and the portions of the program they intend to sub-contract; or, for those Vendors not having identified their subcontractors at the time of submitting their bid, the Vendor must state their desire to subcontract specific portions of the Drug Testing Program.
24. The Vendor shall provide the Superintendent or his designee with a written recapitulation of the testing program results on a monthly basis.
25. The Vendor shall provide all blind samples as required by U.S. Department of Transportation regulations (at no additional cost to the Agency).
26. The Vendor shall not use or disclose at any time during or after the termination of this contract, any information discovered or developed in the course of the performance of this contract without the express written consent of the West Virginia State Police. Any and all reports related to this contract shall be submitted to the Superintendent or his designee.
27. Quantities listed in this request for quotations are approximations only and are based upon estimates of yearly usage. It is understood and agreed that the contract will cover the quantities actually ordered for delivery during the term of the contract, whether more or less than the quantities shown.
28. The Vendor shall not assign, transfer, or delegate any interest in the contract whether by assignment, delegation or novation, without the prior written consent of the Agency.

29. The Vendor will submit detailed, itemized invoices to the Accounting Section, West Virginia State Police, on a monthly basis and will be reimbursed pursuant to Standard State accounting procedures (in arrears). The invoice is to reflect all testing conducted during the respective calendar month. State law forbids payment of such invoices in advance of the services being rendered.
30. The successful Vendor will be required to provide proof of liability insurance in the minimum amount of one million dollars (\$1,000,000) combined single limit per occurrence.

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

LICENSING: Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY: The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and are in compliance with the requirements as stated.
